## 3.2 ACTIONS

---

There are 9 actions you can do at battle: Move, Attack, Spell, Potion, Use, Werechange, Wereattack, and Summon. I will explain them one by one.

----  
MOVE  
----

This command allow you to move your character to designated area on the battlemap. You can see the range of movement you can do after you choose this command. You can choose command MOVE before/after you do some actions like attack, spell, etc. You can only move within the range of movement.

-----  
ATTACK  
-----

This command allow you attack your enemy physically. You can only attack your enemy within the range of attack. You get no bonus attack if you attack your enemy in the front and sometime the enemy can dodge your attack. You get bonus attack if you attack enemy in either side. You get more bonus attack if you attack your enemy from behind and your attack never miss. So I suggest you to attack your enemy from behind. You get bonus attack too if you attack from higher terrain but be careful don't get attacked from enemy at higher terrain because you will receive more damage.

-----  
SPELL  
-----

This command allow you attack your enemy magically. You can only attack your enemy within the range of spell you chose. You can choose SPELL if you have already equipped magic scroll. Ex: you can use spell Heal if you have already equipped Heal scroll. There are 5 type of magic: Life(Wood), Fire, Earth, Gold(Metal), Water. Each type has eight scrolls, there are a total of forty scrolls. However one person can only carry a certain number of scrolls. So be careful. If the scrolls orientation is the same as yours, the scrolls work better and you improve more. Ex: Son Goku orientation is fire, so you should equip fire scroll because you can make more damage and Son Goku's Fire Magic level is faster to level up.

-----  
POTION  
-----

This command allow you to use potion(healing potion, cure potion, magic potion, etc) in battle. You can only use potion on anyone standing next to you or on yourself.

---  
USE  
---

This command allow you to do something like drop the bridge(battle 1), remove the charm(battle 1), open the treasure chest, etc. You can only choose command USE on things with HAND symbol.

----  
WAIT  
----

This coammand allow you to end your character's turn. After you choose command WAIT, you can choose the facing direction of your character.

-----  
WERECHANGE  
-----

This command allow your character to change into powerful were-creature. When a character Werechanges, all enemies next to them take damage, all destroyable terrain(symbolize with HAND) next to them is destroyed and were point is decreased by one. To get a hidden treasure chest, you must destroy thing with HAND symbol like rock, tree, etc or in other word you must werechange. You can only have one character werechange in battle. Were form has very powerful special abilities. The abilities use points. When the Were gauge(upper left corner) reaches 0, they return to human form. While in Were form, choosing Werechange allows them to return to human form.

-----  
WEREATTACK  
-----

This command allow you to attack your enemy in Were form. This command only appear if you were in WERE form. Every attack you choose will decrease WERE point. When the Were gauge(upper left corner) reaches 0, they return to human form. You can use this to remove the barrier(Tree/Rock) that hide the secret treasure.

-----  
SUMMON  
-----

Sanzo can use the Summon command to call Guardians in exchange for MP. For 3 turns, a Guardian will provide help to the party. The closer a companion is to Sanzo, the more effective this help. Also, Sanzo is able to use the Guardian's power to perform an attack of his own. If Sanzo either charmed or stoned, the Guardian will return to the Staff. Every Guardian has his/her own characteristic. Ex: Mother will restores life points and Sanzo can use new attack "CharmBlade". Sanzo will be very strong if he summoned a Guardian.

4. THE JOURNEY TO THE WEST MYTHOLOGY  
=====

The most popular Ming novel, The Journey to the West (Xiyouji), is the story of monk

Xuanzang's journey to India to fetch Buddhist scriptures. Xuanzang is accompanied by four disciples, including the Monkey King, Sun Wukong. Sun Wukong was supposedly born from a stone egg, created from a rock as old as time and the essences of Heaven and Earth. He was a master of magic, and his weapons included a magical staff capable of growing or shrinking to any size.

Sun Wukong defied the supreme god of Chinese mythology, the Jade Emperor (Yu Di), with his own claim as high god. To appease the mischievous Sun Wukong, the Jade Emperor proclaimed him King of Heaven, concealing the fact that he had only made him a heavenly stable keeper. Sun Wukong discovered this deception and, enraged, returned to Earth to wreak havoc at both Earth and Heaven.

All the hustle and bustle soon disturbed the Jade Emperor, who at once sent the Wandering Minister of Inspection and the Immortal Master of Blessed Wings to go to the Western Region and invite the aged Buddha to come and subdue the monster.

The two sages received the decree and went straight to the Spirit Mountain. After they had greeted the Four Vajra-Buddhas and the Eight Bodhisattvas in front of the Treasure Temple of Thunderclap, they asked them to announce their arrival. The deities therefore went before the Treasure Lotus Platform and made their report. Tathagata at once invited them to appear before him, and the two sages made obeisance to the Buddha three times before standing in attendance beneath the platform. Tathagata asked, "What causes the Jade Emperor to trouble the two sages to come here?"

The two sages explained as follows: "Some time ago there was born on the Flower-Fruit Mountain a monkey who exercised his magic powers and gathered to himself a troop of monkeys to disturb the world. The Jade Emperor threw down a decree of pacification and appointed him a pi-ma-wen, but he despised the lowliness of that position and left in rebellion. Devaraja Li and Prince Nata were sent to capture him, but they were unsuccessful, and another proclamation of amnesty was given to him. He was then made the Great Sage, Equal to Heaven, a rank without compensation. After a while he was given the temporary job of looking after the Garden of Immortal Peaches, where almost immediately he stole the peaches. He also went to the Jasper Pool and made off with the food and wine, devastating the Grand Festival. Half-drunk, he went secretly into the Tushita Palace, stole the elixir of Laozi, and then left the Celestial Palace in revolt. Again the Jade Emperor sent a hundred thousand heavenly soldiers, but he was not to be subdued. Therefore Guanyin sent for the Immortal Master Erlang and his sworn brothers, who fought and pursued him. Even then he knew many tricks of transformation, and only after he was hit by Laozi's diamond snare could Erlang finally capture him. Taken before the Throne, he was condemned to be executed; but, though slashed by a scimitar and hewn by an ax, burned by fire and struck by thunder, he was not hurt at all. After Laozi had received royal permission to take him away, he was refined by fire, and the brazier was not opened until the forty-ninth day. Immediately he jumped out of the Brazier of Eight Trigrams and beat back the celestial guardians. He penetrated into the Hall of Perfect Light and was approaching the Hall of Divine Mists when Wang Lingguan, aide to the Immortal Master of Adjuvant Holiness, met and fought with him bitterly. Thirty-six thunder generals were ordered to encircle him completely, but they could never get near him. The situation is desperate, and for this reason, the Jade Emperor sent a special request for you to defend the Throne."

When Tathagata heard this, he said to the various bodhisattvas, "All of you remain steadfast here in the chief temple, and let no one relax his meditative posture. I have to go exorcise a demon and defend the Throne."

Tathagata then called Ananda and Kaśyapa, his two venerable disciples, to follow him. They left the Thunderclap Temple and arrived at the gate of the Hall of Divine Mists, where they were met by deafening shouts and yells. There the Great Sage was being beset by the thirty-six thunder deities. The Buddhist Patriarch gave the dharma order: "Let the thunder deities lower their arms and break up their encirclement. Ask the Great Sage to come out here and let me inquire of him what sort of divine power he has." The various

warriors retreated immediately, and the Great Sage also threw off his magical appearance. Changing back into his true form, he approached angrily and shouted with ill humor, "What region are you from, monk, that you dare stop the battle and question me?" Tathagata laughed and said, "I am Sakyamuni, the Venerable One from the Western Region of Ultimate Bliss. I have heard just now about your audacity, your wildness, and your repeated acts of rebellion against Heaven. Where were you born? When did you learn the Great Art? Why are you so violent and unruly?"

The Great Sage said, "I was Born of Earth and Heaven, immortal magically fused,  
An old monkey hailed from the Flower-Fruit Mount.  
I made my home in the Water-Curtain Cave;  
I sought friend and teacher to gain the Mystery Great.  
Perfected in the many arts of ageless life,  
I learned to change in ways boundless and vast.  
Too narrow the space I found on that mortal earth;  
I set my mind to live in the Green Jade Sky.  
In Divine Mists Hall none should long reside,  
For king may follow king in the reign of man.  
If might is honor, let them yield to me.  
Only he is hero who dares to fight and win!"

When the Buddhist Patriarch heard these words, he laughed aloud in scorn. "A fellow like you," he said, "is only a monkey who happened to become a spirit. How dare you be so presumptuous as to want to seize the honored throne of the Exalted Jade Emperor? He began practicing religion when he was very young, and he has gone through the bitter experience of one thousand, seven hundred and fifty kalpas, with each kalpa lasting a hundred and twenty-nine thousand, six hundred years. Figure out yourself how many years it took him to rise to the enjoyment of his great and limitless position! You are merely a beast who has just attained human form in this incarnation. How dare you make such a boast? Blasphemy! This is sheer blasphemy, and it will surely shorten your allotted age. Repent while there's still time and cease your idle talk! Be wary that you don't encounter such peril that you will be cut down in an instant, and all your original gifts will be wasted."

"Even if the Jade Emperor has practiced religion from childhood," said the Great Sage, "he should not be allowed to remain here forever. The proverb says, 'Many are the turns of kingship, and next year the turn will be mine!' Tell him to move out at once and hand over the Celestial Palace to me. That'll be the end of the matter. If not, I shall continue to cause disturbances and there'll never be peace!" "Besides your immortality and your transformations," said the Buddhist Patriarch, "what other powers do you have that you dare to usurp this hallowed region of Heaven?" "I've plenty of them!" said the Great Sage. "Indeed, I know seventy-two transformations and a life that does not grow old through ten thousand kalpas. I know also how to cloud-somersault, and one leap will take me a hundred and eight thousand miles. Why can't I sit on the Heavenly throne?"

The Buddhist Patriarch said, "Let me make a wager with you. If you have the ability to somersault clear of this right palm of mine, I shall consider you the winner. You need not raise your weapon in battle then, for I shall ask the Jade Emperor to go live with me in the West and let you have the Celestial Palace. If you cannot somersault out of my hand, you can go back to the Region Below and be a monster. Work through a few more kalpas before you return to cause more trouble."

When the Great Sage heard this, he said to himself, snickering, "What a fool this Tathagata is! A single somersault of mine can carry old Monkey a hundred and eight thousand miles, yet his palm is not even one foot across. How could I possibly not jump clear of it?" He asked quickly, "You're certain that your decision will stand?" "Certainly it will," said Tathagata. He stretched out his right hand, which was about the size of a lotus leaf. Our Great Sage put away his compliant rod and, summoning his power, leaped up and stood right in the center of the Patriarch's hand. He said simply, "I'm

off!" and he was gone—all but invisible like a streak of light in the clouds. Training the eye of wisdom on him, the Buddhist Patriarch saw that the Monkey King was hurtling along relentlessly like a whirligig.

As the Great Sage advanced, he suddenly saw five flesh-pink pillars supporting a mass of bluish air. "This must be the end of the road," he said. "When I go back presently, Tathagata will be my witness and I shall certainly take up residence in the Palace of Divine Mists." But he thought to himself, "Wait a moment! I'd better leave some kind of memento if I'm going to negotiate with Tathagata." He plucked a hair and blew a mouthful of magic breath onto it, crying, "Change!" It changed into a writing brush with extra thick hair soaked in heavy ink. On the middle pillar he then wrote in large letters the following line: "The Great Sage, Equal to Heaven, has made a tour of this place." When he had finished writing, he retrieved his hair, and with a total lack of respect he left a bubbling pool of monkey urine at the base of the first pillar. He reversed his cloud-somersault and went back to where he had started. Standing on Tathagata's palm, he said, "I left, and now I'm back. Tell the Jade Emperor to give me the Celestial Palace." "You stinking, urinous ape!" scolded Tathagata. "Since when did you ever leave the palm of my hand?" The Great Sage said, "You are just ignorant! I went to the edge of Heaven, and I found five flesh-pink pillars supporting a mass of bluish air. I left a memento there. Do you dare go with me to have a look at the place?" "No need to go there," said Tathagata. "Just lower your head and take a look." When the Great Sage stared down with his fiery eyes and diamond pupils, he found written on the middle finger of the Buddhist Patriarch's right hand this sentence: "The Great Sage, Equal to Heaven, has made a tour of this place." A pungent whiff of monkey urine came from the fork between the thumb and first finger. Astonished, the Great Sage said, "Could this really happen? Could this really happen? I wrote those words on the pillars supporting the sky. How is it that they now appear on his finger? Could it be that he is exercising the magic power of foreknowledge without divination? I won't believe it! I won't believe it! Let me go there once more!"

Dear Great Sage! Quickly he crouched and was about to jump up again, when the Buddhist Patriarch flipped his hand over, and tossed the Monkey King out of the West Heavenly Gate. The five fingers were transformed into the Five Phases of metal, wood, water, fire, and earth. They became, in fact, five connected mountains, named Five-Phases Mountain, which pinned him down with just enough pressure to keep him there. The thunder deities, Ananda, and Kaśyapa all folded their hands and cried in acclamation: "Wonderful! Wonderful!"

Sun Wukong remained beneath the mountains for 500 years. On his journey from China to India to retrieve Buddhist scriptures, Xuanzang unearthed Sun Wukong, who became Tripitaka's escort and disciple. With two other companions, Piggy and Sandy, both exofficials of the Heavenly Court reborn in monstrous bodies, Sun Wukong accompanied the monk for 14 years, covering nine kingdoms and encountering numerous fantastic adventures. After presenting the scriptures Tripitaka had obtained in India to the Chinese emperor in the imperial capital of Chang-an, the four travelers were borne up to heaven.

Last night, Lady Kannon appeared to Him. She told Him how to restore peace.  
She said a monk from Golden Temple must be sent to Thunder Temple in India.

Homei : Lady Kannon? You say that the Emperor was visited by Lady Kannon?

Genjo : (That's just like my dream.)

Homei : You have heard the Minister! Who will undertake the journey west to India?

Priest : (That's over 18,000 leagues away. No one can possibly walk that far.)

