STREET FIGHTER III: DOUBLE IMPACT

ENDING FAQ

by Kailu Lantis

Greetings! ^\_^

Welcome once again to yet another ending FAQ by yours truly (check out my other ending FAQs: SNK's The King of Fighters '98 and Samurai Shodown: Warriors Rage, as well as Capcom's Street Fighter Alpha 3). So you can say this is my fourth ending FAQ, and sixth in general (considering my two predilect FAQs: the story FAQs for the Street Fighter and King of Fighters series).

Well, with that out of the way, I introduce you to the Street Fighter III: Double Impact ending FAQ, where you will find not only the *\*exact\** translation of the endings found in both games included in the package (Street Fighter III: New Generation and Street Fighter III: Second Impact - Giant Attack), but also ALL the personal and special quotes. Could you ask for more? NO! I don't know how to select Gouken...so STOP ASKING!!!  
^\_-

You know, this game was the first game I bought for the Dreamcast, so I can say it's pretty much an honor for me to do this FAQ! Well, you have heard enough of my senseless ranting. On with the show....

LEGAL DISCLAIMER

\*\*\*\*\*  
This FAQ is created for public use, and intends to inform people about the endings of Street Fighter III: Double Impact. This FAQ is NOT to be sold in any way possible, nor can it be published in any page or printed media (aka those lazy bums at EGM and such) without the permission of yours truly. This FAQ does NOT include gameplay info, so if you're looking for strategies, combos, or the like, go take a look elsewhere. If these rules are not applied, I'm sorry to say, but Gill's organization will send you an army of Shin Akumas and torch your house for everything's worth. Have you made you wish for Christmas yet? If not, I suggest a good contact in the other world!

YOU HAVE BEEN WARNED!!! MWA HA!!!

Street Fighter III: Double Impact, Street Fighter III: New Generation, and Street Fighter III: Second Impact - Giant Attack are registered trademarks of Capcom. The info contained in this document is extracted straight from the game, as exact and precise as humanly possible...why? I didn't tape the endings, mates! I had to WRITE DOWN each and every word of them with this right hand o' mine! Yes, I did finish the game about 3-4 times with each character. Yes, I did pass hours in the Versus option to get the personal quotes. Yes, I am a crazy fluke. No, I do not have a resevervation for the local nut house. Any other questions? ^\_^

STREET FIGHTER III: NEW GENERATION

\*\*\*\*\*  
GENERAL NOTES:

-The personal quotes of each character (12 quotes in total) have been divided in 3 sections, depending on how you won the battle. If you won the battle quite easily (Perfect victory, or received a couple of minor hits), then you'll get one of the "A" quotes. If you won with a regular margin (some solid hits, half energy remaining, or a bit less), then you'll get one of the "B" quotes. If you won by a narrow edge (with a sliver of life left), you'll get one of the "C" quotes.

-The special quotes (different for each character you defeat) usually appears after you've beaten your rival 8 times in a row. Alex and Oro are the only characters who take one of their personal quotes and uses them against their "alter-egos". Nobody has a special quote for Gill, but Gill does have one for every character (but not against himself, obviously).

-No matter what you do, you can't arrange a Yun vs. Yang match in NG. When one player chooses one of the Chinese Kung Fu brothers, the other player has to resign themselves to choosing the other brother (for

example, if one player chooses Yun, the other player will have to stay with Yang).

ALEX

A "You hit the ground right when I was about to go berserk. Lucky!"

A "You say you were out of form? Your excuses are out of control!"

A "I always give my all no matter who I face."

A "Damn! Even my sparring partner lasts longer than that!"

B "You thought you had a chance? C'mon, everyone knows you're no good!"

B "I don't know where you trained yourself, but you didn't train hard enough. Those moves suck!"

B "Bluffing will get you nowhere against me. Talk's cheap!"

B "Just stay down, don't try to stand up. You look pale!"

C "Damn, I can't believe how poorly I fought. Next time, I will really beat the crap out of you!"

C "I didn't think I'd have such a hard time with you!"

C "You're tough, but you can't outlast the best."

C "You arrogant imbecile, you slacked off right at the end."

vs. Ibuki: "You're a pathetic excuse for a Ninja."

vs. Necro: "Your moves are as freakin' weird as you are."

vs. Sean: "You shouldn't use big moves you can't control, kid!"

vs. Oro: "Keep your temper old man! I'll ignore your piddly ass next time."

vs. Elena: "If you want guys to like you, you got to use those legs for something else."

vs. Ryu: "You... You seem to live for the fight."

vs. Dudley: "You've got mighty body blows, but they'll never hit my vital organs."

vs. Alex: "Just stay down, don't try to stand up. You look pale!"\*

vs. Yun: "Don't pick a fight if you can't hold your ground!"

vs. Yang: "You brothers are so hot-blooded! But you're both lamers."

vs. Ken: "You may be fast, but not fast enough to elude my fists."

\* = No, this isn't a mistake. Alex takes one of his normal quotes to use it against his "alter-ego" (lazy Capcom again).

Ending:

(Discolored picture of Alex, in a room, sitting aside Tom, a bearded man, who is lying in a bed, filled with bandages. Aside Alex is Patricia, a girl with curly brown hair, wearing a dress. Patricia is clearly anguished for her father.)

Tom: "Are you going to hunt him down? I see it in your eyes...Alex, you don't need to avenge me.... You don't understand.... We fought, he was strong, and I was not. That is all. ...Fine. Go if you feel you must. Chase him and see the world for yourself...."

(Close-up of Alex with a clenched fist, looking deeply concerned. Patricia stands aside him.)

Alex: "Tom, please, you've said enough! It's over for you, please sleep!"  
(Back to the original picture, Tom turns his head aside in the bed. Alex still looks incredibly worried, and Patricia moreso.)

Tom: "...I've said all I can, your path is your own. I feel tired, I must rest...."

Patricia: "Oh Daddy! Daddddddd!"

(Screen turns white. Next scene is Alex standing on a New York street. He has a happy smile when he sees Tom, who is wearing a white shirt and black pants/jacket and with a walking stick, and Patricia at the corner of the street. Patricia is waving at Alex.)

Patricia: "Welcome back, Alex!"

Tom: "My student, you're back at last! I have waited long for your

return!"

Alex: "Tom? No way!? Are you fully recovered?"

(Patricia hugs Alex. Tom stands behind her.)

Tom: "Any wound can be healed with time. ...And I see a new look about you, Alex. You have the face of a true man."

(Close-up of Alex's happy face.)

Alex: "You know Tom, now that this is all over, I have a new journey in front of me.... ...I feel the greatest fighters around the world still awaiting my challenge! I will face them!"

DUDLEY

A "No matter how many times we fight, I'll always pound your limy hide."

A "You're down already? The spectators have asked for their shillings back!"

A "I put the kettle on, but you can't even last through tea time!"

A "To err is human, but to win is noble."

B ""Cowards die often", or so it is said."

B "This was my finest hour!"

B "Another uncouth lout falls between my knuckles and the street."

B "Shall I awaken you with the waters of the Thames River?"

C "The British spirit is an indomitable spirit!"

C "Good show, but it just isn't in your blood."

C "It seems the grace of victory doesn't love you."

C "How could you have given me such a tussle! 'Tis just not my day. Time to go home!"

vs. Ibuki: "Not a bad go of things. I enjoyed it Samurai lass!"

vs. Necro: "At first you looked like a right good challenge. Looks can deceive eh?"

vs. Sean: "Such a greenhorn! You leave your temple wide open. Bad form!"

vs. Oro: "On my honor old man, I swear I didn't pull any punches!"

vs. Elena: "Pardon me for my violent behavior...lady...."

vs. Ryu: "Sad.... The land of the Samurai must have fallen with you."

vs. Dudley: "You dared to piss me off. Was it boldness, or stupidity?"

vs. Alex: "Ah, I just can't stand ill-mannered goons who ignore grooming!"

vs. Yun: "Your fighting skills are equal to...child's play."

vs. Yang: "When it comes to lightning actions, the speed of boxing is unsurpassed."

vs. Ken: "My apologies, but I have no chance but to maul sissy men like you!"

Ending:

(Dudley, seen from behind, stands in front of a kneeling Gill. Gill signals for Kolin, a blonde woman dressed in a secretary garment.)

Gill: "You've won, champion! I can't believe it, but a deal's a deal....

Kolin, give him back his car keys as I promised."

Kolin: "Yes sir."

(Kolin throws some keys towards Dudley.)

Kolin: "Here, take this.... And get out of here before the boss changes his mind!"

(Close-up of Dudley catching the keys.)

Dudley: "I sure whopped those hooligans! And now I got my Pa's car back!"

(Scene of Dudley gleefully driving down a country road with a fancy red car.)

Dudley: "Oh, duddy, I love this car! If only you could see this sweet machine in motion.... Whan a orchestral sound...the symphony of the engine, the soprano of the steering.... It's perfect!"

(Suddenly, the steering wheel comes off, much to Dudley's surprise.)

Dudley: "Oops!"

(Dudley puts the steering wheel back into place, and gives the thumbs-up pose.)

Dudley: "No problem!"

ELENA

A "What did you think of my finishing move?"

A "You don't have any rhythm!"

A "Maybe you should take up another skill! Why not try mountain biking?"

A "Did you let me win? No one can be THAT bad!"

B "I think we can be friends. You think so too, right?"

B "African earth is my teacher! You must learn to respect it!"

B "I felt your rhythm!"

B "Will you fight me again someday? I think it's wonderful!"

C "It was a great fight! I wanted it to last forever!"

C "I'll never forget about today's fight!"

C "I had a problem timing myself to your moves. Are you tone-deaf?"

C "I'm so pleased to have fought with you!"

vs. Ibuki: "You move like a wild animal, but have the quickness of a cat!"

vs. Necro: "You have incredibly long reach. But your moves are slow!"

vs. Sean: "You want to fight me again? You have the heart of a lion, but the power of a kitten!"

vs. Oro: "Are you O.K. old man? Are you hurt?"

vs. Elena: "I hate copycats!"

vs. Ryu: "Did I help you in your training?"

vs. Dudley: "Boxing is a beautiful sport! But this fight was no game!"

vs. Alex: "You're the man who has the wild eyes!"

vs. Yun: "You're young, but you're a respectable warrior!"

vs. Yang: "I can feel the eternal history in your moves. Next time, try harder!"

vs. Ken: "My dad told me to watch out for guys like you!"

Ending:

(In a Japanese village, Elena runs down an inclined street at high speed with her bike. She is dressed in a Japanese school uniform dress.)

Elena: "Dear dad and mom, how are you doing? I've traveled the world, and finally have found a place to call home. It's a strange country, but like father told me, "Friendship is universal"."

(Narumi, a girl with short light brown hair, glasses, and wearing the same Japanese school uniform dress, is also riding her bike behind Elena. She rides more carefully than Elena, and has a worried face.)

Narumi: "Elena, you're going too fast! It's dangerous!"

