=====

This is the list of all the fusions covered in this guide. The first name is of the charcter in the fusion, the second (and possibly third) are the names of the Shaman(s) in the fusion. The characters and shaman are seperated with a "-". To see all the benefits of each fusion you should press Ctrl-F then input the character name then search for that then Ctrl-F again and input the Shaman name. Any fusions missing are fusions that cannot happen.

There are 4 top HP boosts for Nina, the easiest would be Nina and Shin, since you only need one Shaman for it. The other stat boosts seem like a waste to me, the shaman could be of better use with another character.

FAQ [Frequently Asked Questions]

[4.1]

Any question asked will be added to the FAQ so that it can help people in the future.

You can find the question's answer by searching the question.

Guide Related Questions:

1. I have submitted information to you for this guide but you have not added it.

Answer: It is most likely that I have added it to the guide or it is already present in the guide. If it is not present in the guide and is not for a week after your contribution please contact me (refer to Contacting Me section).

2. This guide is not the correct guide for this game.

Answer: This has happened before, I had submitted a guide I wrote for the previous version of the game (e.g. a guide I wrote for Dragon Slayer 1 or 2 was submitted for Dragon Slayer Gaiden). If you find this to be the case for this guide then please contact me (refer to Contacting Me section).

3. I submitted some information and you have used it as your OWN information without saying I was the one that submitted it.

Answer: There are two possibilities here. Either I had already added it to the guide before I found your submission, or I had added your submission but forgotten to mark it as yours and credit it for you. Either way I am very sorry, as I should credit you for any submissions you provide and I will do so if you contact me (refer to Contacting Me section).

4. You have stolen my work. This is theft damnit!

Answer: I highly doubt I have stolen your work, but if I have please feel free to e-mail me saying so and send a copy of your work as proof that I have stolen off you. And if I reject your claim then you should request for my contribution to be removed to CJayC through the Support Ticket (I think).

5. I submitted some information before but now I want to remove it.

Answer: My answer to this varies, if the information you submitted was a small peice of information like a item location then I will most likely not remove your contribution. But if it is larger (e.g. a analysis of the game mechanics or RNG system) then I will most likely remove it due to your request.