Priest : (They say there are bandits and monsters all along the way!)

Genjo : (Why is no one volunteering?)

Homei : Is there none who will accept this undertaking?

Genjo : Excuse me... Would I be acceptable?

Priest : Are you out of your mind?! This is not a journey for a child.

Genjo : But...but Lady Kannon appeared to me, as well.

They will be surprised with what you said.

Priest : How dare you make something like that up!

Homei : Silence! I will make my decision by tomorrow. We are finished here. Show the messenger his room.

The party will be dismissed including Genjo but Elder Homei called Genjo.

Homei : Aaah...never mind.

You will see Genjo leaving the room, leaving Elder Homei alone.

Genjo : Elder!

Homei : It is beautiful this evening. It reminds me of the day I found you. Have not these 16 years been wonderful?

Genjo : Yes, they have. I owe my life to you and the other monks.

Homei : Genjo, did you truly see Lady Kannon in a dream?

Genjo : Yes! She told me to take this staff and go to India.

Genjo will show Elder Homei the staff given by Lady Kannon.

Homei : What? You received that from Lady Kannon? To be truthful, I also had a dream.

Genjo : You did?

Homei : Yes, I was told to accept the Emperor's command and send you to India. However, I did not wish to expose you to such danger.

Genjo : Elder, I would like to go! And I know Lady Kannon will protect me. I must admit, I would like to see the world for myself.

Homei : So, you truly would like to risk the dangers of the journey? Then the decision is made. You will prepare to leave for India tomorrow morning.

Genjo : Thank you, Elder! I will not disappoint you!

Then tomorrow comes. Elder Ohmei and the priests seeing your leaving to India.

Genjo : These clothes are really uncomfortable.

Priest : They were made for monks going on long journeys. You'll get used to them.

Homei : You are no longer a servant. You are a monk. From now on you will be known as Sanzo.

Genjo : Sanzo?

Priest : The name refers to the three libraries that are said to be in India.

Homei : Within those libraries are a collection of sacred writings to guide us in this life. Make certain you do not dishonor this name during your travels.

Sanzo : I will!

Fighter : Master Sanzo, it will be our privilege to accompany you.

Guard : We are yours to command.

Sanzo : No, it is I who shall depend on you! I guess I should be going.

Homei : Sanzo, be careful!

Priest : Be sure to care for yourself properly!

Sanzo : Farewell everyone! I shall return!

After that, you will left the temple.

Monkey Rock

You will be in a rocky mountain.

Sanzo : We've come quite a distance.

Fighter : After we cross this mountain we'll be near the edge of China.

Sanzo : Is it true there are monsters on this mountain?

Fighter : Don't worry. That's why we're here! We'll take care of you.

After that, 4 monster appeared in front of you.

Sanzo : What are they?

Fighter : Monsters!

Guard : Master Sanzo! Get back. Let us take care of this!

They will fight the monsters. Two monsters killed but two more monsters appeared. This time they can not hold the attack.

Guard : Run, Master Sanzo! Get away while you still can!

Sanzo : What about you? I can't leave you!

Fighter : We'll hold them off. Get out of here! Now! Aaah!

Guard : Aaaaah!

They were killed by the monsters, leaving you out with the monsters.

Sanzo : No... (I don't want to die here!)

You will hear a voice calling you.

??? : Hey you! You're the monk called Sanzo, aren't you?

Sanzo : Huh?!? Who's that? Who's calling my name?

??? : Up here! On the mountain.

Sanzo : A rock? A voice from a rock?

??? : not the rock! I'm trapped inside the rock. If you're Sanzo, you should be able to free me. Come free me! Then I'll help you defeat these wimps.

Sanzo : All right! I'll be right there!

Open the treasure chest(7,6) near the bridge to get healing potion (Select USE command if you standing next to the treasure chest). Now finish the Imp(9,5) guarding the charm. After you finish the Imp, don't remove the charm. Try to increase the experience by fighting the rest of the enemies. Now stand at the same position like the Imp(9,5). Wait until the enemies come to you. You will have to fight the monsters one by one. If you low on HP, use SPELL HEAL. If you run out of MP and low on HP, select USE command at the charm(9,4) to finish the battle.

-----  
Turn 1

Sanzo : I've never fought before. I must be careful.

If Sanzo's HP reaches 0, the game ends. However, if you save the game, you can restart from the saved point. To save, enter the free cursor mode and press the START button. A menu will appear.

Turn 2

??? : Here's some advice! After you cross that bridge, drop it into the valley below. They will have to go around. That'll give you some time. Be careful not to drop it before you cross.

Sanzo : Okay.

Turn 3

??? : Oh and there is a treasure box. You can open that, too.

Sanzo : Did you say treasure box? What's in it?

??? : Don't know. But be careful, you don't have much time. The monsters are coming!

Sanzo : Yes, I need to be careful.

Turn 4

??? : You should be able to take the charm off this rock as well. Hurry, come and break the spell. Then I can be free of this rock.

Sanzo : Have patience, I'll be there soon!

After you remove the charm

??? : Yes. I can finally leave this rock! Move away from the rock, it's dangerous. Here I go.

The rock scattered in pieces and from the rock come out huge monkey attacking the rest of the enemies.

---

Sanzo : Aaah!!

Sanzo ran in fear and the huge monkey turned back into its normal form.

Goku : So you're Sanzo. Thanks for setting me free! Man! Does it feel good to be out of there!

Sanzo : W...who are you? Why were you in that rock?

Goku : Son Goku's the name. As for the rest...does it really matter? Now, just what's a monk doing here in the middle of these mountains?

Sanzo : I have been commanded by Lady Kannon to go to India.

Goku : India? Alone? What are you, stupid?

Sanzo : I wasn't alone. My companions were killed by monsters.

Goku : Yeah, okay, whatever. Anyway, I helped, just as I promised. Now I'm out of here!

Sanzo : What? Just like that? You're going already?

??? : Goku! Stop right there!

Kannon Bodhisatva will appear in front of them.

Goku : You!

Sanzo : Lady Kannon! This time it's not a dream.

Kannon : Goku, I told you to help Sanzo in exchange for him freeing you.

Goku : And I helped him. That makes us quits. Now, I'm free!

Kannon : You will guard Sanzo all the way to India!

Goku : Not a chance! I did as I said I would. I'm not getting stuck with this human!

Kannon : You leave me little choice... ON ARORIKIYA SOWAKA...

Goku : Aaaaah! My head... it's going to explode.

Kannon : Sanzo! Listen closely. Goku will accompany you to India. If he doesn't do as you say, use the spell I just showed you.

Sanzo : Umm... Was that "On arorikiya sowaka"?

Goku : Aaaaaahhhhhh! Hey!

Sanzo : Oh, I'm sorry! I didn't think...

Kannon : Sanzo, you must gather the Guardians and bring them to Thunder Temple in India.

Sanzo : Guardians? What are Guardians?

Kannon : Do not worry. The staff will guide you. Bring the Guardians to Thunder Temple...

Lady Kannon will disappear from their sight.

Sanzo : Wait! Please, I don't understand!

Goku : Stupid Kannon! How dare she do this to me!

Goku tried to remove the thing surrounding his head.

Goku : What?! This thing won't come off!

Sanzo : (I don't know about this...)

Sanzo : Gather the Guardians? Goku, what are the Guardians?

Goku : The Guardians are the elite guards of Buddha.

Sanzo : Wow, how do you know that?

Goku : They tried to stop me when I invaded heaven.

Sanzo : What?! What do you mean, invaded Heaven?

Goku : Just what I said! Anyway, I beat the Guardians, but lost to Buddha.

Sanzo : What?! You fought with Buddha? Was that why you were in the rock?

Goku : Yeah! So what! Don't ask me anymore. I don't want to think about it.

Then 6 thieves showed up in front of you.

Thief : I knew I heard someone up here, but I really wasn't expecting to see a monk.  
Strip him! We ought to get some good money for his belongings!

Sanzo : Goku, we're outnumbered! What should we do?

Goku : Don't worry. They're just good for nothing bandits.

Sanzo : But there are so many of them. We can't win.

Goku : Don't worry! Leave it to me!

Strategy : The battle is not hard although there are a lot of enemies. Move Goku between 3 thieves(the one wearing green cloth) then select command WERECHANGE. You will

hurt all enemies surrounding you, at this point 3 thieves when you WERECHANGE.  
Have Sanzo aid him in the battle with HEAL SPELL when he is low on HP. Don't  
forget to heal yourself too if you low on HP. Just attack and heal, in no time  
you will win this battle.

-----  
Turn 1

Goku : Listen! I have a secret weapon. I can Werechange!

Sanzo : Werechange... You mean the form you took before, at the rock?

Goku : Yes, if you choose the Werechange, I will take that form! In my Were satet, I can  
squash these bugs.

When Son Goku and the rest Werechange, they take their Were Form. Were have very powerful  
special abilities. The abilities use points. When the Were gauge(upper left corner)  
reaches 0, they return to human form. While in Were form, choosing Werechange allows them  
to return to human form.

-----  
Goku : I'm kinda rusty.

Sanzo : But you defeated everyone! You're incredible.

Goku : I've been stuck in a rock for 500 years... Back then I would have been faster.

Sanzo : 500 years?! You were in that rock for 500 years?!

Goku : That's right! That Buddha! Didn't even give me a chance. I'd like to stick him in  
a rock.

Sanzo : I'm sorry... You just get out...and now you're being forced to come with me.  
Goku, I'll go to India alone. You're free!

Goku : What?! What're you talking about?

Sanzo : Lady Kannon told me to go to India. There's no need for you to go, too.

Goku : You think you're going to make it to India alone?

Sanzo : I'll be okay. And Lady Kannon won't punish you because I told you to go.

Goku : Idiot! You think you'd actually make it alone?! Besides, it was my decision to  
come with you... Kannon and this head thing have nothing to do with it. Remember  
that!

Sanzo : Goku...

Goku : Oh enough of this! Let's go. Unlike me, you're just human. At this pace, by the  
time you get to India you'll be an old man.

Sanzo : Okay... Thanks Goku.

Sanzo : Yeah, I am. Well, it's almost noon. Let's find some place to eat.

You will see some event in front of you.

Hakkai : Please don't kick me out. I'll do better! I'll do anything!

Man : Shut up and get out! Go back to your own kind. Go now! Leave or you'll regret it!

Hakkai : Don't hit me... I'll go...

Hakkai will go away.

Man : Welcome! We specialize in dumplings that will make your mouth water.

Sanzo : Not right now! Who was that?

Man : What? Oh, I'm sorry you had to see that. His name is Cho Hakkai. He was a journeyman chef that worked for me. This morning just after I woke, I heard him yelling in the kitchen. He was yelling, "I did it! I've found the ultimate flavor!"

Goku : Oh, brother! So then what?

Man : I rushed to the kitchen and saw this huge monster licking the pans. I have a reputation to protect. So I just chased him away.

Sanzo : But he didn't really do anything wrong?

Man : That's true, but he's a monster, for goodness sakes.

Sanzo : Goku. I feel sorry for him. I'm going to go look for him.

Goku : Ah, he's all right. Just let him go!

Sanzo left the screen.

Goku : I guess we're going to look for him.

At the next screen.

Hakkai : Aaaaaw..... Why... why don't things ever work out right?! Are my ears too big? Is my nose the wrong shape? Why?

Sanzo : Hey!? Don't jump! It's not worth it!

Sanzo tried to stop Hakkai suicide. He think Hakkai will jump down the river. What happen next? They both fall to the river.

Hakkai : What do you think you're doing?!

Sanzo : Help! Goku!

Goku : What are you doing in there?

Goku come to rescue Sanzo.

Sanzo : That was scary!

Goku : You know, you're going to make me old before my time if you keep this up!

Sanzo : Sorry.

Goku : So where's the pig guy?

Hakkai : Right here!

Hakkai jumped from the river.

Goku : You're lighter than I thought.

Hakkai : Well, it's the monster in me, don't you know. Oh! But don't be afraid. I won't hurt you.

Sanzo : We're not afraid. Sorry for pushing you into the river.

Hakkai : Ypu're not afraid of me? Even though I'm a monster?

Sanzo : Why? You're not doing anything bad. Beside Goku's a monster too.

Hakkai : You're not scared? You're really not scared?

Six monsters appeared in front and back of them.

Sanzo : Look out!

Hakkai : Not these guys again. Can't they leve a fellow alone! You two stand back!

Hakkai will turn into huge pig monster.

Sanzo : Wow!

Goku : He's not just a monster... He's a Were!

Hakkai will kill 3 enemies beside Goku.

Sanzo : Look at that! He can do things just like you, Goku!

Goku : No, not like me. See, he's a;ready changing back to his other form.

Hakkai turn back into his original form.

Hakkai : That is so tiring! I can never keep it up for long.

Hakkai : I'm so happy! I finally met someone who's not afraid, even though I'm a monster. I won't mess up here! I will protect him.

Clerk : You look like you just started your travels. Let me tell you something important. Each orientation has eight scrolls, there are a total of forty scrolls. However one person can only carry a certain number of scrolls. So be careful. If the scrolls orientation is the same as yours, the scrolls work better and you improve more.

Goku : In other words, since my orientation is fire, I'm better with fire scrolls.

Clerk : You're smart. On the other hand, if you're orientation conflicts with the scrolls...

Sanzo : then they don't work as well. They have less effect and are harder to use.

Goku : Sanzo's orientation is wood, so metal scrolls will not work so well.

Sanzo : I get it. Thanks.

All ills, other than stone, heal naturally. But if you want to heal quickly, use a cure. There is no hope for stone to heal naturally. One must use a potion. However, I'm sorry to say that we are all out of the stone potion.

Goku : What? You'd think you would always have some in stock.

Strategy : You can position your characters in this battle. Put Sanzo at the left, Cho Hakkai in the middle and Son Goku at the right. Bronze Dragon is very strong and has a lot of HP, luckily there's only one in this battle and there are 3 characters can fight in this battle. Have Son Goku and Cho Hakkai attack the dragon and Sanzo heal them if they low on HP. Have Sanzo attack the dragon only if his HP is full because Sanzo's defense is very low and he has less HP than Son Goku and Cho Hakkai. You can use WERECHANGE command if you like or just attack the dragon with just physical attack. I prefer Cho Hakkai turned into Raging Boar than Son Goku.