(Close-up of Elena's happy face, with cherry blossom leaves falling around her.)

Elena: "Don't worry! I can handle it. This summer vacation, I want to introduce my friends to you. Narumi is my best friend."

(Picture of Elena and her "human" friends with Elena's "animal" friends. Elena is in the middle, raising her hand and with a happy face, with a monkey on her shoulder. Narumi is hugging a lion cub. At the right, a girl with long brown hair and with a slightly tanned skin, contemplates a rhino with surprise. The rhino has some birds atop it. At the left, a girl with long black hair fixed in a ponytail and a ribbon looks at Elena, with a giraffe at her side. Behind them all, in the background, is an elephant.)

GILL

A "So weak! Are you trying to dull my fighting senses?!"

A "Are you paralyzed yet? You're way below my expectations, but that's nothing new."

A "You call yourself well-trained? Obviously humans follow the wrong leaders...anyone but me!"  
A "If you trained harder, maybe you wouldn't fall so quickly. Pathetic!"  
B "Look into my eyes! I'll carve the mark of defeat on your brow."  
B "Ignorant of your own incompetence.... What a fool."  
B "I held back, and still you cower on the ground like a peon. What a waste of human life!"  
B "I should have been conquering the world, not wasting my time with the likes of you."  
C "Not bad, but still you fall short of the perfection I embody."  
C "You actually made me pay attention to this fight, for a moment."  
C "You did well, for one of the sheep. Challenge me again when you learn from your mistakes."  
C "I admire your courage, but you'd be a fool to stand against me again."

vs. Ibuki: "Ninjitsu is a rare style that I respect, but you make a mockery of the art. You have no chance."

vs. Necro: "I thought I granted you the ability to fight.... Obviously, you are defective."

vs. Sean: "Like a prayer without faith, your moves are incomplete. Your odds to win are 1 in a million."

vs. Oro: "You are powerful for your old age, but my ambition surpasses yours a thousand fold."

vs. Elena: "I respect you, passionate female warrior, but my respect will not save you!"

vs. Ryu: "If you let your troubled mind stand in your way, it doesn't take much to slaughter you."

vs. Dudley: "You cling to your sense of pride like a fool on a sinking ship."

vs. Alex: "You were only slightly easier to defeat than the one who came before me."

vs. Yun: "Chinese martial arts look beautiful. But, that is all."

vs. Yang: "You and your older brother could have challenged me together, but instead you perish apart."

vs. Ken: "Your tongue isn't as sharp when you're lying prone on your back, is it kid? Where's your spirit?"

Ending:

(The camera scrolls a picture of Gill from bottom to top.)

"When the sun sets on the Soliton Mountain, the black moon will break into seven pieces and fall on the people of "Ultania". Nothing can prevent this.... Death and destruction will violate the land. Misery and suffering will assault the people.... Then, after 130 days of nothingness, a boy who controls the elements will come to save the people." -From the Book of Miraha 3:11

IBUKI

A "Useless try, you were beaten from the beginning!"

A "It was my destiny to win."

A "I don't think you can understand what Shinobi moves are all about."

A "I'm the best there is!"

B "There's no second chance in the real fight!"

B "Don't underestimate me!"

B "Devote yourself to your training!"

B "You don't have enough tenacity for the fight."

C "Now that you know the special move of the Shinobi, I cannot let you live."

C "Even though I won, it was too close of a fight!"

C "I'll beat you from behind next time!"

C "Hesitation in a fraction of a second can kill you...."

vs. Ibuki: "There is only one original!"  
vs. Necro: "You use strange moves.... Are you a Shinobi too?"  
vs. Sean: "You want more? A true Master knows when not to fight!"  
vs. Oro: "May you live long, old man!"  
vs. Elena: "You'll have big trouble if you fight in a half-hearted way!"  
vs. Ryu: "As a Shinobi, I urge you to stop wandering around the world in that costume. It's confusing!"  
vs. Dudley: "You can't accept your defeat? Ninjitsu is not a sport!"  
vs. Alex: "So much for the Macho Stud! You've lost that power instinct!"  
vs. Yun: "You are fast, but I am faster!"  
vs. Yang: "Didn't I just beat your brother?"  
vs. Ken: "Your cute charms won't save you from defeat!"

Ending:

(Ibuki is shown lying on a small grass hill, wearing her school uniform dress, aside her pet raccoon. The sun is setting. A close-up shows a thoughtful Ibuki with a piece of grass in her mouth. She recalls the moment when she defeated Gill: a black and white picture of Ibuki, seen from behind, standing above a kneeling Gill.)

Gill: "It seems I've lost. As a man of my word, I'll keep my promise to you. Here is the G file! The project has already begun and there is nothing you can do to stop it! It is my masterpiece! You've gained nothing by obtaining the G file! It's a document of utter perfection. You should use it as a reference paper! Ha ha ha ha!"

(Back to Ibuki on the hill, a shadow nears Ibuki. Ibuki's eyes open wide.)

Ibuki: "I sense a presence! Someone is coming....."

(Ibuki backflips into the air.)

Ibuki: "Ya!"

(Ibuki lunges towards the screen, throwing several daggers. But as she descends, she realizes with shock that it is her friend Sarai, a girl using some pilot goggles and the same school uniform dress she uses. Sarai has managed to cover her head with her backpack, object in which the daggers stick themselves.)

Sarai: "Kyaaaahh!"

(Sarai furiously swings her pierced bag in front of an ashamed Ibuki and her pet raccoon.)

Sarai: "What the hell? You shattered my bag and put holes in my text books! Are you crazy Ibuki!?"

(Ibuki, her pet raccoon, and Sarai walk towards the sunset. Sarai still seems ticked.)

Ibuki: "I'm so sorry Sarai!"

KEN

A "That was too easy!"

A "It's losers like you that make this game boring!"

A "I thought you had at least a little bit of potential! It seems I was wrong!"

A "I had an extremely good sense of how the fight would go!"

B "It was already decided that I would win!"

B "It's the fighting sense that matters. Time off will never dull my instincts!"

B "What a reckless man you are. Don't try to execute a jump-kick on me!"

B "Now you've learned how to kick your opponent!"

C "I must be getting old to allow someone of your weak ability to almost win!"

C "You hurt me, but I hurt you worse!"

C "It's not that you were good! It's that I wasn't trying hard!"

C "You were good! I almost broke a sweat....."

vs. Ibuki: "Did I do anything that makes you hate me?"  
vs. Necro: "You're so interesting. Come back if you want to challenge me again!"  
vs. Sean: "You must understand the basic rules of fighting!"  
vs. Oro: "So you're looking for a disciple? Don't make me laugh! You should be my disciple!"  
vs. Elena: "A lady like you should not act so violently!"  
vs. Ryu: "I think we've fought too many times now. When will you accept that I'm better?"  
vs. Dudley: "Yo...old man! Don't even try to fight me again!"  
vs. Alex: "You're not so bad! But you're not so good either! Only average...."  
vs. Yun: "Don't be so depressed. You will get better over time!"  
vs. Yang: "I like a naughty boy like you!"  
vs. Ken: "In this world, there are some things you can not imitate!"

Ending:

(In a forest, Ken, wearing a white shirt, beckons for someone with his hand.)

Ken: "Come on Mel! Give me your best shot!"

(A flash appears. Then Ken is seen reeling in pain, with several blood stains on the screen.)

Ken: "Guha!"

(Scene of Eliza, wearing a blue dress, in shock.)

Eliza: "Ohhh Ken!"

(In an electrifying background, Ken's is still paralyzed from the hit. The camera scrolls down...and there is Mel, wearing a red shirt and shorts as well as a headband and handguards, punching his dad in the groin. Next scene shows Eliza trying to hold Mel back, who apparently wants to bash Ken some more. Ken kneels on the floor, covering his...um..."private parts" ^\_^)

Eliza: "Do you understand what you did to your dad, Mel?"

(Close-up of Ken, nervously smiling, and giving the thumbs-up pose.)

Ken: "Mel...you win!"

NECRO

A "Don't give me that punk-ass attitude! You think I cheated!"

A "So boring...I could spare change while kicking your ass without breaking a sweat."

A "I can't believe you're already out! What am I supposed to do with all my rage now?"

A "I warned you. You didn't listen. The masses of humanity will always suffer...at my hands!"

B "Apologize while you can idiot! Say you're sorry for all your crimes and I might spare you...."

B "My rage was like a white inferno of anger. You will burn...."

B "What are you looking at? What's your damn problem?"

B "Get outta my way or I'll tear you limb from limb!"

C "No mercy to weekend warriors!"

C "Damn, I can't believe I'm breathing hard after fighting your sorry ass!"

C "I'll win by any means necessary. I will survive!"

C "I'm in pain!"

vs. Ibuki: "I see you're serious. I like your attitude!"

vs. Necro: "Never enter my sight again!"

vs. Sean: "Maybe I won't beat the crap out of you anymore. Thank me!"

vs. Oro: "You screwy old man, can you even see your damn opponent?"

vs. Elena: "You'll never beat my long reach, even if you use your legs!"

vs. Ryu: "It seems you've trained well, but is that it?"  
vs. Dudley: "Thank you for being my punching bag. You're a true gentleman!"  
vs. Alex: "What's up? You're hella insane! I won't waste my time with you...."  
vs. Yun: "I'm done playing kid's games with you. Go home!"  
vs. Yang: "Your insanity is impressive, but not enough. Try again, kido!"  
vs. Ken: "I don't know why, but I just don't like you, blondie!"

Ending:

(Necro, in utter desperation, is wrapped up in several yellow tapes with the red word "Seal!" written all over them, in the middle of a black room.)

Necro: "Damn it! You tricked me Gill! Release me!"

(Gill's face appears in a screen. Necro tries to reach out for him.)

Gill: "I'll destroy this facility and you with it!"

(A door closes in front of the screen.)

Gill: "Adios! It's time to end this experiment. You are expendable."

(Effie, a little girl with a red dress and blonde hair fixed in two ponytails and pretty zombie-looking, comes to help Necro, who is exhausted.)

Effie: "Oh, poor ILLIA! I'll help you out!"

(A sky view of the island where the facility is located.)

Voice: "10 seconds to self-destruction. Cancellation disabled...5, 4, 3, 2, 1.

(Energy begins to gather around the island, and then it goes up in smoke in one huge explosion. Necro and Effie, who managed to escape the facility in time, ride away in a motorcycle in the sunset. A small bar depicting a happy Necro and Effie scrolls upwards.)

Effie: "I wonder what's gonna happen to us...."

Necro: "I don't know. But that's a part of freedom, right? Anything is possible...."

ORO

A "Some call it unearthly abilities. I call it Senjitsu."

A "Such a lack of challenge. I thought you had burning passion, but you are devoid of talent."

A "It was over before I knew it. Too bad you never trained with me!"

A "I have no time to deal with cretins like you."

B "You have to start by learning how to communicate with heaven and earth!"

B "I used the minimum energy to insure my victory."

B "You strain yourself too much! Fight without restraint and you will stand a chance."