---

After you finished the dragon(Ryorin), she changed back into her original form.

Ryorin : All three of you ganging up on one girl... feeling manly?

Sanzo : It's your fault...

Ryorin : How frustating!

---

Ryorin : Just take me to my father already.

Sanzo : Wait a minute! You must be mistaking us for someone else. We were just passing through! We don't know you or your father.

Ryorin : What? Then why did you attack me?

Goku : You're the one who started the whole thing!

Hakkai : We were tryng to tell you but you changed into a dragon.

Sanzo : Sounds like you're in trouble. Do you want to tell us about it?

Ryorin : My name is Shu Ryorin. I am the youngest daughter of the Dragon King.

Goku : Dragon King? He rules the Eastern Sea... What's his daughter doing here?

Ryorin : My father tried to marry me off... I really don't like who he chose, so I ran away. They say my father was boiling mad.

Goku : So you came here to wait till your father calms down. This is classic.

Ryorin : It's not funny! I am not going to marry someone I don't like!

Hakkai : So you decided to attack us because you thought we were pursuing you.

Goku : In other words, we almost get killed because you and your father are having a spat!

Sanzo : Okay, okay, calm down... It's over. No harm done.

Ryorin : Sorry about all the trouble.

Goku : Oh well, just don't let it happen again.

Ryorin : So, where are you all heading?

Sanzo : We're on our way to India.

Ryorin : That sounds like so much fun. Me, I've never really been outside the palace.  
Hey, I know! Take me with you!

Sanzo : What?

Goku : No way!! We're traveling light. No excess baggage! Go find someone else.

Ryorin : I wasn't asking you. Please, I promise I won't be any trouble.

Hakkai : Little miss, why should you want to come with us anyway?

Ryorin : It sounds like a lot of fun. And I've been kind of lonely lately... No?

Sanzo : ...Why not? Sure, come along. It'll be fun to have more company.

Ryorin : Hurray!! You're so nice. Thank you! You can call me Ryorin. Well, now that's  
decided. Aren't you two ready yet? Get a move on it!

Goku : Wait! I did not agree to this!

Goku : So it's not your normal sleep then.

Sanzo : Little one, stop your tears. Do you know why these people are sleeping?

Girl : Yes, the bad hermit made them all fall asleep.

Hakkai : Bad hermit? What do you mean?

Girl : He spread this illness that puts everyone to sleep. It can be cured with water  
from a nearby spring, but the bad hermit is there.

Goku : I'm not sure what he's trying to do, but it's probably not going to be good.

Girl : But a stranger went to get water from the spring.

Gojo : (Were!?! They're Were!)

When Sanzo reach the road where you came from(escape).

Sanzo : Great! It looks like he got away.

Sanzo : What?

Gojo : Hmmmph! Helped by a bunch of monsters! How humiliating.

Sa Gojo went away.

Sanzo : Hey, wait!

Ryarin : I can't believe that guy!

Goku : Not even one word of thanks! Is "thank you" really so hard to say?

Hakkai : Maybe that's just how he is. Why worry about it?

Ryarin : Still, I'm worried that we didn't see the hermit.

Girl : Are you leaving already? Please don't go.

Gojo : Well, I guess, I can stay the night.

Girl : You can stay at my house. My parents won't mind. It's the way!

Goku : That guy really gets under my skin!

Hakkai : Just let it go. It's not good to get so angry.

Elder : You also helped at the spring... On behalf of the entire village, I'd like to  
thank you. We would like to show our appreciation. Please accept these items.

Sanzo : No, I couldn't. We did nothing. He already had the water when we arrived.

Goku : You should accept it. There are no stores here.

Hakkai : Besides we shouldn't refuse. That would be impolite.

Sanzo : I guess you're right. We thank you for your gracious offer.

You have obtained a healing potion and a cure potion.

Sanzo : Might we ask you a question concerning the area?

Elder : I would be glad to tell you anything that I know.

Sanzo : Have you ever heard of any meteors falling from the sky and landing in this area?

Elder : Actually, yes. In fact, it happened right here, near our village!

Sanzo : Really?

Elder : It happened when my son was getting married, about 16 years ago... A meteor fell  
just outside of town. The entire village was in an uproar. We built a shrine in  
that place to honor the gods who protected our village.

Ryorin : Honored Elder, will you please show us this shrine?

Sanzo : Yes, please. We believe it might hold a clue to what we are searching for.

Elder : It is the least I can do. I will be happy to take you.

Sanzo : We are in your debt.

At the shrine.

Elder : Here is the shrine I told you about.

You will see the shrine is glowing.

Goku : What's wrong? You're trembling!

Sanzo : The staff...it's shaking!

The shrine is glowing again.

Hakkai : What's that?

The staff is resonating with the shrine. From the shrine come out flashing light. It appeared to be a beautiful lady.

Mother : I'm finally free! Oh, and I am free...the human world.

Ryorin : Who are you?!

Mother : I was once called Sei Obo. Now I am the Guardian, Mother. I am in your debt.

Sanzo : I am Sanzo. We are on our way to India at Lady Kannon's request.

Mother : So, you are... At last, the time has come.

Sanzo : What do you mean?

Mother : Lady Kannon will explain everything in her own time. I will wait inside your staff until you need me.

Sanzo : Inside my staff?

Mother : We Guardians are of heaven. We cannot remain long in the human world. The staff shall be my resting place and I shall travel with you. You may call on me anytime you are in need. I look forward to the day I can be of service to you.

You will see a scene of Mother Guardian entered your staff.

Ryorin : Wow, she seems nice.

Sanzo : So, that is a Guardian.

Elder : What happened? Who was that?

Goku : Don't you know? That's what they call a miracle.

Elder : I didn't realize that you were such a holy monk. I apologize for our lack of welcome! I beg you. Please stay at my house tonight, so we might repay our disrespect.

Sanzo : You have nothing to repay. Yet we will accept your offer of lodging.

Mother has entered the staff!

Sanzo will be dreaming again.

??? : Sanzo? Master Sanzo?

Sanzo : Who's there? Who's calling my name?

A mysterious lady will appear in front of Sanzo.

??? : There is a Guardian near where I am as well. Still, I must warn you. There is trouble here, much trouble. I beg you, please come and help me.

Sanzo : A Guardian? Please, tell me where you are.

??? : I...am wandering in a long, long dream.

Sanzo : In a dream? What do you mean?

The mysterious lady will disappear.

??? : Hey, Sanzo, wake up! Wake up!

You were inside a house.

Goku : Sanzo, we're under attack! There's no time for you to be spacing out!

Sanzo : Huh...huh... What... We're under attack?

Goku : The hermit from the spring is attacking the village. We have to help fight!

Outside at the village.

Nyoi : ...hahahaha... You'll pay for defying Old Man Nyoi!

Girl : Whaaaaa!

Nyoi : Let's start with that brat...

Your party finally reached the village.

Goku : We'll see about that!

A huge blue monster showed up and standing next to the girl.

Hakkai : Another monster! We're not going to make it in time!

The blue monster attack the enemy.

Ryorin : Huh? What's going on?!

The girl ran away.

Nyoi : You good for nothings! Kill him! Kill him, now!

The monster attacked the huge blue monster and the monster changed into Sa Gojo. It turned out he's a WERE too.

Gojo : Aaargh!

Sa Gojo fell unconscious.

Hakkai : Sa Gojo!

Goku : So he's a WERE, too!

Sanzo : It's okay. He's still breathing.

Nyoi : You're the ones! You took my spring water!

Goku : Your water?! Who made it yours?!

Hakkai : You're just a bunch of squatters!

Ryorin : You saved us the trip to the spring to find you! Now you're gonna get it!

Nyoi : Hahahahaha!! Listen to the chickens squawk. Destroy those thieves that stole my water!

Sanzo : All right! Let's get them!

Turn 1

Sanzo : So, let's see...to call a Guardian... I choose summon and then select the Guardian of my choice. Sounds easy.

Sanzo can use the Summon command to call Guardians in exchange for MP. For 3 turns, a Guardian will provide help to the party. The closer a companion is to Sanzo, the more effective this help. Also, Sanzo is able to use the Guardian's power to perform an attack of his own. If Sanzo either charmed or stoned, the Guardian will return to the Staff.

Nyoï : Ha Ha Ha Ha. Now you will taste of my power! Take this!

After you defeat Old Man Nyoï

Nyoï : Noooo! How dare you do this to me, I won't forget this. The next day we meet will be your last. Remember that!

Nyoï will disappear, leaving your party.

-----

Woman : (See that group, they're a bunch of monsters!)

Elder : (I saw it, too. I thought my heart was going to stop!)

Woman : (I hope they leave our village soon.)

Elder : (Me, too. It's not safe with monsters running about the village.)

Goku : Why you ungrateful...

Sanzo : Goku, calm down!

Goku : Calm down! After what they just said..

Gojo : You may as well leave them alone! They aren't going to change like that.

Hakkai : Master Gojo! You're all right!

Gojo : Humans are like that. If you're different, they treat you like dirt. So if you don't want to be treated like that, you have to hide what you are. The only way to hide the fact that I'm a Were is to act like a human.

Ryorin : ...absurd.

Gojo : What did you say?

Ryorin : I said that's absurd. You should be proud of being a Were. What makes humans so special? Why should we hide from them? That's absurd!

Gojo : Proud of being a Were? Sorry, but I hate being a Were. No matter how hard I try to

act human, I'm always driven away because I'm Were. In four hundred years it's happened over and over. Who needs pride?

Sanzo : I can't say that I exactly understand how you feel Master Gojo, but... Human... Were... Is the difference really all that important?

Hakkai : What do you mean?

Sanzo : To me, the more important thing is what I do, not what I am.

Gojo : ...what I do...

Sanzo : Without thinking of the danger to yourself, you went to get water from the spring. To protect the people of this village you fought against the attackers. Does it matter whether it was as a human or as a Were? The fact is that many people were saved. Isn't that what's important? We should be on our way. Master Gojo, I apologize if what I said offended you.

Gojo : Wait!

Goku : What now? Haven't you said enough?

Gojo : I am in your debt. And I always pay my debts. I will travel with you until my debt is repaid.

Sanzo : You'll travel with us? That would be wonderful! Wouldn't it?

Goku : You'll let him come no matter what I say so just do what you want already!

Gojo : I wasn't asking for your permission. Like I said, I pay my debts.

Goku : Why you.....

Ryorin : You just can't let things be, can you? Men!!

Hakkai : All right then, let's be on our way!

When the party about to leave, a previous girl will call them.

Girl : Wait! Please wait! Thank you for helping us yesterday. I'll never forget you! Bye!  
Take care!

Sa Gojo has joined the party! You can see the details if you press O button.

Mire River  
=====

Sanzo : Wow, this river is kind of wide!

Hakkai : It might be wide but it doesn't look very deep. We can probably walk across.

Gojo : There's a town on the other side. We should cross before the sun goes down.

Ryorin : The water feels great. It's so very relaxing.

Goku : If you don't stop talking you'll fall and bite your tongue.

Ryorin : Oh leave me alone!

Sanzo : Wh...what!?!

Hakkai : Hohoho! And Goku just said to be careful!

Two mosters cam from nowhere, surrounding Sanzo.

Gojo : Watch out!

Sanzo was taken by the mosters to their boss.

Rhinon : Gehehehehehe! What a catch! This monk will bring in quite a bit of money!

Sanzo : Help!

Ryorin : Hey you! You're not going to get away with this you know!

Rhinon : Hey! A cute little girl! Let's get her, too. We'll take the weapons and armor and give them to the king. He's sure to reward us well for all these gifts! He'll say "Way to go Rhinon!"

Goku : Ribald, or whatever your name is, all you're going to get is a pounding!

Gojo : You're going to regret the day you ever met us!

Strategy : You can't position your character in this battle. Have Sanzo get away from the monsters toward your party. Have Sanzo summon Mother to restores life points. Sa Gojo is almost invincible in this battle because his orientation is water. When he is in water, he can heal himself. You could win this battle by defeating only Rhinon. But if you want to get lots of EXP and money, kill the henchmen first then the boss. There are no treasures in here, so just concentrating with your attack. Rhinon's attack can be very annoying. He can use IronRing with long range spell that makes OFF Down. Luckily the spell sometime miss and he can only use it once. His physically atttack has long range too. He can attack your character 3 blocks in front of him.

---

Turn 1

Rhinon : Gwahahahaha! This should be fun! For me, at least! For you it isn't going to be very nice! I won't even feel your blows after you feel my IronRing.

After you defeat Rhinon

Rhinon : I'm going to tell old Cow about you! He will make sure that you pay for attacking his territory.

Rhinon will disappear.

---

Ryorin : Everywhere we go, we're being attacked.

Gojo : Recently, they've even started attacking during the day.

Hakkai : We had better move on before something else finds us.

Sanzo : You're right. Let's get to that town.

Goku : Old Cow...

Sanzo : What's wrong?

Goku : Oh, nothing.

Man : First, you accept a job at the post. Then you do whatever the job asks you to do. Finally, you return to the place that you got the job for payment. To make it easier, let me give you an example. Say you accept a job to deliver something. You take it to the designated town. Someone will be waiting for you. Give the package to that person. Then you return to the town you received the job at and you get paid. There are bandits out there, so I'm sure you'll be attacked at times. Be careful! The higher paying the job, the more chance you have of being attacked. So don't accept anything you're not good enough to do! Other jobs are basically the same. You're told what the job is before you decide to accept or not. And don't forget to return for your pay!

Man : It doesn't look like you're used to travelling. Let me give you some advice. As you leave stores, people will approach you. Sometimes they give you valuable information.

Hakkai : So, you're saying we should probably pay attention to these people.

Man : Yes, but there will be some conversations that are pretty useless.

Sanzo : North? We should go north?

??? : North... North...

Sanzo : Wait! Wait! Please wait!

Sanzo : And that's what I saw...

Gojo : It was just a dream, wasn't it?

Ryorin : But didn't you see the same dream before?

Sanzo : Yes, but it's different. Somehow, it felt like she's in danger.

Hakkai : But Master Sanzo, there are no towns north of here.

Gojo : Something's wrong. It smells like a trap.

Sanzo : The Lady I saw wasn't evil! We need to turn north.

Hakkai : Now? It's really late. I need my beauty sleep!

Gojo : It's too dangerous to travel the road at night.

Ryorin : Goku, what do you think?

Goku : .....let's go! Right now.

Hakkai : You can't be serious? It's the middle of the night! Give me a break!

Dryad : Thank you for saving our sister's tree!

Ryorin : You just said, your "sister's tree." What do you mean?

Dryad : Let me explain! This tree belongs to our oldest sister, Kikka. Here, watch this.  
On, ma, ni, hatsu, ni... Now!

The tree is glowing and from the tree came out a woman.

Hakkai : Look! A woman came out of the tree!

Sanzo : That's the Lady from my dream!

Dryad : Our sister is the leader of the dryads of Cherry Plains. 16 years ago, lightning struck her tree. She's been sleeping ever since. We've been so worried. We don't know what to do! We'll do anything to get our Sister back! Can you help us?

Gojo : Can we help... At the very least, we can try.

Goku : The problem is how to wake her... Sanzo, didn't you say that she came to you in your dreams?

Sanzo : Yes, she did.

Goku : That means she wanted us to come here. Which means if we sleep here, there's a chance she might appear.

Ryorin : Thanks to Sanzo, we're all tired anyway. Let's try sleeping.

Dryad : Our sister will wake? Will our sister wake?

Sanzo : We can't say for sure, but hopefully, we'll meet her in our dreams. Goodnight.

Dream World  
=====

Sanzo : Wow! We're in the dream world.

Goku : I didn't really think it would be so easy.

Ryorin : What a creepy place!

Mahoraga : Incredible. The bearer of the staff just brought it here...to me!

Goku : Who are you?

Mahoraga : I am Mahoraga, the Dream Master.

Ryorin : So this hideous place is your creation.

Mahoraga : "Hideous" creatures like you just can't understand the greatness of this world.

Sanzo : Hey, there's someone else up there!

Kikka : Master Sanzo, at last we meet.

Mahoraga : I didn't give you permission to speak!

Kikka : Yahhh!

Sanzo : You leave her alone! Let her go!

Goku : How dare you do that!

Gojo : Beating on a helpless woman like that is truly "hideous".

Mahoraga : There is no reason for me to suffer your presence. I'll give you some time.  
Free the Guardian, then hand over the staff!

Sanzo : How do you know about...

Goku : You've got to be kidding! If you want it so bad, try and get it.

Mahoraga : You fools! You are powerless before me!

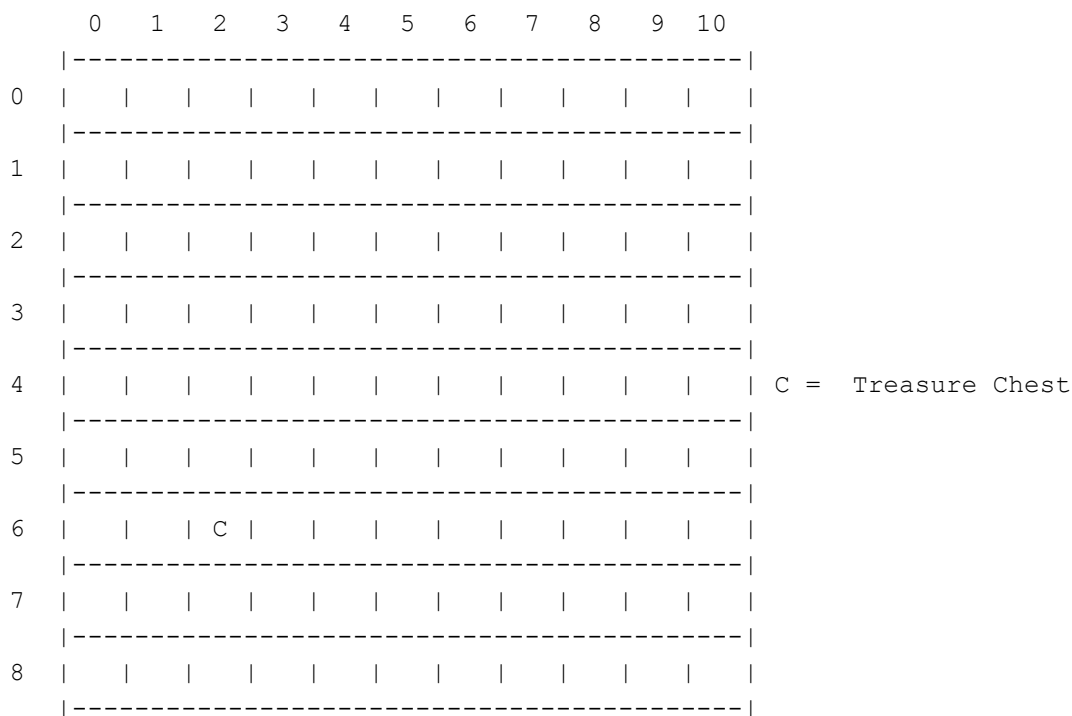

#####  
Battle 9  
#####

Place : Dream World

Objective : Defeat Mahoraga

Enemies : 1x Imp  
          2x Wolfman  
          2x Flyman  
          3x Lizardman  
          1x Mahoraga (Boss HP: ??? MP: ???)

Treasures : Emperor Helmet(2,6)

Strategy : You can't position your character in this battle. You could win this battle by defeating only Mahoraga. But if you want to get lots of EXP and money, kill the henchmen first then the boss. There are only one treasure in here, Emperor Helmet(2,6). Have Goku get the treasure because he is the only one can go back to the higher stage with spell CLOUD. Have Sanzo summon Mother to restores life points. Mahoraga's attack can be very annoying. He can use POISON that can make your characters poisoned. His physically attack has long range too. He can attack your character from 5 blocks away. What matter worse, the stage you're fighting on changes depending on where people stand; more people on any one platform will lower the platform farther and farther. Only Son Goku can reach the boss in just one turn with the spell CLOUD.

---

If you hurt Mahoraga for the first time.

Mahoraga : How did such low lifes as you hurt me? You'll pay for this with your lives!

If you defeat Mahoraga.

Mahoraga : For peons, you fight well. You fought well today, I will concede for now. I anxiously await our next meeting. Prepare yourselves!

---

Sanzo : Are you okay?

Kikka : I'll be all right.

Sanzo : Hey, the staff is shaking again!

Goku : Yes, but... I don't see a Guardian anywhere.

Kikka : He is ...in my...body...

Hakkai : Where?!

Ryorin : Yaaa! What was that?

Warrior : Sorry, my lady. I have intruded upon you for quite some time.

Kikka : Not at all. I am happy to have been of service to a Guardian.

Warrior : And now... you are the leader?

Sanzo : Yes, my name is Sanzo. You are a Guardian?

Warrior : Yes...my earthly name was Hei Reiko. Now I am known as the Guardian, Warrior.  
16 years ago, I descended from heaven and accidentally collided with this young lady. We were plunged into this dream world.

Gojo : I see. And so she's been sleeping ever since.

Warrior : Ah, this world is crumbling. We can't stay here much longer. I will enter the staff. You must help this young lady to the real world.

Sanzo : Yse, sir!

Warrior : Sanzo...

Sanzo : Yes?

Warrior : You remind me of someone I used to know. You will make a good leader. Until we meet again.

Warrior has entered the staff!

Kikka : This dream is about to collapse. Everyone close your eyes, and prepare to wake.  
Here we go!

Dryad : They're still fast asleep. Why haven't they wakened yet? It's been a whole day since they fell asleep.

Sanzo : Huh!

Dryad : Yaaa!!! You startled me. Don't do that!

Sanzo : Everyone's fine? But where is Lady Kikka?

Ryorin : Look!

Hakkai : Where'd that come from?

Gojo : What is this butterfly?

Dryad : That is our sister's true form. Isn't she beautiful?

It turned out Lady Kikka is a WERE too.

Dryad : Mistress, we're so glad to see you.

Kikka : It is good to see you! I have caused you to worry...

Dryad : We are just happy to see you free again! With you back with us, we will live happily ever after.

Kikka : Young ones, you must listen to me.

Dryad : What is it?

Kikka : Our law demand that I go with these who have freed me. To repay those who have saved our lives is our first and foremost duty.

Dryad : You just returned to us and now you're going with them?

Sanzo : Excuse me Lady Kikka. You are the eldest here. This is your place.

Kikka : No, Master Sanzo! This must be. We are bound by fate. Please allow me to repay my debt. Or would I merely be a nuisance to you?

Sanzo : That's not it. I would love to have you along. Still.....

Dryad : Sister, we understand. We will tend things in your absence. You must follow the path your conscience bids you.

Kikka : Thank you for understanding. I will return as soon as Sanzo's mission is complete.

Dryad : Master Sanzo! Please take care of our sister.

Sanzo : I understand! I promise to bring her back safely.

Lady Kikka has joined the party! You can see the details if you press O button.

Dryad : Sister, we will pray for your safe journey.

Ryorin : What beautiful cherry blossoms!

Goku : This is how Spring is supposed to be.

At somewhere else.

??? : ...So what? You came running home crying like a baby looking for its mommy.

Nyoi : I'm sorry... Please forg...

??? : You fools!

Nyoi : Boss, please forgive me.

??? : How many times do I have to tell you not to call me that! Call me King!

Nyoi : Aaaaaaaaa!

??? : Grrrr, Grrrr!

Wolfman : Boss, it's horrible! It's horrible!

??? : Don't call me boss!

Wolfman : Sorry boss! But Rhinon is...

??? : Rhinon? I gave him control of China. Rhinon, what happened to you!?! Tell me,now!

Rhinon : Boss... I barely escaped with my life... We tried to demand payment from some travelers for crossing the Mire River. But a monk named Sanzo and his band of monsters attacked us.

??? : Ugggh! Not this Sanzo again!

Rhinon : What? You know him?

??? : old Man Nyoï here, was trounced by this same monk.

Rhinon : They were headed west. They will probably be coming this way soon.

??? : So they think they can come into my land and rough up my men, do they? Listen up! Send word to our people throughout the land! I don't care if he's dead or alive! Bring this Sanzo to me! If this is such a strong monk, he might even make a decent meal. Well, Sanzo! I look forward to having you for dinner. Ha ha ha ha!

Yuïmen

Sanzo : We've reached the border. This is where China ends...

Gojo : You sound worried.

Sanzo : I am a bit. But I'm mostly excited.

Goku : Hey, it looks like the road splits up ahead. We should ask directions.

Hakkai : I'll do it! Excuse me... The roads weave north and south around the mountains. The northern route passes through volcano land. They say it gets very hot that way. South is cooler but passes through the creepy Mist Mountain.

Ryorin : I don't like creepy things. Let's go the northern way.

Gojo : Aa... I'm not very comfortable in heat...

Sanzo : We can decide later. First, let's get through the town.

An event will occur concerning Ryorin.

Ryorin : Not here, too!?! Listen, you haven't seen me, okay?

Reïkan : Excuse me, am I right in assuming that you are Were?

Sanzo : What? Why do you ask?

Reïkan : Don't worry! I just have a question I would like to ask. The daughter of the Dragon King is missing. Have you seen her, perchance?

Sanzo : the daughter of the Dragon King - would that be a Princess? .....well...

Goku : No, we haven't. But who are you? Why do you care?

Reïkan : She is my fiancée. My heart is breaking with worry. Oh, my dear Ryorin...

Kikka : How sad!... I...

Goku : Sorry we can't help you. Please ask someone else.

Reikan : I too am sorry to have disturbed you. A safe journey!

Ryurin : Goku! Thanks! You're so cool.

Kikka : But... how sad. He seemed truly worried about you.

Ryurin : Not you too! He's got everyone fooled!

Hakkai : He seemed nice enough. Very polite.

Ryurin : He tricked my father like that, too.

Gojo : Some things just don't show unless you know where to look!

Goku : Real men don't chase after women who don't want anything to do with them.

Sanzo : Goku, you astound me. I never thought I'd ever hear that from you!

Goku : You think all I do is fight?

Sanzo : No, that's not what I meant...exactly.

Gojo : You astound me, as well. I just assumed you disliked people like that.

Goku : Well, I have to admit that is half the reason.

Ryurin : Anyway, if we see him again, you don't know me. Okay?

Sanzo : All right! We understand!

IMPORTANT NOTE

-----  
The path will split into two. I suggest you take them both. In my faq, I will put both the route. First I will take the northern route: Turfan, after that I take the southern

route: Mist Mountain. Here's the simple explanation: Turfan -> Mist Mountain -> Firetop  
-> Biku -> Infidel City -> Helmet Peak -> Mt. Cloud.

NORTHERN ROUTE

=====  
Turfan  
=====

Sanzo : What is this smell? It smells like blood.

Goku : Yeah... But it would take a lot of blood for it to be this strong.

Gojo : It's quite disturbing... Wait, I'll ask someone about it. The smell is coming from  
Lucky Temple. It's the blood of a dead girl.

Ryorin : What do you mean? Did she just die?

Gojo : No. A young man died one year ago from a deadly sickness. His lover was so  
distracted that she cut her own throat and died at his funeral. No matter how they  
tried, the blood would not go away. It's still there.

Ryorin : Wait, this isn't right. You said the creepy stuff was to the south!

Sanzo : How sad! Her spirit must still be there weeping.

Ryorin : Stop it! You know I don't like that kind of stuff.

Gojo : That's not all. The smell attracted monsters and the temple has become a nest. The  
people are helpless to do anything about it. They avoid the place to this day.

Hakkai : Can't we do something? I hate to leave it like that.

Kikka : Yes, there must be something that we can do.

Sanzo : Let's go. At least we can see if there is something we can do.

Ryorin : Okay.. I'll wait for you here.

Goku : You're not coming? You'd let that poor girl suffer?