B "You have the power, you just don't know how to use it."

C "Your aptitude is great. Train yourself for 80 years and you'll be a respected Sennin."

C "For once I felt pressed. First time in ten years I've broken a sweat."

C "Well, you were almost worthy of the lies you told about your ability."

C "Show some respect for your elders, whippersnapper!"

vs. Ibuki: "You're vicious, but too vicious. You can't even touch me!"

vs. Necro: "Your screwed up face is only entertainment."

vs. Sean: "You're so young! I envy your youth, but not your lack of skill."

vs. Oro: "Your aptitude is great. Train yourself for 80 years and you'll be a respected Sennin."\*

vs. Elena: "I see promise in you girl. Come on, come closer!"

vs. Ryu: "You resemble me in my younger days! I must train you if you are

to realize your potential."

vs. Dudley: "Your uppercut you're so proud of moves in slow motion in my eyes!"

vs. Alex: "Don't judge your opponent by their appearance. You're such a cocky youth!"

vs. Yun: "You're not seasoned enough! A 4000-year Chinese legacy just isn't enough."

vs. Yang: "I'm tired of dealing with you, immature brat!"

vs. Ken: "Your fighting spirit is strong. If I could train you like a dog, you might become good someday!"

\* = No, this isn't a mistake. Oro takes one of his normal quotes to use it against his "alter-ego" (lazy Capcom again).

Ending:

(Oro is contemplating the scrolling sunset sky with a hand on his chin, thoughtful.)

Oro: "Nobody has enough guts to learn from a true master like me!"

(The image of Ryu appears in the sky.)

Oro: "The only one who has a true passion for fighting was the kid with the headband. Maybe he...."

(Oro scrolls downward. Then he appears again in the background, along with his standing place...a flying plane.)

Oro: "Wait for me kid!"

(Scene of the clouds scrolling at a fast pace.)

Oro: "I will teach you how to fight all over again. Re-learn and you'll become good!"

(The plane flies into the sunset.)

Oro: "Hya hya hya hya. I'm coming, kido! Wait for me!"

RYU

A "This match...I think I've learned something from this. You're nothing...."

A "You can't beat me with those incomplete moves!"

A "What! Out of stamina already!?"

A "You're wounded.... The hot springs can heal you quickly."

B "You still have a fighting spirit in your eyes. I look forward to our next battle."

B "Get up! Show me your true power!"

B "Put everything you've got in your fist and challenge me!"

B "These two fists are everything to me!"

C "I was not concentrating! I have not trained hard enough!"

C "Your moves are sharp.... But I'll deal with them next time!"

C "It was a good fight. Challenge me again!"

C "The world is big! There must be no limit to human strength...."

vs. Ibuki: "Your Ninja style is different from Bushin style. But that's because you're not a guy!"

vs. Necro: "You can't surprise me with those moves! I used to beat this man from India...."

vs. Sean: "Master the basics first. You can learn from the rest!"

vs. Oro: "You use strange moves.... They seem different from my power source."

vs. Elena: "You have a nice bounce in your body! It's wonderful!"

vs. Ryu: "I'm far from perfect.... Imitating my moves is useless."

vs. Dudley: "I feel I learned something from fighting with you...."

vs. Alex: "Your moves become dull when you get too excited!"

vs. Yun: "Chinese art.... That reminds me of all the strong opponents in the past."

vs. Yang: "Didn't I see someone else who fights like you?"

vs. Ken: "Your Dragon Punch has not run down yet!"

Ending:

(Scene of a country field in California. A truck stops in the middle of a dirt road. Ryu descends from the truck.)

Driver: "Oakland is to the left. Are you sure you want to get off here? You've still got 30 miles to go."

(Close-up, Ryu, carrying his duffel bag, looks the driver away. The driver waves before going away.)

Ryu: "Yes. I'm sure. Thanks. There's still some sunlight left. I think I can still make it there on foot."

(Back to the wider view of the country field, the truck is seen driven away. Then there is a side view of Ryu.)

Ryu: "Ken, I'll keep fighting...training...and searching...."

(Ryu begins to run.)

Ryu: "Wait for me warriors...I live for your challenge."

SEAN

A "Hado-power! I think I've come to understand it!"

A "You lack strength of purpose. Don't despise me!"

A "I'm as quick as the wind, as fierce as fire, and as solid as a rock!"

A "Shoryu-reppa! I'll perfect it next time!"

B "When it comes to the fighting spirit, I can not lose!"

B "I've reached my potential!"

B "I did it, master! I beat my first opponent!"

B "Don't call me Dan!"

C "I can't lose! I must defeat everyone!"

C "I like close fights. It makes me stronger!"

C "I must learn more. Where is Ken?"

C "Rule #1: Never give up! Rule #2: Don't fight me! Rule #3: Don't be like Dan!"

vs. Ibuki: "Great! Are you a real Ninja?"

vs. Necro: "I'm too desperate to win to be deluded by your strange moves!"

vs. Sean: "You are a man right? Don't be so slow!"

vs. Oro: "You're great old man. You've shown me how to defeat a worthless opponent."

vs. Elena: "When it comes to the sense of rhythm, you can't beat me!"

vs. Ryu: "Please show me that move again! This time I'll watch your hands!"

vs. Dudley: "My fist is my soul! You can't defeat me with that spiritless punch!"

vs. Alex: "I could tell when you were going to make your next move. It was too obvious!"

vs. Yun: "Unlike you, I always try to defeat the opponent with one punch!"

vs. Yang: "Kung Fu is supposed to be the best, right?"

vs. Ken: "Master! One more match please!"

Ending:

(In a forest, Sean, in the foreground, is being blown away by Ryu, who has just launched a Hadoken, in the background.)

Sean: "Uwaaah!"

(Sean tries to get up, wiping his mouth, looking ticked. An image of a serious Ken appears aside him.)

Sean: "Damn it! Let's try that again!"

Ken: "In order to be the best, you must defeat Ryu! Don't come back until you've done that!"

(Ken's image turns into a picture of Ken, wearing a white shirt, along

his wife Eliza, who has a white dress. Ken's serious expression turns into a happy one, giving the thumbs-up sign, and with a kiss mark on his cheek.)

Ken: "I must go. Good luck!"

(Sean gets up in a ready position, with a flaming aura around him. But still, he is blasted away by Ryu's Hadoken.)

Sean: "Uwaaah!"

(A concerned Ryu extends his hand towards Sean.)

Ryu: "Wait a minute, Sean! Are you fighting me because Ken told you to do so?"

(Once again, Sean gets up, flaming about. He then attempts to execute a jump kick on Ryu, with lightning flashing all around him.)

Sean: "Shut up and fight!"

(Yet again, Sean is busted by Ryu's Hadoken.)

Sean: "Guwah! He's just too good!"

YANG

A "Enough! I have no reason to waste my fists on your scurvy face."

A "Why am I so strong, and why are you so weak? Why is the sky blue?"

A "Weaklings like you should go hang out in the crowd. You're not ready for the real deal!"

A "Try to look up at the sky! Look down and you'll get depressed as you see your lame body."

B "I was itching for a good fight. Thanks! But next time make it a good fight, not just a fight."

B "I did it! No sweat."

B "I told you I'm strong. You should listen to your superiors!"

B "What's your problem? You want another fist in the face?!"

C "Some days are better than others. Today was bad for me, but really bad for you."

C "I've heard only he of serious mind wins fights. Your mind is a serious sieve."

C "I repaid you for all the injuries you inflicted on me three times over."

C "A close one. I almost let you win."

vs. Ibuki: "That Ninja costume is wasted on your body!"

vs. Necro: "Next time, save your posing for after the fight!"

vs. Sean: "You want to try again? Sure, you'll just lose again."

vs. Oro: "I don't care if the opponent is young or a worthless old man, I never hold back my Kung Fu!"

vs. Elena: "When it comes to fighting, the lines between genders are blurred to me."

vs. Ryu: "Don't wander around in that Karate costume, someone might think what it is."

vs. Dudley: "You shame yourself with your excuses, old man!"

vs. Alex: "Your power is dangerous! Try not to hurt yourself!"

vs. Yun: "Over-confidence is the greatest enemy, brother!"

vs. Ken: "You are so reckless. You should be a role model, but you're nothing."

Ending:

(Yang jumps towards the sky on his skates.)

Yang: "Ya!"

(Yun jumps towards the sky on his skateboard.)

Yun: "Ha!"

(In a local stand, an old man looks at the twins, carrying a basket. Behind him is a Chinese girl carrying a bag.)

Girl: "Look! Those are the Lee brothers! They're back!"

(Yun and Yang run by at full speed. Yang is at the front, and Yun runs in

the back.)

Yun: "Hi you guys! How have you been? It's been so long!"

Yang: "What's going down?"

(The old man wields his fists in a bad humored way.)

Old Man: "Tell me about it. How did it go? Your proud Kung Fu didn't make it in the real world, huh? Ha ha ha!"

Scene of Yang jumping on his skates.)

Yang: "Hi ya! Eat it!"

(Scene of Yun jumping on his skateboard.)

Yun: "Yeah right! Feel this!"

(Yun and Yang sail above the old man, who crouches for safety. The girl in the background is shocked.)

Old Man: "H...hey! What are you doing?! You'll wreck my stand!"

(Yang looks over his shoulder at the screen, while Yun stands in the background with his hands in his pockets.)

Yun: "The real world was only slightly more challenging than your stand. We'll demonstrate!"

Yang: "Our Kung Fu is the world's strongest!"

YUN

A "It's almost scary how perfect I am!"

A "Sometimes I beat up people too much. Not again!"

A "Hey you! The one with the weak moves! Are you still alive?"

A "Your attacks didn't even graze my skin!"

B "It's only natural you lost. Rest now."

B "I can't bear to watch your moves. They're too un-cool for words!"

B "Everyone expects the true Kung Fu master will win."

B "I've shown you the best moves I've got...the best Kung Fu in the whole world!"

C "Whew, you scared me.... This much."

C "I never imagined I could have a hard fight. Maybe I don't imagine enough, but who cares?"

C "For once in my life, a close one? I must have the sniffles or something."

C "That was a close one.... But you still lost!"

vs. Ibuki: "You look good in your outfit, but good looks aren't everything."

vs. Necro: "You're so damn weird! But I beat you anyway."

vs. Sean: "Your moves are hard, but unpolished. You'd better tone up or you'll never win with that stupid  
junk."

vs. Oro: "An old man like you should be drinking hot tea or something rather than fighting."

vs. Elena: "I've beaten a girl. Grandfather will scold me!"

vs. Ryu: "You almost look like you enjoy being beaten!"

vs. Dudley: "Your speed combined with your heavy weight is almost unfair. Almost."

vs. Alex: "Hey, are you done playing around yet?"

vs. Yang: "Don't worry, Kung Fu will always triumph.... My Kung Fu!"

vs. Ken: "Your moves are fun to watch, but easy to stop."

Ending:

(Yun jumps towards the sky on his skateboard.)