Ryorin : Think what you want! I'm not going.

=====  
Lucky Temple  
=====

Hakkai : There's blood all over the place here!

Ryorin : Let me out! Let me out! I want to leave this place!

Goku : Keep it down! If you want to go, help get this place clean.

Sanzo : Noooo! Her voice is so piercing. Listen to me! Crying won't help. Go on to the  
next world! He is waiting for you there!

Hakkai : Sanzo, you really are a priest.

Kikka : It has nothing to do with being a priest. Listen with your heart! She's crying...

Gojo : Sanzo...You truly are interesting!

Sanzo : Good, the crying has stopped. I will wipe up the blood. I'm sure she'll understand.

Goku : Go for it!

Lots of mosters appear from both side.

Sanzo : I had forgotten about the monsters.

Goku : Leave them to us. You take care of the blood.

Sanzo : Okay.

Ryurin : Hurry. Let's get this over with.

#####  
Battle 10

Place : Lucky Temple

Objective : Remove all pools of blood

Enemies : 5x Bug

Strategy : You can only bring 4 characters in here and Sanzo must participate in this battle. Choose anyone you like. There are 5 spots of blood: (2,0), (12,1), (3,4), (10,5), (5,7). Only Sanzo can clean up the blood. The bug is just a nuisance. You can win this battle if you have cleaned all the bloods.

Turn 1

Sanzo : To clean the blood spots... I must move next to them and use the USE command.

---

After you clean up all the blood, a female ghost will appear.

Woman : ...ank y...

Sanzo : You're welcome.

Then the female ghost will disappear.

Gojo : ...looks like she left.

Sanzo : Yes... I'm happy for her...

Ryorin : It's over? It's really over? Then let's get out of here!

There is something shiny behind Sanzo.

Hakkai : Look! There's something over here.

Goku : Her way of saying thanks, I'll bet... Take it.

Sanzo : You're right.

You have obtained the Spring Comb.

Ryorin : Come on! Let's get out of here already!

Kikka : Hahaha... There's nothing left to be scared of.

Ryorin : I guess so.... The girl that was here.... She needn't cry anymore.

Two peoples will show up in front of the temple.

Man : Hey! Are you all right?

Sanzo : We are fine... Everything's fine now. The girl found peace.

Man : Truly? Wonderful! Thank you so very much.

Sanzo : There's no need to thank us.

Woman : I felt so sorry for that girl. Her fiance fell sick right after they got engaged.

Sanzo : Is that what happened?

Goku : Don't look so glum! There's nothing you can do about it, so why worry?

Goku : Oh, I almost forgot! Sanzo, ask about the meteors.

Sanzo : Excuse me, do you know of any meteors that fell in this area?

Woman : Yes, one fell here about 15 years ago at the place they call Firetop.

Man : A burning star fell at the summit. Since then the mountain top has burned.

Goku : That's got to be it! Let's go!

Mist Mountain

Ryorin : No! Why do we have to go this way? Let's take the other road!

Sanzo : It's just a mountain! Don't worry so much!

Goku : You never can tell! There might be ghosts and stuff!

Ryorin : Goku! You're mean!

Kikka : It's all right, Ryorin. Nomatter what happens, we're right by you!

Ryorin : I'm not worried! It's just so spooky! I don't even want to think about it.

Kikka : We're getting nowhere! Wait...let me ask around. He said there are no ghosts. It just seems creepy because the fog is so thick.

Sanzo : If anything pops up, just hide behind Hakkai.

Hakkai : That's right, just close your eyes and hold on.

Ryorin : I swear if you leave me behind I'll never forgive you.

Goku : That's an idea. Maybe then we would get some peace and quiet.

Ryorin : What!?! You're really asking for it!

Goku : Ouch!! Hey! I was just joking. See, you're fine! Let's get moving!

---

Ryorin : Wait up! Don't walk so fast!!

Goku : This is the way we always walk. What a coward.

Ryorin : That's not why! It's hard to see, we need to be careful.

Someone looks like Ryorin will show up.

Fake Ryorin : Who are you? Why do you have my face?

Ryorin : Aaaaah. My ghost!

Goku : Like you're really going to see your own ghost. Calm Down!

Fake Ryorin : Now, imposter! Let's find out who you really are!

Ryorin : What, you're the imposter. How dare you!

Then Ryorin, the real one and the fake will have a fight.

Sanzo : Ryorin, stop. If you do that...

Goku : Hakkai! Which is the real one?

Hakkai : I don't know. They both smell the same.

Ryorin : I'm the real one of course!

Fake Ryorin : You imposter!?! How dare you!?

Goku : Look out! There's more of them!

Then all the fake characters will show up.

Sanzo : Wait, what's going on?

Fake Goku : Sanzo, just remember that I'm the real one! You recognize me, right?

Goku : What are you talking about!? Sanzo! It's me. You know that!

Gojo : What is it you want? We're not going to let you take Sanzo or the staff!

Fake Gojo : Hah, for an imposter you sure talk a lot.

Sanzo : I have an idea. Sorry Goku. On Arorikya Sowaka.

Goku : Aaaagh! Stop!!!

Sanzo : The others are imposters! Grab them! Everyone that didn't grab them are imposters.

Fake Goku : Rrrr! The gig's up!

Strategy : If you confused which one the real one or the fake one, I will give you the difference between the real one and the fake one. The real one doesn't have word FAKE in his/her name and if you see the face of the fake character you can see the face is somehow different than the real one; it's more like a bad guy. Luckily they not as strong as you but there are two of each your character. Concentrate your attack on just one group and after they all finished kill the rest.

There's only Fake Goku left and he turns into his original form, Jiko.

Jiko : Aaa.....

Goku : Who are you? Why are you doing this?

Jiko : Forgive me!!

Gojo : Then you'd better tell us and soon!

Jiko : Old Man Nyoï's orders. He told me to capture the priest.

Sanzo : Old Man Nyoï? Oh yeah. He's that strange one from Chin Lodge.

Jiko : Please, don't hurt me!

Goku : Get out of here! Tell your boss not to bother us again.

Jiko will run away.

Sanzo : Why are they after me? Because of what happened at the spring?

Gojo : No. Then they'd be after all of us, except Kikka. There has to be something else.

Hakkai : Come to think of it, weren't there others who tried to capture Sanzo?

Ryorin : What was it...Rhinon? Maybe they're related or something.

Gojo : Rhinon attacked everyone at the Mire River. Nyoï was looking for Sanzo.

Sanzo : You don't think he was after this staff I got from Lady Kannon, do you?

Gojo : Hmm...He wasn't after the staff. And it seemed different...

Goku : Aaahh...who cares! If they come looking for us, we trash them. Simple! Isn't that enough? We're getting nowhere sitting here just thinking about it.

Gojo : Come on... We're talking about a gang here. We need to at least be prepared.

Sanzo : Oh, yeah. Goku!

Goku : Wh..what?

Sanzo : Sorry about that... You know, when I used that spell.

Goku : Oh, that. Well you had no choice. Still, let's not be using it again.

Sanzo : All right. Let's get going before it gets dark.

At somewhere else, you will see Jiko, Old Man Nyoi nad his boss, Taurus.

Taurus : You're back! Where's the priest?

Nyoi : Umm... Sorry, boss...

Taurus : I told you! Call me your Majesty! And what do you mean, you're sorry?

Nyoi : I failed! I was trying to bring just the priest back...

Taurus : What!!!!!! You failed me!?! Maybe I should eat you two instead.

Nyoi : It wasn't my fault. It was his!

Jiko : Hey! It was your idea! Don't blame it on me!

Taurus : Stupid! You shouldn't have fooled around! You should have just grabbed him!

Tessen : What are you screaming about? I can hear you from outside.

Taurus : Yo, what's up? You don't usually come here.

Tessen : You didn't come home last night! I was worried!

Taurus : Sorry! I'm trying to catch this meddlesome priest.

Tessen : Priest? You mean, this is all about some priest?

Taurus will told her the story.

Tessen : Hahahahah! You mean you can't even catch one little priest! You idiot! You ignore me and your son, just to catch some priest?

Nyoi : I understand how you might feel, but they are incredibly powerful.

Tessen : Shut up, you idiots! If it's left to you, it'll never get done! It would have been easier to take if you were fooling around on me!

Taurus : How can you think that! I would never...

Tessen : Of course you wouldn't! Now! I will catch this priest! You just wait!

Taurus : Huh?

Nyoi : Phew...she's gone.

Gojo : Yes, but it's not pleasant...

Goku : Hey, Sanzo! Why do you call him Master Gojo? You don't call me or Hakkai that.

Hakkai : Oh, do you want to be called Master Gojo?

Goku : Oh don't be stupid! You know what I mean!

Gojo : I, too, would prefer you call me by my name.

Sanzo : It'll take some time getting use to...

Kikka : So where is it?

You will see something shiny.

Ryorin : Something sparkled on the island over there. Do you think that's it?

Sanzo : Do we have to go all the way out there?

Goku : Hakkai, you go get it. I'll keep a lookout. I have a bad feeling about this.

Ryorin : I'll go too.

Kikka : I will go, as well. I wish to meet the Guardian.

When Sanzo across the lava river, the rock under him will floated away. He got seperated from the party.

Sanzo : Hey! What's going on?

Hakkai : Oh, no! Sanzo just floated away.

Sanzo : I'm fine. It just startled me. I didn't expect it to move. But now I'm closer.  
The Guardian has to be here somewhere.

When Sanzo step out from the rock, he got attacked.

Sanzo : Aaagh.

Yaksa : Shucks. I almost had you, too.

Goku : When did they get there?! I didn't notice them at all!

Yaksa : You're the one called Sanzo? Free the Guardian, then give me the staff.

Then Werechange Ryorin back to human form. Next Werechange Kikka and fly her to the other side too. Next put Sanzo on the moving platform that will take you to the party. Have Cho Hakkai cross to the other side too. The party will be in one place now. Just attack the henchmen. After they all killed, concentrate your attack on Yaksa.

-----  
 Turn 1

Sanzo : Aah, Aah, Aah... It's so hot. I can feel myself losing strength. If we are here too long we'll all die.

Due to extreme heat, each character will take 10 points damage each turn.

After you defeat Yaksa.

Yaksa : I go easy on you and this is how you repay me?  
 -----

Yaksa : You're better than I thought. But don't worry, I'll be back.

Yaksa will ran away.

Goku : The coward!!

Kikka : I still feel a chill.... Just what are they.....

Sanzo : I know! Let's ask the Guardian!

Now the party is in front of the shiny thing. Sanzo will call the Guardian.

Fool : I'm finally out of that place! You the one that got me out? Thanks.

Goku : What?! Not you!

Fool : Son Goku! Who let you out of your rock?!

Sanzo : What? You know each other?

Goku : Yes, when I bulled my way into heaven, he's one of the weaklings that I beat.  
Right?!

Fool : Hmph... I thought I was rid of your ugly face!

Sanzo : Um...excuse me...

Fool : Anyway, this is your lucky day! I'm here to help you!

Sanzo : Wait a moment...

You will see the Guardian entering your staff.

Hakkai : He didn't even give us a chance to ask anything.

Goku : Ah, nevermind him! The Fool wouldn't know anything anyway.

Gojo : If we don't ask, we won't know for sure, now will we?

Sanzo : Master Gojo is right. Next time be a little more polite!

Goku : Sanzo! It's Gojo, not Master Gojo!

Sanzo : What's wrong? This town is deathly quiet.

Hakkai : Do you think everyone was put to sleep again?

An old woman will appear from the alley.

Kikka : Oh, there's someone. Excuse me....

The old woman ran away.

Kikka : Huh? Something's wrong! That woman's eyes were almost blood red.

Ryorin : What's the pot? Is there something inside?

Ryorin examine the pot.

Ryorin : Aaaaaaaa!! There's a dead child in there.

Gojo : No, he's still alive! He appears to be sleeping.

Goku : What's going on here? What do they intend to do with these kids? Hey! Come out!!  
What are you doing with these kids? Why are they in these pots?

Sanzo : Goku! They're not going to come out with you yelling at them like that!

A man will come out from the house.

Man : ... You... You're strangers...

Sanzo : We were just wondering about something.

Man : You looked inside the terns. You must think us cruel. It...the King's command...

Gojo : The king?! The King commanded you to put the children in there? Why?

Man : He will use their livers to cure his sickness.

Hakkai : Lady Kikka! She's fainted!

Sanzo : He's killing children to cure his own illness?!

Man : If we don't give him our children, everyone in that family is put to death. We are  
helpless... We have no choice but to obey!

Goku : Take those kids out of there! We'll deal with this monster that calls himself  
King!

Gojo : If he truly is ill, we will just find another way to cure him.

Sanzo : All right! We'll go to the castle and tell them we have a cure.

Goku : Gojo! We're counting on you!

Gojo : Hey, I'm not a doctor. ...Oh well, I can at least have a look!

Ryorin : Kikka, are you okay?

Kikka : Yes, I'm sorry. I was just a little surprised. Let's go.

Tigra : The king is resting. I am his representative, Tigra the magician. So, you think

Gojo : I will not know until I look. But I don't believe it will be necessary to use children!

Tigra : (Snickers)... You don't know what you're talking about.

King : Aaaaa!! My head! It hurts! Where is my medicine?

Tigra : Did you hear that? The king's illness is deadly. Ordinary medicine is useless. Only my very special medicine can cure him!

Hakkai : Sanzo, this guy smells like a monster. I'll bet he's up to something!

Sanzo : You think it's his idea to use the children...and even the king?

Goku : This could be fun. Let me handle this. Hey, you apprentice! You call yourself skilled? What a joke!

Tigra : How dare you say such a thing! First, I am a magician beyond compare! I am not an apprentice. I am a Master.

Goku : If that's so, I challenge you to a contest. The loser must leave immediately.

Sanzo : Goku! What if you lose? What will we do then.

Goku : Don't worry about it. Just watch!

Tigra : You fool. You shall pay for your insolence.

Goku : Let's see how skillful you are at shape-changing. Let's change into...her.

Kikka : Uh? Me?

Goku : Me first. Here I go.

Goku will change himself into Kikka.

Kikka : How's this? Do I look pretty? Ho ho ho...

Kikka : Goku! How mean! I don't laugh like that!

Tigra : You can't beat me! Watch!

Tigra will change himself into Kikka too.

Fake : And how's this?

Sanzo : .....

Ryorin : Hey you, are you making fun of Lady Kikka?

Kikka : My goodness, Master Tigra, your tail is showing.

Fake : What? My tail is not showing! I mean... Darn!

Tigra will change himself into his original form.

First have Son Goku Cloud to the switch to open the gate in the second round. Then use Cloud again to open the treasure chests: (11,4), (12,4) and (1,2). Have Sa Gojo Werechange next to hidden chest(9,11) and then use DarkBlade at coordinate (1,2) to reveal the hidden chest(1,2). Tigra : Please wait! It wasn't me. I was ordered to do it!

Rhinon will appear at the screen.

Rhinon : It's got to be somewhere around here...

Sanzo : Hey! Isn't that...

Rhinon : You!?

Goku : What are you doing here?

Tigra will run away.

Gojo : He got away!

Rhinon : Hmph... You just wait! Someday I'll have my revenge!

Rhinon will run away too.

Goku : You cowards!!!

Sanzo : I was picturing a more lively town. But this Infidel City doesn't appear that way.

Hakkai : I wonder if they have any good food. I need some new flavors.

Ryorin : I want some candy! The really sweet kind!

Man : Look, there's a monk!

Sanzo : Hey! Stop it!

Goku : What are you doing!?!

Gojo : Goku! Wait! They're just humans! Calm down!!

Hakkai : You better have a good reason for this or you'll regret it!

Man : It's the law! We must seize every monk that enters the city.

Woman : Our king hates monks. For every monk we capture, he gives us a reward.

Kikka : How awful! Why would he do that?

Man : It started 3 years ago after the Prince ran away. It's been this way ever since.

Woman : Our king truly loved the prince. His leaving devastated him.

Sanzo : I understand that. But what does it have to do with seizing monks?

Ryorin : He's just an idiot! Goku, go and pound some sense into him.

Goku : Oh well, I guess it can't be helped. Just stand back. I'll handle this!

Sanzo : Goku, you mustn't really pound him now.

Goku : I know, I know! Don't worry. Tomorrow, we'll head for the castle.

Sanzo : What? You want me to get caught? I'll be thrown in jail for sure!

Goku : Don't worry. I told you I'd handle it! Well I'd better get going.

Goku will leave the party.

Kikka : Goku had this really mischievous look on his face.

Sanzo : I have a real bad feeling about this.

Infidel City: Executioner's Blocks  
=====

Official : Let the person who caught the priest step forward.

Goku : That's me.

Kobi : I shall send you a reward. We shall execute the priest immediately.

Sanzo : (Goku?!)

Kobi : Buddhism is the path of evil! It tears children away from their parents. The parents are left behind grieving. They teach deliverance from pain, yet they create new pain. This is truly evil.

Goku : Oh, enough of that. Kobi! You say you'll kill anyone that even looks like a priest?

Kobi : What? Tes, I will kill all priests, everyone of them.

Goku will jumped to the stage and opened Kobi's hat.

Kobi : What are you doing!?

Goku : Well, you look like a priest too. Off with your head.

Kobi : You did this!

Goku : Yep. Last night I polished off your head. You think if you kill priests your son will return? You idiot! I've made it easier for you to cool down now, so try using your head!

Kobi : Silence! You have no idea how I feel.

Kobi will uses his magic. A huge cymbal will hits Goku.

Goku : What!?!

Goku will turned to stone.

Sanzo : Goku! Goku has been turned to stone!

Gojo : Looks like you need to learn a little lesson.

Place : Executioner's Blocks

Objective : Defeat King Kobi

Enemies : 3x Fighter  
          3x Spearman  
          2x Archer  
          1x King Kobi (BOSS HP: 300 MP: 90)

Treasures : Ring of speed(14,5)  
            Destone potion(0,11)

Strategy : You can't position your character in this battle and you will start with Goku being stoned. Not good as a start. You can win this battle by defeating only King Kobi but I suggest you defeat the guards first to increase your EXP. If you have destone potion, have Sanzo use it on Goku. The problem is King Kobi's attack, Stonebell. You must be careful with this attack because it can make your character stoned, luckily he can only uses the spell twice. Beside that problem, this fight is rather easy.

-----  
If you use destone potion on Goku.

Goku : Whew! Why did this have to happen to us? King Kobi, you're going to regret turning me into stone.  
-----

Kobi : How dare you attack me! Who are you?!

Goku : You stubborn fool. Cool down!

Gojo : Hey! That's enough! Let up on him.

Sanzo : If you don't mind, would you tell me what's going on?

Kobi : Three years ago a monk came to my country. I gave a permission for him to teach. His teachings were brilliant. I felt like I had been transformed. However, my son told me he wished to join the monk. I forbade it. One day he was gone. He'd fied through the window.

Gojo : So, why didn't you search for him?

Kobi : Of course, I searched! But I never found him. All because of that priest!

Sanzo : I understand your feelings. But is that a reason to kill priests? If your son heard this, he'd be terribly unhappy.

Kobi : So what should I do!? Who do I blame?

Sanzo : The Prince found a purpose in life, one he was willing to give up all else for. I'm sure he will return as an outstanding monk!

Kobi : Purpose...Give up all...

Goku : Yeah! You should try it yourself! You've got the head for it now.

Kobi : You may be right... I have been thinking only of myself. I didn't consider his feelings. I even had innocent priests killed... I have decided! I shall leave too. I shall pay for my crimes.

Sanzo : He left... Kind of strange, isn't he?

Goku : I didn't think he'd really do it. Can't even tell a joke when he hears one!

Hakkai : Does it matter? Maybe he'll meet his son during his travels.

Sanzo : That would be nice.

The problem is the enemy is up above so they have advantage when they attack you. Apsara and Vala is not that strong but you must beware with their attack. Vala is good at physical attack, he can hits you quite hard. Apsara have special attack that can charms you.

-----  
The first time they attacked you.

Vala : You're all pretty good. It's time for me to get serious.

Apsara : I really didn't want to do this to such rude people. Still, let me show you what I can do.

The first time you attacked them.

Vala : Uhhh!

Apsar5a : My love, are you okay?

Vala : Iy's just a flesh wound. Don't worry.

Apsara : How dare you wound my husband? You won't escape alive!

If you defeat Vala and Apsara.

Vala : I misjudged them. Apsara, let us return home.

Apsara : You go on ahead. I'm going to teach these rude people a lesson.

Vala : I understand. I'll leave it to you.

-----  
Goku : Quit acting like a child!

Ryarin : But...I still have chills... There's something wrong with them.

Sanzo : Stop it! Let's try to free the Guardian one more time.

Luna will appear again.

Luna : I am impressed! You got rid of those two.

Sanzo : Thank you. Getting back to what we were discussing... Who was that? Why do they want this staff?

Luna : I apologize. I cannot tell you at this time.

Goku : Why not? What's wrong with now?

Luna : You are not yet fully committed... committed enough to risk your lives. Also, I do not know how much Lady Kannon intends for you to do. In any case, Lady Kannon will tell you when she deems it necessary.

Sanzo : Wait!

Luna will entered your staff.

Hakkai : We didn't learn anything at all.

Kikka : Risk our lives? This might be more than we thought.

Goku : Throw it away! Those strange creatures attack because you're carrying that staff.

Sanzo : I can't do that! There'd be no reason to go to India!

Gojo : Hmm...this is beginning to sound very interesting. Now I want to go to India!

Hakkai : Me, too! I want to see this through.

Ryarin : Hey, if you don't want to go, you can always stay here.

Goku : Yeah right! You're the one that's always whining about going.

Kikka : Ha ha ha... Suddenly I feel better. Things are going to work out.

Sanzo : Yes! I'm sure they will.

Luna has entered the staff!

Strategy : Look at the rock beside Operator. It is just like Helmet Peak battle. They will push the rock if you directly one square of the rock. You can win this battle by defeating only Lady Tessen. Lady Tessen have an attack called FireFan. Be careful with this attack, it can hits large area and she can cast it 4 times. Conjuror can poison you too.

The first time Lady Tessen attacked your party.

Tessen : Wow, you're stronger than I thought. I like you. You are worthy of my effort.

If you defeat Lady Tessen.

Tessen : You are the first ones to ever beat me!

Goku : Hey, wake up!

Tessen : Don't touch me!

Goku : A viper that uses a magic fan... You're Tessen, aren't you?

Tessen : .....

Goku : Give old Cowface a message... Leave the priest alone, or face me!

Gojo : What? You're letting her go?

Goku : Cowface was like my brother. She's his wife. I can't rough her up!

Tessen : All right! I admit I lost! Still! Next time will be different! Priest, you just wait.

Hakkai : She ain't ever going to give up.

Gojo : She was waiting for us. That means that Rhinon's boss must be...

Goku : Yeah, I know. Cowface is getting too nig for his britches!

Sanzo : Why? Why should he want to eat me?

Gojo : Some believe that eating a priest's flesh increases our life span. Besides we got in his way. He probably needs to get rid of us.

Sanzo : We have to do something! They're probably making trouble in other places too. Goku! Won't he listen to you? Couldn't you talk to him?

Goku : Haven't a clue where to find him. We should have had Tessen lead us to him!

Kikka : we have to be more careful from now on.

Sanzo : I wonder who started that rumor about eating priests.

Tessen now in Taurus's castle.

Tessen : Hey, I'm back!

Taurus : What? Back already? And?

Tessen : What?

Taurus : The priest, you brought him, didn't you?

Tessen : Shut up! Do you see him here?

Taurus : No, but...

Tessen : Oh, yeah! Taurie! Son Goku is with that priest. That is one irritating monkey!

Taurus : What? He's out of his rock?

Tessen : What's the matter? You're not scared, are you?

Taurus : Why should I be scared of someone that's been sleeping for 500 years?

Tessen : Anyway, I'm going home. I'm worried about our boy.

Taurus : Wait a second...

Tessen : What? I'll be back soon. Don't worry! I'll take care of that priest.

Taurus : No, it's not that. It's about the boy.

Tessen : What? What about our boy?

Taurus : Someone came from the house. Said the boy hasn't been home for awhile.

Tessen : What? What are you doing here? Way aren't you out looking for him?!

Taurus : Calm down! He's not a baby. Don't worry so much.

Tessen : What a stupid thing to say. What if he was kidnapped? What would you do then? Anything's happened to him and I'll kill you. You call yourself a father. I'll leave you!

Taurus : Wait!!

Rhinon : Boss, shouldn't you go after her?

Taurus : Nah, she flies faster than me. Besides, I'd like to see the guy that could kidnap our boy!

Sanzo : Before we decide, I want to ask about the road ahead. It splits again.

Kikka : I'll go ask.

Kikka : How horrible. They're looking for two lost girls.

Goku : That's not what you were supposed to ask about!

Kikka : But the two girls went into the hills and never came out. Aren't you worried?

Sanzo : How long have they been gone?

Kikka : It's been eight days. Sisters, and they're only 10 years old. I hope they're okay.

Gojo : Hard to say. They couldn't find them?

Kikka : Well, they say that lately there have been monsters. They're too afraid to go look!

Hakkai : We can't just leave them! Sanzo?

CARDS  
-----

The purpose of the game is to get as close to 9 as possible in the 1's column. There are 4 piles. You can bet up to 50 medals per pile. After bets are made, the 2nd card is dealt and you decide whether you want a 3rd or not. After you are finished, it is the dealer's turn. When he is done the winner is decided. Winning nets you the number of medals you bet. Losing, of course, loses that number of medals. Your score is the number in the ones column after your card values have been added together.

The following combos increase bet money:

- [1] Sanzo + CHAR + CHAR's WERE = bet x 10;
- [2] 3 Guardians = bet x 5;
- [3] Guardian + CHAR + CHAR's WERE = bet x 2;
- [4] CHAR + CHAR's WERE = bet x 2.

If Sanzo appears without a combo, the pile total to that point becomes 0. In a tie, the dealer returns all medals bet.

PRIZE	MEDALS

Reikan : Princess, you wound me.

Ryorin : Aaaaaargh!!

Gojo : Won't you just calm down?!

Reikan : Calm down?! When my cherished Princess is almost lost to me? Calm down? You don't understand! I would rather die than be torn from her again.

Gojo : Well...All right, but...

Ryorin : Listen, Sanzo here is my boyfriend! That's why I won't go home yet!

Sanzo : What?

Ryorin : What are you acting surprised about? Tell him it's true!

You will be prompted with 2 choices: YES or NO.

If you choose YES.

Sanzo : Yeah, uh, we like each other.

Reikan : So, you are that kind of person! You can never tell from the way a person looks.  
How could you steal my fiance? This shall be settled later. Until then,  
farewell.

Sanzo : This is really scary!

---

If you want Reikan joined your party later in the game, choose NO.

---

Sanzo : Ryorin! Don't tell lies. You have to make him understand.

Ryorin : You mean you're just going to abandon me? Sanzo, do something!

Reikan : Princess, are you trying to push me away by telling me this lie?

Ryorin : Yes, please, just leave me alone!

Reikan : Okay, today I will retreat. But Princess, I will do anything to capture your  
heart! Don't forget that. I shall ponder on this. I look forward to our next  
meeting! Farewell.

Ryorin : Help! Somebody! Do something about him!

Goku : Well, let's just see what he comes up with!

Kinkaku : ooga...booga...ugg....gur.

Sanzo : A monster! This must be the one they were talking about.

Hakkai : If this thing got them, the girls didn't have a chance.

Goku : We'll take care of that thing now so it can't hurt anymore kids.

Strategy : You can win this battle by defeating only Kinkaku. If you like to gain some EXP, you can attack the henchmen first. Be careful with Kinkaku's attack. She can attack your party with a long range.

-----

If you defeat Kinkaku, she will turn into her human form.

Kinrei : Hummmph!

Sanzo : What? A girl?

-----

Goku : Hey! It changed into...

Sanzo : What? This couldn't be one of the missing children, could it?