Yun: "Ha!"

(Yang jumps towards the sky on his skates.)

Yang: "Ya!"

(In a local stand, an old man looks at the twins, carrying a basket.

Behind him is a Chinese girl carrying a bag.)

(Scene of Yang jumping on his skates.)

Yang: "Hi ya! Eat it!"

(Yun and Yang sail above the old man, who crouches for safety. The girl in the background is shocked.)

Old Man: "H...hey! What are you doing?! You'll wreck my stand!"

(Yun stands in the street, holding out his cap. In the background, Yang looks over his shoulder at the screen.)

Yun: "The real world was only slightly more challenging than your puny stand. We'll demonstrate!"

Yang: "Our Kung Fu is the world's strongest!"

STREET FIGHTER III: SECOND IMPACT

\*\*\*\*\*

GENERAL NOTES:

-Each character has 7 normal quotes that do not vary depending on the conditions of your victory (although I have yet to discover Ken's seventh quote, no matter how many times I win with him, I can't seem to find out what it is.

-Also, each character has 2 quotes which appear whenever you finish your opponent with a determined Super Art. This applies for every Super Art EXCEPT the throw-based Super Arts, which are:

- \*Alex's Hyper Bomb/Stun Gun Headbutt
- \*Hugo's Gigas Breaker/Megaton Press
- \*Oro's Kishin Riki
- \*Necro's Slam Dance
- \*Akuma's Shun Goku Satsu

There are also the obvious exceptions of the "regeneration"-type Super Arts, such as Elena's Healing and Gill's Resurrection. Also, in the case of Ibuki's Yoroi-Doushi, you MUST eliminate the opponent with the ball of energy by itself...if you finish the opponent with the close-up version of the Yoroi-Doushi, the quote will not appear.

-As you may have seen, Hugo has 4 different final bosses (and, henceforth, 4 slightly different endings). So, how do you reach each one of them? Well, when you get to select Hugo's Super Art, you must choose one of the following combinations to select your Super Art, and depending on the combination, you will face that character as your final boss (you can even lose with one final boss, continue, and enter another combination to fight ANOTHER boss, different from the one you lost with!) The combinations are:

- \*F + Punch: Necro
- \*B + Punch: Elena
- \*F + Kick: Ryu
- \*B + Kick: Gill

-To fight each character's mid boss, you must gather 5 Super Art finishes

by the time you reach the fourth, fifth, or sixth opponent in your lineup. If you've already gathered the necessary requirements prior to the fourth match, you still won't face your mid boss until after you've beaten your fourth opponent. You can lose rounds, but you can't lose matches. When you have accomplished all the requirements, the words "Your rival has found you!" will appear after you've beaten your opponent, and you'll proceed to fight your mid boss in the same stage you defeated your last opponent. If you've selected Elena's Healing, just use it 5 times (once per round), and it will count as a Super Art finish as well (don't ask why, it just happens!).

-All dialogues can also be applied to the arcades...well, except for the Gill vs. Gill quote, of course. ^\_^

AKUMA/SHIN AKUMA

"Your power fails to even graze my fist!"

"I can tell how much power you possess!"

"The power of my fist holds no weaknesses. Grovel in your despair!"

"My name is Akuma!! The supreme master of the fist!"

"Is that all? You must be joking!"

"Where is the person who can satisfy me.... Does such a challenge exist?"

"I am disgusted.... You have zero potential!"

Messatsu Gou-Hadou/Tenma Gou-Zanku:

"Your mild power can't even be compared to the strength fueled by murderous intent!"

"Pathetic! You have completely submitted to the might of my wave motion power!"

Messatsu Gou-Shoryu:

"My murderous Shoryu crushed you! A suitably cruel finish...."

"Your soul is worth only ashes now...."

Messatsu Gou-Rasen/Messatsu Gou-Senpoo:

"Driven by murderous intent.... No one can compete with my power!!"

"My murderous intent shall never fade.... Perish!"

vs. Ryu: "Fool! You've deserted your karma as a master of fists!"

vs. Alex: "You claim to be a man? You cannot prove it with your power!"

vs. Yun: "It's a pity! You don't even know your own strength!"

vs. Necro: "I'm not even amused. You are a waste of dust."

vs. Ibuki: "Your fist lacks ferocity and spirit. You should feel ashamed!"

vs. Hugo: "Boring...now leave!"

vs. Sean: "Why are you defeated and humiliated? Ask your own fist one more time."

vs. Urien: "Is this what you call your best? Enjoy your humiliation."

vs. Elena: "Your kicks lack power.... You don't deserve to be a warrior!"

vs. Oro: "Pathetic! Your Senjitsu can barely keep you alive!"

vs. Yang: "Runt.... You don't deserve to fight with me!"

vs. Dudley: "Your fist is worthless.... Your pride overcomes nothing!"

vs. Ken: "Your fake ferocity has done you no good. You cannot harm me!"

vs. Akuma: "Fake fists! I shall crush them!"

vs. Gill: "Now you see the power of my fist...."

Mid boss: Sean

Sean: "Ryu! I've come to challenge.... Wha...? Who are you?!"

Akuma: "....."

End boss: Ryu

Akuma: "Ryu.... It's time to show me your full power unleashed!"

Ryu: "Malicious intent is never the true way of the warrior, Akuma."

Ending (Akuma):

(Sky view of Ayers Rock, a huge rock structure in the fields of Australia.)

Feb. 11, 19XX PM 6:30 Australia, Ayers Rock

(A shirtless Akuma raises his fist towards the sky. The full moon is in the background.)

Akuma: "The fist of the Master.... Behold!"

(Close-up of Akuma preparing himself to punch the ground.)

Akuma: "Hyaaaaah!"

(Akuma punches the surface of Ayers Rock with all his might. A line of energy is seen coming out of the ground in front of Akuma. In the sky view of Ayers Rock, you can see how it is split by the half! The "heavens" symbol that always appears on Akuma's back appears on screen.)

Akuma: "The ultimate technique. "Kongou-kokuretsuzan"."

(Scene of Akuma raising his fist to the sky.)

Akuma: "The might of the heavens resides in my fist.... Humans.... All walks of life!! It begins with the power of my savage attack!"

Ending (Shin Akuma):

During the credit roll, in the Hidden Shrine (Gill's stage), the camera scrolls towards the left and reveals Gill lying on the ground. When the credits end, Gill performs the Resurrection. "To Be Continued" appears on a black screen afterwards.

ALEX

"I cannot lose...I have my reasons!"

"Defeat will only come when I no longer have a soul!"

"I have a wound that cannot be healed...."

"If you want to beat me, train yourself more or think it over.... Take your time...."

"You're bugging me! Don't you have anything better to do?"

"Using power to my advantage is my style...."

"It's all over for you. You don't have to get up anymore...."

Boomerang Raid:

"The Boomerang Raid is meant to demolish your defense!"

"With an ending like that, I'm quite happy with my performance.... A combination Super Art finish!"

vs. Ryu: "Your fighting spirit is pure.... That is something worth having!"

vs. Alex: "How can you hope to win if all you do is imitate my style?"

vs. Yun: "Has defeat hardened your spirit? Can you feel it? Are you stronger now?!"

vs. Necro: "I don't know why.... But I cannot forgive the man who created you."

vs. Ibuki: "You've trained yourself well.... But you should improve your tenacity, or you'll lose swiftly."

vs. Hugo: "It looks as though I've sunk the Titanic! It might be a good idea to stay down...."

vs. Sean: "Your immaturity might get you killed someday. Are you sure you are ready for this stuff?"

vs. Urien: "I thought you were my arch-rival! I guess I was wrong.... You resemble him so closely...."

vs. Elena: "You show gratitude towards your challengers. I wonder if all your opponents can understand it."

vs. Oro: "If you grapple with me cheaply, you'll get hurt, old timer!"

vs. Yang: "Keep your cool and don't worry so much about winning or losing.... You'll learn in time...."

vs. Dudley: "My tenacity overcomes your pride. Of course, you have no idea how to deal with it."

vs. Ken: "Your burning fist and fighting spirit...I've seen it before!"

vs. Akuma: "You lack emotions. You cannot understand my sadness, so you are destined to lose!"

vs. Gill: "Your arrogance only serves to strengthen my spirit! I'll serve you your justice!"

Mid boss: Ken

Ken: "You look like a decent sparring partner. So, how about it?"

Alex: "I've got to start somewhere. So I may as well start with you!"

End boss: Gill

Alex: "You're the one I've been looking for! It's payback time for Tom!"

Gill: "And now that you have found me, your quest is over; permanently."

Ending:

(Discolored picture of Alex, in a room, sitting beside Tom, a bearded man, who is lying in a bed, filled with bandages. Beside Alex is Patricia, a girl with curly brown hair, wearing a dress. Patricia is clearly anguished for her father.)

Tom: "Are you going to hunt him down? I see it in your eyes...Alex, you don't need to avenge me.... You don't understand.... We fought, he was strong, and I was not. That is all. ...Fine. Go if you feel you must. Chase him and see the world for yourself...."

(Close-up of Alex with a clenched fist, looking deeply concerned.

Patricia stands beside him.)

Alex: "Tom, please, you've said enough! It's over for you, please sleep!"

(Back to the original picture, Tom turns his head aside in the bed. Alex still looks incredibly worried, and Patricia moreso.)

Tom: "...I've said all I can, your path is your own. I feel tired, I must rest...."

Patricia: "Oh Daddy! Daddddddd!"

(Screen turns white. Next scene is Alex standing on a New York street. He has a happy smile when he sees Tom, who is wearing a white shirt and black pants/jacket and with a walking stick, and Patricia at the corner of the street. Patricia is waving at Alex.)

Patricia: "Welcome back, Alex!"

Tom: "My student, you're back at last! I have waited long for your return!"

Alex: "Tom? No way!? Are you fully recovered?"

(Patricia hugs Alex. Tom stands behind her.)

Tom: "Any wound can be healed with time. ...And I see a new look about you, Alex. You have the face of a true man."

(Close-up of Alex's happy face.)

Alex: "You know Tom, now that this is all over, I have a new journey in front of me.... ...I feel the greatest fighters around the world still awaiting my challenge! I will face them!"

DUDLEY

"I put the kettle on, but you can't even last through tea time!"

"It seems the grace of victory doesn't love you."

"'Cowards die often", or so it is said."

"Shall I awaken you with the waters of the Thames River?"

"This was my finest hour!"

"The British spirit is an indomitable spirit!"

"No matter how many times we fight, I'll always pound your limy hide."

Rocket Uppercut:

"Rocket Uppercut!! It strikes the heavens in unequaled glory!"

"The End!! What a stylish victory!"

Rolling Thunder:

"Rolling Thunder.... Did you ever think it could end so dramatically?"

"Now you have seen the power, devastation, and fury of the Rolling Thunder!"

Corkscrew Blow:

"Corkscrew!! It has the devastating power of a hurricane!"