Gojo : Don't be frightened.

Kinrei : Aaaah...

Kikka : Great! Are you all right?

Kinrei : Hey! I'm back! I'm back! What happened?

Sanzo : That's what we'd like to know. Who are you? How long have you been here?

Kinrei : I'm So Kinrei. I've been here about ...8 days, I guess.

Goku : What's going on? The kids we're looking for are human, right?

Kinrei : I am human! Even if I did turn into that. I tried to talk but no one understood.  
I didn't know what to do!

Gojo : .....

Sanzo : What happened? Did someone do something to you?

Kinrei : I was playing with Ginrei and we found this large gourd! We opened it and there was this great smelling water inside it! So we tasted it! That's when our bodies got bigger!

Hakkai : Sanzo, these kids...they've changed. They're Were, now.

Sanzo : What?! Can we cure them?

Gojo : There is no cure...

Sanzo : That can't be!

Kinrei : Oh, yeah! Could you help Ginrei, too? She won't come out of the cave where we found that gourd.

Sanzo : Okay! Come on everyone! Let's get going!

=====

Kinrei : Ginrei! It's me. Come over here.

Ginkaku : Uguuurhrh.....Agguuu.....

Kinrei : Don't be afraid! I'm telling you, it'll be fine!

Goku : Yeah, whatever. Still, why are there monsters around her?

Strategy : Quickly kill the Operator next to Gourd. Have Son Goku use Special CLOUD to attack the operator next to gourd. If you don't do that, your character will be sucked by the gourd one by one. You could win this battle by defeating only Ginkaku. Be careful with Ginkaku's attack. Her attack like Kinkaku, has a long range.

-----  
Turn 1

Sanzo : That one on the side of the gourd is controlling it! If we defeat that one, then at least we won't be sucked into the gourd.

Operator : You'll be the next to be sucked in. Thank you!

Hakkai : Me? Not me!

Goku : I'll kill you before I get sucked in!

Ryorin : Really. I just don't think that will happen!

Operator : It's time to pay the piper! Bye!

Goku : Hmmpf! Can that really happen?

If you defeat Ginkaku, she will turn into her human form too like Kinkaku and the gourd will be destroyed, revealing Kinrei.

Kinrei : At last, I'm out! I'm kind of tired.

Sanzo : Kinrei.  
-----

Kikka : Ginrei! Ginrei!

Ginrei : Aaaaah...

Ryorin : She's awake!

Gojo : This one's fine, too.

Kinrei : Ginrei! I'm so relieved! Are you okay?

Ginrei : Kinrei? How did we change back?

Kinrei : I don't know, but isn't it great?

Gojo : .....

Sanzo : Kinrei, thanks. You destroying the gourd thing helped!

Kinrei : Yeah! I was so worried about Gin that I had to do something!

Sanzo : Just what was that gourd, I wonder?

Goku : A gourd that dissolves anything it sucks in and changes it to magic wine...  
There's number of hermits and magicians that like to make stuff like that. They  
hide what they make. But they keep on making new stuff and forget about the old.

Sanzo : Girls...by any chance did you open something? Say a door or a treasure box...

Kinrei : Yeah! There was this strange door inside the mountain!

Ginrei : The rain was falling hard, so we were trying to find shelter!

Hakkai : Aaah...

Kinrei : Hey! Let's head home! Mom's probably worried about us.

Ginrei : ...But we're...

Kinrei : Doesn't matter! Let's go!

=====  
Kucha  
=====

Kinrei : Yeah! We're home!

Gojo : Sanzo, you'd better tell them that they aren't human anymore.

Sanzo : Yes, but what do I say? They're just little kids.

Kinrei : What do you look so sad about? Is it because we're monsters now?

Kikka : Huh?

Hakkai : You knew already?

Kinrei : Of course, we did! It's our bodies! But I'm still me. Ginrei and I are still who  
we were. Nothing has changed.

Ginrei : But Kinrei...

Kinrei : Ginrei! If you see yourself as a monster you really will become one. What has  
changed about us? We're the same as before! Right?

Gojo : .....

Sanzo : Don't worry! They'll be okay. They can handle it.

Gojo : Yeah, it seems that they can.

Kinrei : Mom! Mom!

Woman : Ginrei! Klnrei! You're safe. Oh, I'm so happy!!!!

Ginrei : These people helped us.

Man : I can't thank you enough for finding them! With all those monsters...

Kinrei : Yeah, and they trashed them all! Now there aren't any monsters.

Man : Thank you, oh thank you.

Sanzo : We're just happy both of the girls are safe.

Kinrei : Where are you going from here?

Sanzo : We are on our way to India. It is still very far.

Man : That's very far. When you leave the town, take the northern road. South is Dragon Cliff. 16 years ago the mountain crumbled. It's a wasteland.

Sanzo : 16 years ago? Was it because a meteor fell there?

Man : Yes, it's a scary story, but a star fell from the sky and broke the mountain.

Goku : I guess we know where to go next.

Kinrei : Hey, Ginrei, why don't we go with them?

Ginrei : What? Why?

Kinrei : We might be able to help. After all...well, you know.

Ginrei : But...

Kinrei : Who knows what would have happened to us if they hadn't come? Don't you want to repay them?

Ginrei : Yes, if we could be of help...

Kinrei : Well, that's settled then! Let's go!

Sanzo : What do you mean, "Let's go"?

Woman : What are you saying? This child...

Kinrei : It's okay, Mom. I won't forget to buy you a gift or two.

Sanzo : Please allow them to come. We will protect them.

So Kinrei has joined the party! You can see the details if you press O button.

So Ginrei has joined the party! You can see the details if you press O button.

At somewhere else, you will see two strange people.

Nagini : What's going on? Why aren't you trying harder to get that staff?!

Deva : What do you mean?

Nagini : Vala and Yaksa aren't taking this seriously. That's why they gave up so soon.

Deva : Well, that can't be helped. It's not their real job.

Nagini : Deva! If we went ourselves, we'd be done. Why don't we go?

Deva : Calm down, Nagini. You think this is something we have to handle? It's just a

human!

Nagini : It's not just the human. He has powerful friends with him. And as long as he has those Guardians he could cause problems!

Deva : Let him gather them all. We can take the staff then. I'm in charge. You'll wait for my instructions.

Nagini : I'm not listening to you anymore. I'll go myself.

Deva : Wait, Nagini! Do not defy me!

Nagini : Shut up! You're fine! You have nothing to lose if we fail! But me, if I fail, the entire dragon clan will be wiped out!

Deva : .....

Mahoraga : Nagini didn't even mention me! So she thinks I'm worthless, does she?! I'll show her. I'll dispose of this matter myself.

Ginrei : I won't overdo it. I don't want to be a burden.

Clerk : Make sure that you take good care of this child.

Kinrei : Everything is going to be all right. I'll be right by her side.

Gojo : I know a little about doctoring. I can usually take care of most illness.

Clerk : That's comforting to know. Well, take care.

Kinrei : Oh, Ginrei and I can handle it! We'll protect these people!

Ginrei : We will not bring dishonor to your dojo.

Master : I will pray for your safety!

#### IMPORTANT NOTE

-----  
The path will split into two. I suggest you take them both. In my faq, I will put both the route. First I will take the northern route: Windy Peak, after that I take the southern route: Cherchen. Here's the simple explanation: Windy Peak -> Cherchen -> Inns Town -> Dragon Cliff -> Tokhara.

Sanzo : What is this place?

Hakkai : I've been here before! If someone stands on this rock... Look, that rock comes up. If more people stand on it, more rocks appear.

Ryorin : It's true! How fun!

Sanzo : I wonder why it does this?

Hakkai : Huh? It was so fun I never thought about that.

Gojo : There's probably a pool of water below that makes the ground unstable.

Goku : Enough! Let's get moving!

Ryorin : What's wrong with trying to figure it out a little?

Goku : Hey! At this rate we'll never reach India.

Sanzo : Goku, sometimes we do need to enjoy ourselves a little.

Windy : So, you're Sanzo! It's not very smart to be playing in my territory.

A lot of enemies appear in front of you.

Windy : Catching you is going to make me famous!

Windy casts a spell that caused a whirlwind.

Sanzo : Just what is it with these guys?

Goku : Hey, are you one of Cowface's band?

Windy : You got it! I'm Windy. I am the right hand man of Old Man Nyoi!

Gojo : Old Man Nyoi? He's with Taurus, too?

Goku : Well that would put that idiot under me as well. Oh brother!

Windy : Fleas, you defile the name of Old Man Nyoi! There shall be no mercy for you!

Strategy : You can win this battle by defeating only Windy. But I suggest you defeat the henchmen first to earn some EXP. Beware with Windy's attack, StunWind. This attack has MAX range. It means he can attack you from far north to far south. And the most annoying part of this attack, there's a small chance your character will be numbed if he/she get hit by this attack. He can use this attack 5 times. Don't go approach your enemy. Let the enemy approach you. Put two persons in special place that can make the rocks come up to avoid Windy's attack. Kill all the enemies approaching you and last finish Windy to win this battle.

Sanzo : How are we going to avoid such a strong wind? You know. That wind hit the rocks and stopped. The more people on the rock with writing, the more rocks pop out. So if we keep behind the rocks while approaching Windy, we can beat him.

If you bring Kinrei and Ginrei in this battle.

Kinrei : I hope we can help out.

Ginrei : I'm sure you can!

Kinrei : Oh, remember that thing we practiced? Let's do that!

Ginrei : I fire an arrow at the bad guy that you are facing.

Kinrei : Then, if the arrow hits, I attack with my sword and cut him. We call it the Eight Star attack. Sounds strong, doesn't it?

Ginrei : If it works right...

The first time Windy attacks your party.

Windy : My magic is not like the others. Beware! Wind! Destroy my hated enemies!  
StunWind!

If you defeat Windy.

Windy : I can't have lost! Not me!

---

Windy : Aaah...

Goku : Tell me where Cowface is! Tell me and I'll let you go.

Nyoi : Windy! How could you lose like that?!

Sanzo : What! When did he get there?

Ryorin : Don't tell me he was there watching. The coward.

Nyoi : I'll help you! Ya!

Windy will disappear.

Nyoi : Hey! Sa Gojo! I remember you now! You killed my friend! You used to be human! A human magician! I'm going to avenge him! You just wait!

Nyoi will disappear too.

Sanzo : Used to be...human? You mean you're just like Kinrei and Ginrei?

Gojo : A bit different. At one time I was human though. A magician.

Sanzo : How did you become a Were?

Gojo : It happened 400 years ago, near Mire River. I went to destroy a monster nest. I finished them off. But a dying monster cursed me and sent my soul into a fish. I became a monster, a Were, one of those I had hunted up to then.

Goku : So that monster was Old Man Nyoi's friend then.

Gojo : Don't know... There's so many that it could be.

Hakkai : You surprise me. I never thought you'd smile telling us that.

Gojo : I'm surprised too. Not that I smiled, but that I talked at all.

Sanzo : I'm honored. Thank you for telling us!

Ryurin : This place is so boring! You'd never know we were so close to a town!

Hakkai : Don't say that. Peaceful places like this are good.

Kikka : That's true. Any place with trees and grass is a good place.

Bandit : This is my lucky day! Prey!

Goku : Not bandits again... Lucky? I don't think so.

Sanzo : Goku, don't hurt them too badly!

Goku : I know!

Bandit : Let's get out of here!

Goku : You're no match for us!

Ko : Thanks for showing me what you can do. I guess you're not bad.

Sanzo : What? Who are you?

Ko : I am Ko Horo. I am a friend of Lord Taurus.

Goku : What? Cowface has human underlings?

Ko : I'm not an underling. I'm a friend. I heard that a priest travelling with Were was causing him problems.

Goku : So you came to catch the priest! Easier said than done!

Ko : I don't have anything against monsters protecting humans, but how about this!

Ko changed Sanzo into a tiger.

Tiger : Rooooooooooooooooarrrrrr...

Hakkai : He changed Sanzo into a tiger!

Ko : If he gives you any trouble, feel free to kill him. But I get the corpse.

Goku : That's not funny!!

Strategy : This fight is easy. Don't kill Tiger Sanzo. Just kill the bandits, thieves and Master Ko. Master Ko's attack is not strong but he can shoots you from 5 blocks away. I suggest you attack Master Ko with magic because he can use spell Ironskin to increase his defense. Physical attack only make small damage.

-----  
Turn 1

Goku : Sanzo is Sanzo, even though he's been changed into a tiger. Even if he attacks us, don't attack him back. Be careful! If you kill Sanzo, it's all over!  
-----

Ko : I lose, so kill me.

Goku : I don't care if you live or die. Just change Sanzo back!

Ko : Oh, I had forgotten.

Master Ko changed Sanzo back to his formerself.

Sanzo : Huh? What's going on?

Gojo : He doesn't remember a thing. Don't worry! It's over!

Sanzo : Why are you helping Taurus? Do you know what he's trying to do?

Ko : Of course I do. So? Humans called me a sorcerer and tried to kill me. But Taurus...  
he befriended me. What's wrong with helping someone you like?

Ryorin : What? So if you're helping someone you can do whatever you want?

Goku : Whata fool! You're only thinking of yourself.

Sanzo : If I had a friend and he was doing something bad, I'd stop him.

Ko : Even if you'd lose that friend? You think you could do that?

Sanzo : I don't know... Still, I'd wouldn't just ignore his actions.

Ko : If you're not going to kill me, will you let me go?

Gojo : What are you going to do...go back to Taurus?

Ko : No, I need some time to myself.

Ryorin : He seems awfully sad.

Hakkai : I kind of understand what he's feeling. But it's still not right.

Kikka : Still, I get the feeling he's changed.

Goku : Oh no! I forgot to ask him about Cowface.

Hakkai : He's gone already! That's too bad.

Sometimes he can silences(can't cast a magic) you too. Surround him from 4 directions. That's the easy way to kill him. After you defeat him, he will change into Tree Lord. Sanzo : Hahaha... So that's why you didn't want to come.

Ryorin : Kikka! We were so worried about you... We thought you were going to die.

Kikka : Thank you for everything, grandpa.