"The Corkscrew was a perfect finisher...I did not think you could withstand it!"

vs. Ryu: "Your bravery is admirable! Is that the way of a Japanese Bushido warrior?!"

vs. Alex: "Your attacks are strong, but unpolished.... Are you really determined to win?"

vs. Yun: "Speed, which you have, is necessary to win. But where is your power?"

vs. Necro: "Your moves are deceptive at times, but it did nothing to affect my poise in battle."

vs. Ibuki: "Madame, your ninja style is quite entertaining, but your ostentatious style won't help you win."

vs. Hugo: "True confidence and pride count more towards victory than physical mass! Remember that!"

vs. Sean: "You shouldn't worry yet! Lack of experience is the reason for your poor performance."

vs. Urien: "You're dented! Maybe the auto body people can help you!"

vs. Elena: "I will not be easy on you just because you are a lady. I see your pride and I will not insult it."

vs. Oro: "I hope to be as spunky as you in my old age. Do you need a hand?"

vs. Yang: "Even the slightest of errors can turn the tide of battle...I'm sure you know this by now."

vs. Dudley: "Only a fool would try to anger me as you have. Leave my presence at once!"

vs. Ken: "Fighting with style demands guts.... Winning with style demands skill...."

vs. Akuma: "You are powerful and spirited, but what might be you fighting for?"

vs. Gill: "You think too much of your own power. Your opinion of strength is not the only one!"

Mid boss: Hugo

Hugo: "Hey boxer boy! Let me test your skill to see if you're worthy!"

Dudley: "Is that a duel you want, freak? Then a duel you shall have!"

End boss: Gill

Dudley: "So you're the one who pilfered my dad's car! Hand it over; now!"

Gill: "Oh? Let's see if you're worthy of such a fine automobile...."

Ending:

(Dudley, seen from behind, stands in front of a kneeling Gill. Gill signals for Kolin, a blonde woman dressed in a secretary garment.)

Gill: "You've won, champion! I can't believe it, but a deal's a deal...."

Kolin, give him back his car keys as I promised."

Kolin: "Yes sir."

(Kolin throws some keys towards Dudley.)

Kolin: "Here, take this.... And get out of here before the boss changes

his mind!"

(Close-up of Dudley catching the keys.)

Dudley: "I sure whupped those hooligans! And now I got my Pa's car back!"

(Scene of Dudley gleefully driving down a country road with a fancy red car.)

Dudley: "Oh, duddy, I love this car! If only you could see this sweet machine in motion.... Whan a orchestral sound...the symphony of the engine, the soprano of the steering.... It's perfect!"

(Suddenly, the steering wheel comes off, much to Dudley's surprise.)

Dudley: "Ooops!"

(Dudley puts the steering wheel back into place, and gives the thumbs-up pose.)

Dudley: "No problem!"

ELENA

"I think we can be friends. You think so too, right?"

"I'm so pleased to have fought with you!"

"Did you let me win? No one can be THAT bad!"

"I thank the earth of Africa which gave me these flexible, powerful legs!"

"I'll never forget about today's fight!"

"It was a great fight! I wanted it to last forever!"

"Maybe you should take up another skill! Why not try mountain biking?"

Spinning Beat:

"I won by the Spinning Beat! It was a great fight!"

"Kicking gracefully as if I'm dancing. That's the essence of the Spinning Beat!!"

Brave Dance:

"I express my gratitude for the honor of fighting you. That's the meaning of the Brave Dance!"

"The Brave Dance was born from the nature of Africa. Will you celebrate with me?"

vs. Ryu: "Don't think so seriously! Relax in the sun and clear your mind."

vs. Alex: "Do you get to see the natural wonders of the earth often? Restore your spirit!"

vs. Yun: "It's O.K.! Take it easy! It's no use crying after losing the battle!"

vs. Necro: "The beat of the earth...the sand of the wind...you should feel it too."

vs. Ibuki: "You need to learn rhythm.... You can do it!"

vs. Hugo: "There are other things on earth that are far greater and bigger than you!"

vs. Sean: "You shouldn't give up easily! Learn from your master and believe in yourself."

vs. Urien: "It is sad to hate people. Let's try to understand each other and get along instead!"

vs. Elena: "I think we can get along well! Let's dance!"

vs. Oro: "You are too old to stand a chance against me!"

vs. Yang: "I've traveled and made many friends. Do you have friends, too?"

vs. Dudley: "Don't limit yourself so much! You can use your feet, too."

vs. Ken: "You are a good role model and fight well too.... Tell me what it's like to have a family!"

vs. Akuma: "Don't be so angry. Try to live happily!"

vs. Gill: "You are not good for this land.... Maybe you would fight better if you changed your ways."

Mid boss: Ryu

Ryu: "You're very flexible. You use Capoeira, don't you?"

Elena: "You are a warrior too?! Care to go a round or two with me?"

End boss: Gill

Elena: "Martial arts are not meant for hurting others!"

Gill: "No. They serve solely to assert one's dominance over another."

Ending:

(In a Japanese village, Elena runs down an inclined street at high speed with her bike. She is dressed in a Japanese school uniform dress.)

Elena: "Dear dad and mom, how are you doing? I've traveled the world, and finally have found a place to call home. It's a strange country, but like father told me, "Friendship is universal"."

(Narumi, a girl with short light brown hair, glasses, and wearing the same Japanese school uniform dress, is also riding her bike behind Elena. She rides more carefully than Elena, and has a worried face.)

Narumi: "Elena, you're going too fast! It's dangerous!"

(Close-up of Elena's happy face, with cherry blossom leaves falling around her.)

Elena: "Don't worry! I can handle it. This summer vacation, I want to introduce my friends to you. Narumi is my best friend."

(Picture of Elena and her "human" friends with Elena's "animal" friends. Elena is in the middle, raising her hand and with a happy face, with a monkey on her shoulder. Narumi is hugging a lion cub. At the right, a girl with long brown hair and with a slightly tanned skin, contemplates a rhino with surprise. The rhino has some birds atop it. At the left, a girl with long black hair fixed in a ponytail and a ribbon looks at Elena, with a giraffe at her side. Behind them all, in the background, is an elephant.)

GILL

"You did well, for one of the sheep. Challenge me again when you learn from your mistakes."

"If you tried harder, maybe you wouldn't fall so quickly. Pathetic!"

"Ignorant of your own incompetence.... What a fool."

"I admire your courage, but you'd be a fool to stand against me again."

"Are you paralyzed yet? You're way below my expectations, but that's nothing new."

"Look into my eyes! I'll carve the mark of defeat on your brow."

"You actually made me pay attention to this fight, for a moment."

Meteor Strike:

"Defeating me would mean leading the world to destruction. Accept your divine punishment!"

"With your ignorance, you only see destruction. It is in fact, a prelude to rebirth!"

vs. Ryu: "Now, what is the one thing you've gained from your humiliation? Tell me now!"

vs. Alex: "A mere street fighter like you has no chance to win...or even knock me off my feet!"

vs. Yun: "How unfortunate.... Are you disappointed after seeing your true strength?"

vs. Necro: "It was a mistake to have considered you. Your pathetic destiny is now set in stone!"

vs. Ibuki: "Your efforts are useless! Interfering with my divine plan will only serve to annoy me."

vs. Hugo: "Your battered body should teach you something! Remember it if you dare to fight again."

vs. Sean: "If you were reincarnated a hundred times, I would still rule.... And you would still suck!"

vs. Urien: "Brother.... The differences between us are obvious. Go on your way now!"

vs. Elena: "My power is righteous! Repent your misguided actions now!"

vs. Oro: "Your Senjitsu is puny in comparison! Have you realized that my power is the only true power?!"

vs. Yang: "Such a child! No matter how cool you think you are, death shall humble you!"

vs. Dudley: "Your pride has done you in again.... It's about time you lost it!"

vs. Ken: "Those fake flames fail to serve your immortality.... Therefore, your end is near."

vs. Akuma: "Your destruction is the only thing that will save your cursed fist.... You should thank me!"

vs. Gill: "You dare to imitate my power? You shall suffer for this insult!"

Mid boss: Alex

Alex: "You're the one I've been looking for! It's payback time for Tom!"

Gill: "And now that you have found me, your quest is over; permanently."

End boss: Urien

Urien: "This world is mine brother.... There can only be one emperor!"

Gill: "Not by your dark power. This world has already chosen me."

Ending:

(The camera scrolls a picture of Gill from bottom to top.)

"When the sun sets on the Soliton Mountain, the black moon will break into seven pieces and fall on the people of "Ultania". Nothing can prevent this.... Death and destruction will violate the land. Misery and suffering will assault the people.... Then, after 130 days of nothingness, a boy who controls the elements will come to save the people." -From the Book of Miraha 3:11-

HUGO

"Behave yourself in the krakenhaus!"

"There's something about you I don't like.... Maybe...everything?"

"To win is my fruede!"

"EIN ZWEI DREI!!! ENDE!!!!"

"I'll take you on anytime, anywhere.... Wiedersehen!"

"I am the strongest! Perufeczion!"

"Wrestling is all about power! I am power!"

Hammer Frenzy:

"Craaaaash!"

"Behold my real power!"

vs. Ryu: "Good moves.... Might make a good balance! How about teaming up with me?"

vs. Alex: "You're so serious, but I understand! It was fun, danke!"

vs. Yun: "I feel like stomping on someone today.... You'll have to do."

vs. Necro: "Maybe it's not such a bad idea teaming up with a freak like you. What do you say?"

vs. Ibuki: "Whoa, what is this stuck in me? Thanks for the gift!"

vs. Hugo: "We now know who's the real one.... It's the winner! And that's me!"

vs. Sean: "That was about as fun as kicking a soda can, but a soda can is recyclable. You are worthless."

vs. Urien: ""Iron Body"? Nonsense! Does it rust?"

vs. Elena: "My manager is much stronger than you.... So is my baker....  
And my dentist...."

vs. Oro: "Think about your age.... If you want to be in a grave that  
badly there are easier ways."

vs. Yang: "Your size does have its' advantages.... But not against me."

vs. Dudley: "You can only tickle me with your punches. A professional  
wrestler can withstand much more."

vs. Ken: "BRAVO! You would make a magnificent training partner."

vs. Akuma: "I thought you were wearing a mask, but that's your real face!  
Try to be more careful next time!"

vs. Gill: "You didn't have to be so rude and arrogant! Forget about our  
tag team!"

Mid boss: Yun

Yun: "You look like a strong one. Care to try out my Kung Fu?"

Hugo: "Sounds like fun. Let's do it!"

End boss (1): Necro

Hugo: "How about teaming up with me? You've got a lot of potential!"

Necro: "Ha! You expect me to trust you? You're a real funny guy!"

End boss (2): Elena

Elena: "Either way, we can still be friends! Now let's spar!"

Hugo: "Hey, Karateka! How about becoming my partner?"

Ryu: "Partner? I walk this path alone. But if you wish to fight...."

End boss (4): Gill

Hugo: "You are in good shape.... Would you like to be my partner?"

Gill: "I will show no mercy toward an idiot such as yourself...."

Ending (1):

Announcer: "Gill, the fire and ice resurrection man, form the team, "Ragnarok Winners"!"

Hugo: "O.K. partner! ...Are you ready?"

Gill: "Another format, but the rules are similiar.... This shall be most enjoyable!"

"Now let's go on to the next!"  
"It was my destiny to win."  
"There's no second chance in the real fight!"  
"Remember! This is Ibuki!!! Please don't forget me!"  
"Devote yourself to your training!"  
"I am just an ordinary girl you know!"  
"Phew...I need a hot shower...now...."

Kasumi-Suzaku:

"Ninjitsu Kasumi-Suzaku!"  
"The shuriken can be more effective than punches and kicks."

Yoroi-Doushi:

"This is my ultimate move, the Yoroi-Doushi!"  
"This is Ibuki's super favorite move! Did you like it?"

Hashin-Sho:

"It's my super fast Hashin-Sho! I know you could feel it!"  
"My super move can break your heart! ...Just kidding! Tee-hee!"

vs. Ryu: "Looking for a strong opponent? Shall I introduce my master?"  
vs. Alex: "You don't have to exert your strength all of the time. Try a different way next time."  
vs. Yun: "A Ninja mustn't have personal feelings, but if you insult me, I won't forgive you!"  
vs. Necro: "Your electro magnetic power is interesting!! My dagger sticks to it!"  
vs. Ibuki: "My Ninjitsu is at least a little superior to yours...right?"  
vs. Hugo: "No matter how big you are, your weak points are the same as always...."  
vs. Sean: "You still want to fight? Not today, I have things to do! Bye bye!"  
vs. Urien: "Well...it's embarrassing...I don't know...where to look...."  
vs. Elena: "What long legs you have...I'm not envious of you! I'm happy of myself!"  
vs. Oro: "...Hey you...are you...alive?"  
vs. Yang: "Compete with your speed? A Ninja need not worry about the likes of you!"  
vs. Dudley: "The rules you fight by limit your chance for victory!"  
vs. Ken: "You were a handsome guy just a minute ago.... Was it because of me? Sorry!"  
vs. Akuma: "Hm. I think I saw you somewhere before.... Ah, a Chinese guardian dog!"  
vs. Gill: "You are far from unstoppable.... Have I proven that?"

Mid boss: Elena

Elena: "Such strange clothes.... Where are you from?"  
Ibuki: "Japan.... Why? What do you want? I'm on an important mission!"

End boss: Gill

Ibuki: "You have something that doesn't belong to you; hand it over!"  
Gill: "Of course. But only in exchange for your life, Shinobi girl...."

Ending:

(Ibuki is shown lying on a small grass hill, wearing her school uniform dress, aside her pet raccoon. The sun is setting. A close-up shows a thoughtful Ibuki with a piece of grass in her mouth. She recalls the moment when she defeated Gill: a black and white picture of Ibuki, seen from behind, standing above a kneeling Gill.)

Gill: "It seems I've lost. As a man of my word, I'll keep my promise to

you. Here is the G file! The project has already begun and there is nothing you can do to stop it! It is my masterpiece! You've gained nothing by obtaining the G file! It's a document of utter perfection. You should use it as a reference paper! Ha ha ha ha!"

(Back to Ibuki on the hill, a shadow nears Ibuki. Ibuki's eyes open wide.)

Ibuki: "I sense a presence! Someone is coming....."

(Ibuki backflips into the air.)

Ibuki: "Ya!"

(Ibuki lunges towards the screen, throwing several daggers. But as she descends, she realizes with shock that it is her friend Sarai, a girl using some pilot goggles and the same school uniform dress she uses. Sarai has managed to cover her head with her backpack, object in which the daggers stick themselves.)

Sarai: "Kyaaaahh!"

(Sarai furiously swings her pierced bag in front of an ashamed Ibuki and her pet raccoon.)

Sarai: "What the hell? You shattered my bag and put holes in my text books! Are you crazy Ibuki!?"

(Ibuki, her pet raccoon, and Sarai walk towards the sunset. Sarai still seems ticked.)

Ibuki: "I'm so sorry Sarai!"

KEN

"It was already decided that I would win!"

"That was too easy!"

"It's the fighting sense that matters. Time off will never dull my instincts!"

"It's losers like you that make this game boring!"

"The flame of my fist won't be put out so easily!"

"I thought that you had at least a little bit of potential! It seems I was wrong!"

Shoryu-reppa:

"Shoryu-reppa! Feel the burn...."

"Shoryu-reppa is the ultimate combination move!"

Shinryu-ken:

"Shinryu-ken!! Sometimes it's more important to have a stylish victory than a quick one!"

"The "dragon" within me is always ready to strike! You should know from experience."

Shippu-jinrai-kyaku:

"My Shippu-jinrai-kyaku is faster than the wind!"

"Feel the full force of my Shippu-jinrai-kyaku! It's the best!"

vs. Ryu: "It's time you settled down and raised a family. Maybe I'll help you, my friend."

vs. Alex: "Please don't fight so desperately! Keep your hands off of me!"

vs. Yun: "Your Kung Fu is improving, kid. You might become really good.... Someday."

vs. Necro: "You're welcome to fight me anytime!! You're fun to beat!"

vs. Ibuki: "You'll never beat me, little girl!"

vs. Hugo: "The bigger they are, the harder they fall!"

vs. Sean: "You must defeat Ryu to stand a chance!"

vs. Urien: "So that's what you can do with your "Iron Body"? How wonderful!"

vs. Elena: "If you want a rematch, you're going to get more than just a scratch!"

vs. Oro: "Looking for a student? You should be looking for a master...."  
vs. Yang: "Naughty boy! To beat me, you'll need more than flashy moves!"  
vs. Dudley: "You should lose that fake Shoryuken.... You'll look like more of a down-to-earth gentleman!"  
vs. Ken: "My style's too cool to be copied! Shoryuken! Shoryuken! And Shoryuken!"  
vs. Akuma: "You may fight like my best friend, but you cannot compare to him!"  
vs. Gill: "I'm the only true "Man of Flame"! By the way, do you get wet around the middle?"

Mid boss: Dudley

Dudley: "I'm looking for my dad's car. Do you know where it is?"

Ken: "No.... But if you'd like mine, how about fighting me for it?"

End boss: Ryu

Ken: "Ready to go at it one more time old friend?"

Ryu: "Through all the years, you still remain my most worthy opponent!"

Ending:

(In a forest, Ken, wearing a white shirt, beckons for someone with his hand.)

Ken: "Come on Mel! Give me your best shot!"

(A flash appears. Then Ken is seen reeling in pain, with several blood stains on the screen.)

Ken: "Guha!"

(Scene of Eliza, wearing a blue dress, in shock.)

Eliza: "Ohhh Ken!"

(In an electrifying background, Ken's is still paralyzed from the hit. The camera scrolls down...and there is Mel, wearing a red shirt and shorts as well as a headband and handguards, punching his dad in the groin. Next scene shows Eliza trying to hold Mel back, who apparently wants to bash Ken some more. Ken kneels on the floor, covering his...um..."private parts" ^\_^)

Eliza: "Do you understand what you did to your dad, Mel?"

(Close-up of Ken, nervously smiling, and giving the thumbs-up pose.)

Ken: "Mel...you win!"

NECRO

"Get outta my way or I'll tear you limb from limb!"

"No mercy to weekend warriors!"

"I'll win by any means necessary. I will survive!"

"I'm in pain!"

"Apologize while you can idiot! Say you're sorry for all your crimes and I might spare you...."

"Wasn't that cool?! I saw your sweat crackle!"

"My rage was like a white inferno of anger. You will burn...."

Magnetic Storm:

"It's time to finish this! Electric Shock Storm!!!!!"

"You've felt the Shock Storm! Now tell me who's the greatest fighter of all!"

Electric Snake:

"You fell for it.... Bad footwork means being a victim of the Electric Snake!"

"Electric Strike Finish! Wow.... That felt great!"

vs. Ryu: "Take it easy! You seem to try too hard!"

vs. Alex: "Your excellent training shows, but what can you do against my

shocking abnormalities?"

vs. Yun: "Are you mocking me just because you are young? Or should I take it personally?"

vs. Necro: "You are nothing but a cheap copy who cannot hope to beat me, the original!"

vs. Ibuki: "I'll do anything to win my freedom, even if it means fighting girls. Nothing personal, O.K.?"

vs. Hugo: "Hey there! You are way too big!"

vs. Sean: "You're a bit rude.... Are you selfish as well? Tell me why you fight...."

vs. Urien: "Does it hurt you more when I shock you, or when I dent you? Ask your body."

vs. Elena: "Why do you want to be friends with me?! I can't be your friend, so deal with it!"

vs. Oro: "I see you didn't bring a coffin with you. Don't expect me to go out of my way for you, old man!"

vs. Yang: "Ahh, to be young and free. Could you feel the burning rage in my fist?"

vs. Dudley: "Oh my! I think I've just damaged a very expensive practice dummy!"

vs. Ken: "You are so reckless. I can't imagine how you could win."

vs. Akuma: "I can't believe the kinds of lunatics I have to deal with nowadays.... You make me sick!"

vs. Gill: "We might both be freaks, but I haven't lost my soul as you have."

Mid boss: Ibuki

Ibuki: "Are you that stretching cyborg? Tell me where to find your boss!"

Necro: "How about I charge you with electromagnetic power instead?"

End boss: Gill

Necro: "So you're the one who did this to me...Gill...."

Gill: "Ah! Necro.... Do you have the strength to attain your freedom?"

Ending:

(Necro, in utter desperation, is wrapped up in several yellow tapes with the red word "Seal!" written all over them, in the middle of a black room.)

Necro: "Damn it! You tricked me Gill! Release me!"

(Gill's face appears in a screen. Necro tries to reach out for him.)

Gill: "I'll destroy this facility and you with it!"

(A door closes in front of the screen.)

Gill: "Adios! It's time to end this experiment. You are expendable."

(Effie, a little girl with a red dress and blonde hair fixed in two ponytails and pretty zombie-looking, comes to help Necro, who is exhausted.)

Effie: "Oh, poor ILLIA! I'll help you out!"

(A sky view of the island where the facility is located.)

Voice: "10 seconds to self-destruction. Cancellation disabled...5, 4, 3, 2, 1.

(Energy begins to gather around the island, and then it goes up in smoke in one huge explosion. Necro and Effie, who managed to escape the facility in time, ride away in a motorcycle in the sunset. A small bar depicting a happy Necro and Effie scrolls upwards.)

Effie: "I wonder what's gonna happen to us...."

Necro: "I don't know. But that's a part of freedom, right? Anything is possible...."

ORO

"You strain yourself too much! Fight without restraint and you will stand

a chance."

"I used the minimum energy to insure my victory."

"Some call it unearthly abilities. I call it Senjitsu."

"It was over before I knew it. Too bad you never trained with me!"

"For once I felt pressed. First time in ten years I've broken a sweat."

"Such a lack of challenge. I thought you had burning passion, but you are devoid of talent."

"If you train for another 81 years you might become a good Sennin.... Ho, ho, ho!"

Yagyuu Dama:

"A dream, a phantom, and an illusion. That's the meaning of the Yagyuu Dama!"

"It does not strike you, yet you'll be dragged into it. That's the secret of the Yagyuu Dama."

Tengu Stone:

"The Tengu Stone can draw upon the force of objects everywhere!"

"Cheap? Well.... So do you have something to say about my Tengu Stone?"

vs. Ryu: "You show your potential in your fist.... Were you holding something back?"

vs. Alex: "Ease up, or you won't be able to put forth your enormous strength!"

vs. Yun: "I am not used to baby-sitting. I wonder how old I will be when you reach my fighting level."

vs. Necro: "Huh? You have even less hair than I do! What is your secret?"

vs. Ibuki: "I can sense your movements easily, lady! Learn to be more unpredictable!"

vs. Hugo: "You are defeated now, big man. Get out of my way!"

vs. Sean: "You are young. I admit that I envy you, but your path as a fighter may be a troubled one."

vs. Urien: "You are far too proud of your body! I must punish you!"

vs. Elena: "Your land has given you superb instincts. Now sharpen them by fighting!"

vs. Oro: "You're talented, but maybe you are little too old. Perhaps much older than me?"

vs. Yang: "Hm, you're not so bad. Your moves are great but.... Something is missing...."

vs. Dudley: "I was once as proud as you.... Since then I've become better."

vs. Ken: "I could train you to be better but.... Who is that friend of yours?"

vs. Akuma: "Hmm? I think I met you somewhere before.... Is it just me? Will you tell me?"

vs. Gill: "You might be what I've been looking for.... Let me look at you some more.... Hmmm...."

Mid boss: Necro

Necro: "Ready to be blown away with an electromagnetic blast old man?!"

Oro: "Ho, ho.... Come! Impress me with your power, strange one!"

End boss: Gill

Oro: "You look as strong as that boy with the headband. We shall see!"

Gill: "Enough talk. I'll send you to heaven right here and now!"

Ending:

(Oro is contemplating the scrolling sunset sky with a hand on his chin, thoughtful.)

Oro: "Nobody has enough guts to learn from a true master like me!"

(The image of Ryu appears in the sky.)

Oro: "The only one who has a true passion for fighting was the kid with the headband. Maybe he...."

(Oro scrolls downward. Then he appears again in the background, along with his standing place...a flying plane.)

Oro: "Wait for me kid!"

(Scene of the clouds scrolling at a fast pace.)

Oro: "I will teach you how to fight all over again. Re-learn and you'll become good!"

(The plane flies into the sunset.)

Oro: "Hya hya hya hya. I'm coming, kido! Wait for me!"

RYU

"It was a good fight. Challenge me again!"

"These two fists are everything to me!"

"You still have a fighting spirit in your eyes. I look forward to our next battle."

"The world is big! There must be no limit to human strength...."

"This match...I think I've learned something from this. You're nothing...."

"Get up! Show me your true power!"

"Put everything you've got in your fist and challenge me!"

Shinkuu Hadou-Ken:

"The ultimate form of wave motion attack...Shinkuu...the power of vacuum energy!"

"Shinkuu Hadou-Ken!! It's unstoppable power still amazes me!"

Shin Shoryuken:

"You've just experienced the Shin Shoryuken!! Tell me if you've seen any greater force!"

"Yes, that is the nature of the attack. If it strikes, you will be crushed!"

Denjin Hadou-Ken:

"Denjin! The electric bite of the Thunder God cannot be stopped!"

"Concentrated energy...the longer it builds up, the more devastating it becomes!"

vs. Ryu: "Mirroring my attacks will not help you to defeat me. Use skill to obtain victory."

vs. Alex: "We are different, but I respect your fighting spirit. I'd like to challenge you again!"

vs. Yun: "You possess great ability at your age! I have rarely seen such potential. Only once before...."

vs. Necro: "A good fighter learns constantly. During the fight, you taught me how to defeat you."

vs. Ibuki: "It is not enough just to train. To find my answer...I must do more."

vs. Hugo: "Your power is splendid! If you sharpen your moves and toughen your mind, you'll be complete!"

vs. Sean: "If you cannot learn from the battle itself, there is nothing I can teach you!"

vs. Urien: "If defeat discourages your fighting spirit, think of what you have gained by learning."

vs. Elena: "Your spirit is in fighting for now, but perhaps your true happiness lies elsewhere."

vs. Oro: "Next time we meet, please fight seriously. Only a real challenge will help me to improve."

vs. Yang: "I hold the art of Chinese Kung-Fu in high regard. Excellent

performance!"

vs. Dudley: "The pride of a fighter.... Interesting...I've gained a better understanding now."

vs. Ken: "Thank you, my friend! A good challenge like the old days, but it's harder than it used to be!"

vs. Akuma: "I will never stop fighting...I must find "the true strength!"

vs. Gill: "I wonder if you seek the same things as I do in the fight...."

Mid boss: Sean

Sean: "Ryu! I've come to challenge you! Let's go! Hyaaaah!"

Ryu: "How did you know who I am? That stance; I see. Let's begin."

End boss: Ken

Ryu: "Ken.... It's good to see you! Long time no see old friend!"

Ken: "Ryu.... You haven't changed! You know the drill; let's do it!"

Ending:

(Scene of a country field in California. A truck stops in the middle of a dirt road. Ryu descends from the truck.)

Driver: "Oakland is to the left. Are you sure you want to get off here? You've still got 30 miles to go."

(Close-up, Ryu, carrying his duffel bag, looks the driver away. The driver waves before going away.)

Ryu: "Yes. I'm sure. Thanks. There's still some sunlight left. I think I can still make it there on foot."

(Back to the wider view of the country field, the truck is seen driven away. Then there is a side view of Ryu.)

Ryu: "Ken, I'll keep fighting...training...and searching...."

(Ryu begins to run.)

Ryu: "Wait for me warriors...I live for your challenge."

SEAN

"I like close fights. It makes me stronger!"

"Shoryu-reppa! I'll perfect it next time!"

"I can't lose! I must defeat everyone!"

"When it comes to the fighting spirit, I can not lose!"

"I must learn more. Where is Ken?"

"Hado-power! I think I've come to understand it!"

"I've reached my potential!"

Hadou-Burst:

"Hadou-Burst! All right!!!"

"Wave Motion Burst!! This rocks!"

Shoryu-Cannon:

"I won with my Shoryu-Cannon! I'm the best!"

"Yes! My Shoryu-Cannon rules all!"

Hyper Tornado:

"Hyper Tornado!!! You fell for it!!!"

"Hyper Tornado!!! I did it!!!"

vs. Ryu: "I won! I really beat Ryu!"

vs. Alex: "My fighting spirit can't lose! Ken will be proud!"

vs. Yun: "Chinese Kung Fu will never beat me! I won't allow it!"

vs. Necro: "Yes, I'm knowledgeable about electricity! I fixed you, just like I fixed my T.V.!"

vs. Ibuki: "Yeah!!! I beat the ninja girl! I feel like a super hero!"

vs. Hugo: "Just because you're big, doesn't mean you're somebody!"

vs. Sean: "You fight like Dan! You are DAN!"  
vs. Urien: "My fighting spirit will always beat you! Even if I get a numb hand or a swollen foot!"  
vs. Elena: "Stick with the carnival, side-show freak!"  
vs. Oro: "You remind me of my neighbor, old man! Weird and smelly!"  
vs. Yang: "You shouldn't treat me like a child.... Take a look at yourself!"  
vs. Dudley: "Take off your gloves! This is a real fight!"  
vs. Ken: "My master! I can still beat you!"  
vs. Akuma: "Master! What's up with this? Who is this ugly guy?! He isn't Ryu!"  
vs. Gill: "Someday I will be able to throw flame and ice!"

Mid boss: Yang

Yang: "You look a little too weak to be a decent challenge for me...."  
Sean: "Hey! Watch your mouth, kid! My fighting spirit never loses!"

End boss: Ken

Sean: "Master Ken! I've finally found the secret of my inner strength!"  
Ken: "You've just begun your journey. It's time you realized that, kid!"

Ending:

(In a forest, Sean, in the foreground, is being blown away by Ryu, who has just launched a Hadoken, in the background.)

Sean: "Uwaaah!"

(Sean tries to get up, wiping his mouth, looking ticked. An image of a serious Ken appears aside him.)

Sean: "Damn it! Let's try that again!"

Ken: "In order to be the best, you must defeat Ryu! Don't come back until you've done that!"

(Ken's image turns into a picture of Ken, wearing a white shirt, along his wife Eliza, who has a white dress. Ken's serious expression turns into a happy one, giving the thumbs-up sign, and with a kiss mark on his cheek.)

Ken: "I must go. Good luck!"

(Sean gets up in a ready position, with a flaming aura around him. But still, he is blasted away by Ryu's Hadoken.)

Sean: "Uwaaah!"

(A concerned Ryu extends his hand towards Sean.)

Ryu: "Wait a minute, Sean! Are you fighting me because Ken told you to do so?"

(Once again, Sean gets up, flaming about. He then attempts to execute a jump kick on Ryu, with lightning flashing all around him.)

Sean: "Shut up and fight!"

(Yet again, Sean is busted by Ryu's Hadoken.)

Sean: "Guwah! He's just too good!"

URIEN

"I will not forgive anyone who tries to oppose me!"

"Writhe in agony! Your body shows the anguish of defeat!"

"Scream! Cry out! Suffer to your heart's content!"

"I am the real emperor! I have no reason to lose!"

"My anger will calm only when I am proven to be the true Emperor!"

"Traitor! Devote yourself to the ruler and repent your sin!"

"I rule the world! Anybody who challenges me shall be eliminated!"

Tyrant Slaughter:

"My body is as hard as iron! My ultimate attack mashes like a cannonball!"

"I have finished you! Stand against me, and be destroyed."

Temporal Thunder:

"My enormous power is inescapable!"

"Feel the spirit of the true Emperor! Suffer now in your surrender!"

Aegis Reflector:

"Can't you see how pathetic your attacks are!"

"My perfect guard! Nobody can break it!"

vs. Ryu: "There can only be one. I'll crush anyone who claims to be the strongest!"

vs. Alex: "Tremble before me! Are you ready to meet with death?"

vs. Yun: "Wasting my time warrants a punishment of death! Are you ready?"

vs. Necro: "You're annoying, and a failure.... Get out of my way!!"

vs. Ibuki: "Try as you may, your attempts will not succeed! Why do you even try?!"

vs. Hugo: "My perfect "Iron Body" is invincible.... Anyone who resists it will meet their end."

vs. Sean: "A horrible waste of effort! A small fish like you forced me to fight for nothing!"

vs. Urien: "I am myself! Are you myself too? Then you have no excuse for your defeat!"

vs. Elena: "Fighting has no relation to friendship. What I fight for is to obtain the king's throne!"

vs. Oro: "You don't understand my sacred thoughts! Go and hide somewhere as you did before!"

vs. Yang: "Your defiance was a mistake! I will give you a punishment that suits you!"

vs. Dudley: "What a hypocrite! You are not worthy of life!"

vs. Ken: "Your "burning hand" reminds me...I shall make you suffer!"

vs. Akuma: "I am not satisfied! You shall compensate me with your death!"

vs. Gill: "Brother! Your existence is a sin! You must be destroyed!"

Mid boss: Alex

Alex: "You know a man named Tom, don't you?"

Urien: "What was that?! Never mention that name around me!"

End boss: Gill

Urien: "This world is mine brother.... There can only be one emperor!"

Gill: "Not by your dark power. This world has already chosen me."

Ending:

(Scene of a theater-like chamber, where many followers of Gill's clan are standing in the balconies above Urien, who is standing in the middle of the room.)

Old Guru: "We hereby recognize Urien as our new president."

Urien: "It's only natural. I'm the only one qualified for this prestigious position."

(Scene of Urien, in his suit, surrounded by an army of Necros, and lots of army weaponry and vehicles, with the world in the background.)

Old Guru: "From this point, all crisis management units are under the control of our new president."

(The old guru, who is dressed in a red tunic and has a glowing eye, approaches Urien. Urien's face expresses some dissatisfaction.)

Old Guru: "Now Mr. President, it's time to meet the emperor."

Urien: "What? The emperor?!"

Old Guru: "His existence has been known only to the former presidents and the chairmen. The emperor has been longing for the arrival of the Lord's century to arrive since the eternal past."

(Scene of Urien, seen from behind, at the bottom of a huge staircase,

visibly surprised.)

Urien: "S...So.... You're the emperor?!"

(The camera scrolls up to show Gill, in his tunic, on the staircase, with a hand on his hip, and the other hand in flames.)

Gill: "Welcome aboard Mr. President. I expect nothing less than your best performance! For the sake of appearances. Work hard for the coming of the Lord's century. Ha ha ha ha ha...."

YANG

"Why am I so strong, and why are you so weak? Why is the sky blue?"

"I was itching for a good fight. Thanks! But next time make it a good fight, not just a fight."

"I did it! No sweat."

"What's your problem? You want another fist in the face?!"

"I repaid you for all the injuries you inflicted on me three times over."

"I told you I'm strong. You should listen to your superiors!"

"Try to look up at the sky! Look down and you'll get depressed as you see your lame body."

Raishin-Mahhaken:

"My Raishin-Mahhaken is formidable when used properly...."

"You thought it would be a close battle? Nobody can beat my Raishin-Mahhaken!"

Tenshin-Senkyutai

"Because of your sloppy defense, I got to finish you with my Tenshin-Senkyutai!"

"There's no way you could escape my Tenshin-Senkyutai!"

Seiei-Enbu

"Did my Seiei-Enbu confuse you? Is age dulling your senses?"

"Look! How many of myself are there? Count them quickly! Time's up!"

vs. Ryu: "You shouldn't walk around in that costume! People might start thinking you're for real!"

vs. Alex: "You shouldn't overestimate your power."

vs. Yun: "Now we know which of us is the best fighter! Maybe you should try skateboarding full time!"

vs. Necro: "My victory was determined when I saw your sorry moves!"

vs. Ibuki: "Is that ninja costume supposed to make you look tough?! Looks can be deceiving...."

vs. Hugo: "Your size makes you slow! Go on a diet!"

vs. Sean: "After that, you still want to fight?! That would be suicidal.... You're much too weak!"

vs. Urien: "A fighter's weak point can cause him to shatter like glass.... Yours is right...over...THERE!"

vs. Elena: "Now that I've beaten you, do you still think street fighting is fun?"

vs. Oro: "Stupid old man! If you want to win, fight more seriously!"

vs. Yang: "Your fighting is predictable...I know it all too well!"

vs. Dudley: "You don't have to be a gentleman in a fight! Haven't you learned that yet?"

vs. Ken: "Your fighting strategy is the worst! If you hurry to win, you're rushing to your defeat!"

vs. Akuma: "Your fighting aura freaks me out! But you aren't quite as scary when you're flat on your back!"

vs. Gill: "You thought you could intimidate me, but that tactic proved to be your undoing...."

Mid boss: Oro

Oro: "Strong, focused, and at peace.... Would you care to be my pupil?"

Yang: "No thanks.... But if you wish for a fight, I won't hold back!"

End boss: Yun

Yang: "Brother! It's time to see which one of us is the better fighter!"

Yun: "Agreed! Just don't hold back this time, because I won't!"

Ending:

(Yang jumps towards the sky on his skates.)

Yang: "Ya!"

(Yun jumps towards the sky on his skateboard.)

Yun: "Ha!"

(In a local stand, an old man looks at the twins, carrying a basket.

Behind him is a Chinese girl in a traditional white garb.)

Girl: "Look! Those are the Lee brothers! They're back!"

(Yun and Yang run by at full speed. Yang is at the front, and Yun runs in the back.)

Yun: "Hi you guys! How have you been? It's been so long!"

Yang: "What's going down?"

(The old man wields his fists in a bad humored way. The girl seems excited.)

Old Man: "Tell me about it. How did it go? Your proud Kung Fu didn't make it in the real world, huh? Ha ha ha!"

(Scene of Yang jumping on his skates.)

Yang: "Hi ya! Eat it!"

(Scene of Yun jumping on his skateboard.)

Yun: "Yeah right! Feel this!"

(Yun and Yang sail above the old man, who crouches for safety. The girl in the background is quite surprised.)

Old Man: "H...hey! What are you doing?! You'll wreck my stand!"

(Yang looks over his shoulder at the screen, while Yun stands in the background with his hands in his pockets.)

Yun: "The real world was only slightly more challenging than your stand. We'll demonstrate!"

Yang: "Our Kung Fu is the world's strongest!"

YUN

"It's only natural you lost. Rest now."

"I've shown you the best moves I've got...the best Kung-Fu in the whole world!"

"Everyone expects the true Kung-Fu master will win."

"Hey you! The one with the weak moves! Are you still alive?"

"I can't bear to watch your moves. They're too un-cool for words!"

"I never imagined I could have a hard fight.... Maybe I don't imagine enough, but who cares?"

"Things end too quickly these days. I barely got started!"

You-Hou:

"Your jaw! Did I break it with my You-Hou?"

"Finishing with one You-Hou.... That's such a great feeling!"

Sourai-Rengeki:

"My Sourai-Rengeki is a cool move, eh?"

"My Sourai-Rengeki can't be stopped!"

Genei-Jin:

"Learning to avoid is an essential skill.... Although you can't escape my Genei-Jin...."

"Genei-Jin is too fast to be seen! Perhaps you should just sit there and let me hit you!"

vs. Ryu: "You're a pretty good fighter. But pretty good will never beat the best! I'm so happy!"  
vs. Alex: "A boar like you will never beat me! I'm too good!"  
vs. Yun: "Do you skate as badly as you fight? Would you like a rematch on skateboards?"  
vs. Necro: "You're such a freak! What are you made of? Rubber?"  
vs. Ibuki: "HEY! Ninja wimp! You are SO cute! ...Not!"  
vs. Hugo: "Hugo.... Huge butt.... Same difference!"  
vs. Sean: "What's shakin', small fry? Or is it "Vegetable Head"?"  
vs. Urien: "Bad boys must be punished! But I'll punish you first, "Iron Freak"!"  
vs. Elena: "Come on! Stand up! We're still friends, right?"  
vs. Oro: "You're the freakiest old man I've ever met...I thought this was a fight, not a horror movie!"  
vs. Yang: "Don't be so angry! If you're so sully, all your little friends will call you Mr. Sully!"  
vs. Dudley: "You're a real gentleman? I don't think so!"  
vs. Ken: "The only true dragons are the followers of Chinese Kung-Fu!"  
vs. Akuma: "I've seen a statue of you somewhere...in a temple?"  
vs. Gill: "What an appalling sight! Don't you have any taste whatsoever!"

Mid boss: Urien

Urien: "Chinese Kung Fu means nothing to me. You should be my soldier!"  
Yun: "A soldier? Me? Not if I have to wear one of those!"

End boss: Yang

Yun: "Yang's my final opponent?! Then my journey is at an end...."  
Yang: "Come on brother! We'll set forth on a new journey together!"

Ending:

(Yun jumps towards the sky on his skateboard.)  
Yun: "Ha!"  
(Yang jumps towards the sky on his skates.)

(Yun and Yang sail above the old man, who crouches for safety. The girl in the background is shocked.)  
Old Man: "H...hey! What are you doing?! You'll wreck my stand!"  
(Yun stands in the street, holding out his cap. In the background, Yang looks over his shoulder at the screen.)  
Yun: "The real world was only slightly more challenging than your stand. We'll demonstrate!"  
Yang: "Our Kung Fu is the world's strongest!"

\*\*\*\*\*  
THE AKUMA FACTOR

\*\*\*\*\*

In Street Fighter III: Second Impact, you have the chance to fight Akuma (and Shin Akuma) instead of your regularly programmed final boss. In order to do that, you must not only gather 5 Super Art finishes (requirements needed to fight your mid boss), but also obtain 3 Perfect victories, and don't lose rounds either. If you've succeeded, Akuma will make his typical entrance when you face your lost boss...right after the match begins, Akuma will warp in from your side of the screen, and take out your final boss with the Shun Goku Satsu. Then a small dialogue will take place...:

X (Your character): "....."

Akuma: "....."

Pretty entertaining, huh? Anyway, you can also fight everyone's worst nightmare, Shin Akuma, if you can manage to beat Akuma in one round with a Super Art finish. With Elena's Healing, just use it once against Akuma, then defeat him, and it will count as a Super Art finish (again, don't ask why). If you've done that, and defeated Akuma in the second round, then your character won't do their victory pose, and suddenly, Akuma will stand up, do his horse stance, give out some weird speech, and ready to kick some toosh! Have fun, because you will be fighting one of the hardest bosses around...Shin Akuma, and his terrible ferocity!

No matter if you beat Akuma or Shin Akuma, you will get an alternate ending. If you defeat Akuma, then you'll get a shot of the defeated Akuma in your last boss' stage during the credit roll. If you defeat Shin Akuma, then refer to Shin Akuma's ending.

CREDITS

\*\*\*\*\*

Umm...well, I can't really give too much credits for a FAQ I did by myself...but anyways, thanks to my brother for buying this game, thanks to all my friends (and Net friends) for their support, and most of all, to Kao Megura, who helped out with the methods to select Hugo's end boss, and how to enable the mid bosses and Akuma using Elena's Healing...thanks pal! You might not be doing FAQs anymore, but that's OK for me...I shall occupy your place as #1 FAQ writer! Just you wait! ^\_-

Well, that's all, thanks for coping with me through all this damn FAQ...so I might say, have a good one!