Sanzo : What!?

Hakkai : What do you mean grandpa?

Genshi : Kikka is my granddaughter.

Kikka : ...Is there a problem? I never knew that you were my grandfather's student.

Hakkai : Teacher! Why didn't you ever tell me?

Genshi : We tree spirits hardly ever leave the place of our birth. Kikka was born after

Hakkai : No, no! Don't do that! It wouldn't feel right!

Kikka : And I thought I had finally gotten an older brother...

Genshi : Anyway. It was Sanzo, wasn't it? Just why are you travelling around with Hakkai?  
You're human, aren't you? Aren't you frightened of us? Or are you trying to use

Sanzo : Never! That never even crossed my mind.

Genshi : Really. Then you're different than other humans I know. Hakkai is a good kid. I guarantee it. Please treat him right!

Sanzo : Of course! Actually, he's the one that is treating me nice. Right now, I am not even worthy to be called a companion.

Hakkai : Sanzo! That's not true!

Hakkai : Wait a minute! I've been with Sanzo for a few months now. Master, I win! It doesn't have to be a store, right? You owe me 10,000 gold!

Genshi : Hakkai! That bet was made for your own good. I wanted you to hurry up and get used to the human world. I was encouraging you.

Hakkai : Yeah, you say that. But you've been taking my money!

Genshi : If I didn't, you wouldn't try as hard.

Hakkai : That's enough. Now about the fruit...

Genshi : Okay, I'll carry it for you. Besides, I want to see if it works.

Ryorin : Do you think that fruit will cure her?

Hakkai : If my teacher says it will, you can be sure it will.

Kikka : I'm sorry that I worried everone.

Genshi : Wow, looks great, doesn't she? That fruit is pretty strong.

Ryorin : Kikka! We were so worried about you... We thought you were going to die.

Kikka : Thank you for everything, grandpa.

Sanzo : What!?

Hakkai : What do you mean grandpa?

Genshi : Kikka is my granddaughter.

Kikka : ...Is there a problem? I never knew that you were my grandfather's student.

Hakkai : Teacher! Why didn't you ever tell me?

Genshi : We tree spirits hardly ever leave the place of our birth. Kikka was born after you set off on your travels.

Kikka : So do I get to call you brother from now on?

Hakkai : No, no! Don't do that! It wouldn't feel right!

Kikka : And I thought I had finally gotten an older brother...

Genshi : Anyway. It was Sanzo, wasn't it? Just why are you travelling around with Hakkai? You're human, aren't you? Aren't you frightened of us? Will you tell me why?

If you choose They're my friends! Choose this if you want Chin Genshi joined your party.

---

Sanzo : Never! I've never thought them to be scary! Maybe I'm the only one that thinks so but is consider them friends. What I'm scared of is if they get tired of me. I am so lucky that they are coming with me.

Genshi : Is that so.... Friends....

Sanzo : That's just my own opinion.

Hakkai : Sanzo, don't say just! You're the only one that thinks that way!

Goku : Is that something to start crying about? If we're not friends, what are we?

Hakkai : True, but no one has ever called me friend before.

Goku : It's not something you come out and say. We're friends. Why say it out loud?

Sanzo : Sorry, I'm getting a little embarrassed.

Genshi : Hmmm... friends...that's good.....

Goku : What! Now he's crying!

Hakkai : See even Teacher was touched.

Genshi : Hakkai, I've decided! I have to go with you.

Hakkai : Teacher!

Sanzo : Uh... We'll be glad to have you along....

Chin Genshi has joined the party! You can see the details if you press O button.

---

If you choose I depend on them!

-----  
Sanzo : That might be true. Yeah, but they're so nice and dependable. I am the one that's not holding up hie end. I realize that I have to better.

Genshi : I see. You are different from other humans. Hakkai, Kikka. Looks like you've found some good friends. Good luck!

Hakkai : Leave it to me!

Kikka : I know, Grandfather.

Genshi : Well, should I give some parting gifts to my grand daughter and my student? Okay, take this along with you!

You have obtained the angel fruit.

Sanzo : Isn't this the Angelfruit? Is it all right to accept this?

Genshi : It's mine! If I say you can have it then it's okay!

Hakkai : Teacher, you could have done that earlier!

Genshi : Ho Ho ho. Take care and farewell. Us old folk are going home!

Gojo : Sanzo, is this the place? You know, where the Guardian is supposed to be.

You will see something shiny at the top of the mountain.

Sanzo : It's at the top of the mountain. I felt a strong response.

Hakkai : Do we have to climb all the way up there? It's so high.

Goku : Come on! We're almost there.

Hakkai : My legs are killing me.

Ryoin : If it's just Sanzo, I can change shapes and carry him up on my back.

Sanzo : No, I wouldn't want to impose.

Ryorin : Don't worry about it.

Sanzo : All right then. Thank you.

Kikka : But what if those people come again?

Ryorin : You're such a worry wart. It's okay. I'll be with him. We'll be fine.

Ryorin will changes into her Were form, Bronze Dragon.

Sanzo : We'll be right back.

Ryorin : See that didn't take long at all.

Sanzo : Thanks, that was a big help. No doubt about it. There is a Guardian here.

A Guardian will appear in front of Sanzo.

Cavalier : So the time has come. What is your name?

Sanzo : I am called Sanzo. I have come to take you home.

Cavalier : I am the Cavalier, Jiro Shingun. I came with the others from heaven.

Sanzo : Lord Shingun, may I ask you a question? There are people other than us who are searching for you. Mahoraga, Yaksa, Vala, Apsara...have you heard of them before?

Cavalier : So they followed us here. They are nothing if not persistent. Sanzo, those are Devils. They oppose the Lord Buddha. They bring destruction.

Someone will try to attack you.

Cavalier : It appears they are not going to give us time to talk about it. They have followed you here. Let me into your staff.

Sanzo : Yes, sir!

Cavalier has entered the staff!

Someone will appear in front of you.

Nagini : What?! He's already in the staff? Well, that's all right. Just give me the staff. It's the same thing.

Sanzo : What? Just who are you?

Ryorin : Sanzo... this is...

Nagini : Aren't you the daughter of the dragon king?

Ryorin : Lady Nagini, what are you doing here?

Sanzo : Ryorin, do you know this person?

Ryorin : This is Lady Nagini. She is of the blood of the first dragon.

Nagini : Daughter of Dragons, believe me. The fate of all dragons is in the balance. Take

Strategy : You can kill the henchmen first to gain some EXP. Nagini is good in magical attack. So you must watch out with his magic. Heal if you low on HP.

Nagini : Well, I guess I underestimated you.

Ryorin : Lady Nagini, why aren't you in heaven? Why are you after this staff?

Nagini : I will not explain myself to a traitor! If I don't get the staff, the dragon race will be destroyed.

Nagini will try to grab the staff.

Sanzo : Hey!

Goku : No!

Nagini : Aaaaaaa! Kannon!?! You and your tricks... remember this! Dragon revenge is certain against those who shame us!

Nagini will disappear.

Goku : Devils? We've got some tough people after us.

Sanzo : Goku, just what are they?

Goku : They are beings of great power from the Pits. Heaven never lets them escape.

Ryorin : That's not true! Lady Nagini is no devil! She bears the purest blood of the dragons. Do not say such things about her.

Gojo : But that Guardian, Cavalier, said they were Devils.

Ryorin : I don't believe him. I'll never believe that!

Kikka : Didn't she say that the fate of the dragon was at stake? If she doesn't get the staff the dragons will be destroyed. Is that what it means?

Hakkai : I've got a real bad feeling about this. I don't know if I want to continue.

Sanzo : It doesn't matter.

Ryorin : What?

Sanzo : It doesn't matter. I still have to go to India.

Gojo : You're right.

Goku : Let's not sit around. Let's get to India and make Kannon tell us about it. Ryorin, hurry up! Quit your crying or we'll leave you here.

Ryorin : Who's crying? I wasn't crying! All right, everyone. India is still far away.

Sanzo : Yes, you're right. All right, everyone. Let's go.

Hakkai : Shouldn't we at least ask about the travelling conditions?

Sanzo : You're right.

Ryorin : I'll go. I'll go ask!

Goku : Make sure to ask about the meteors.

Sanzo : I wonder why Lady Kannon hasn't told me anything about all this stuff?

Goku : She's always like that! Always keeping secrets...

Kikka : Goku, what are you saying> you shouldn't talk that way about Lady Kannon!

Goku : Yeah, yeah. I'm sorry!

Ryorin : The person told me that there is a kingdom called Pteron up ahead.

Sanzo : What type of place is it?

Ryorin : Well, he didn't really say anything specific about it. He also said that we can't go through Cloud Mountain on the border of India.

Sanzo : Can't go through? Why?

Ryorin : He doesn't know. He said no one who has gone that way lately has come back.

Goku : In other words, you didn't get anything useful!

Ryorin : It's nothing to get mad about! The guy didn't know anything more!

Sanzo : What about the meteors?

Ryorin : He said one fell at Dragon Cliff.

Goku : We've already been there. That doesn't help us.

Sanzo : Goku, it's okay. Now we know we have to be careful going through Cloud Mountain.

Ryorin : See, it was helpful.

Goku : You call that helpful! That isn't even...

Man : Excuse me, that pan on your back. Are you a chef?

Hakkai : Yes, I am. Why do you ask?

Man : Sorry, may I ask one more thing? Are you from China?

Hakkai : Yes...

Man : Actually, my father used to cook at the palace in China. While there, he became very picky. He would eat nothing but what my mother made. The other day, my mother died. So, he hasn't eaten anything since.

Hakkai : If my cooking can be of service, then I will gladly do it.

Man : Father, I've found a chef from China.

Elder : From China? I'll tell you now - I will only eat fried rice, eggrolls, and mongolian beef. And after dinner I want Chinese jelly!

Hakkai : Ho ho ho. What a coincidence! Those are all the recipes I've collected on our trip! Here you go!

Elder : These eggrolls...they've been cooked at just the right temperature! The fried rice has just the right amount of pepper! This mongolian beef is perfect! This Chinese jelly is so sweet, it melts in my mouth! I am thankful to be alive. I

thank heaven for the chance to eat this food. I would like you to have this.

Hakkai : This is that legendary recipe book, the Chef's Paradise.

Elder : Long ago, I was given this by the Emperor himself. I no longer need it.

Hakkai : I shall treasure this forever. I shall become the best cook in China.

Pyric : How do I become a Devil? Everyone I ask, just runs away! All they have to do is teach me how. There's gotta be a way.

Mahoraga : It's not that there's no way...

Pyric : Huh? Who are you? How long have you been standing there?

Mahoraga : You look a step up from all the other trash around here. You may have some potential.

Pyric : You? Are you a Devil?

Mahoraga : I am. Just what are you willing to do for me to make you a Devil?

Pyric : I'll do anything! Anything, really!

Mahoraga : There's a priest named Sanzo who travels with a group of monsters. I want his staff.

Pyric : Is that all? Couldn't you do it?

Mahoraga : You expect me to do something so menial? I don't care what you do with the priest and the others. Just bring me the staff!

Pyric : I understand. Just leave it to me.

Mahoraga : Wait! Before you go I will awaken your sleeping power. In the name of Asura, I call upon the Pit's scorching flames to bathe this child!

Mahoraga will cast a spell on Pyric.

Pyric : What is this power swelling inside of me?

Mahoraga : That is your true power. It was locked deep within you.

Pyric : Oh, yeah, who's Asura? A friend of yours?

Mahoraga : Don't speak that name so lightly! He is the master of all Devils.

Pyric : Oh! I wish I could meet him. Please thank him for me!

Mahoraga : Hmm, he'll make an excellent pawn. I'll show Asura that my way is better than Nagini's. snakes are not weaker than dragons. May her and her dragons all be destroyed. If I get that kid to take Nagini's place, it will be a lot easier for me. Ha ha ha haha! Ha ha ha!

Sanzo : Is that so? Then maybe we should go slower tomorrow.

Ryorin : Yaaaaaaa!

Sanzo : That sounded like Ryorin!

Goku : It came from outside!

Sanzo : Ryorin! What happened? Get a hold of yourself.

Ryorin : A ghost... Sanzo! I saw a ghost in the well!!

King : So, you can see me...

Ryorin : Yaaaaa!! There it is again!

Sanzo : He's dressed very well, almost like a king.

King : I am the king of this kingdom. Stuck now in this form...

Goku : King? When were you the king?

King : Up until last month. My minister advised me to secretly explore the town. I was resting at this inn when my Minister turned into a monster and took my body! He drove my soul out, and now I must linger as a spirit.

Sanzo : Then the King in the castle is a fake!

King : I beg of you to go get my body back from me. I'll give you anything you ask.

Sanzo : You don't have to give us anything. We'll take care of the monster. Leave it to us.

Goku : I had a feeling you'd say that. Tomorrow we'll go to the castle.

King : Please...I will be grateful...

Ryorin : How can you be so calm? Aren't you scared?

Strategy : This place is very annoying. You must make a turn around to reach the BOSS and every turn the floors start falling. Have Sanzo summon Cavalier and Goku use Cloud to get out from the surrounding trap. Then have Sanzo and Goku help the other escape from the trap. Master Baa is not too hard to defeat but you must be careful with his magic. Heal if you low on HP.

Baa : I spent years conceiving this trap! Just how long do you think you can avoid it?

If you defeat Baa.

Baa : But that was my greatest trap! I won't believe it! It can't be!

Goku : Whu are you impersonating the king?

Baa : All right, all right! We anted a kingdom controlled by Were.

Sanzo : By Were? What for?

Baa : Because Were are better than humans. What's wrong with the strong governing the weak?

Goku : You idiot! You're saying the strong should do what they want with the weak. So I can kill you and you'll have no complaints.

Baa : No! Please, no!!

Hakkai : It's monsters like you that make humans fear us!

Gojo : But why did you send for us? Are you one of Taurus's?

Baa : Uh, uh...

Goku : You were told to capture Sanzo, weren't you?!

Baa : Yes!

Goku : Tell me one more thing. Where is Cowface hiding?

Baa : Storm Mountain...

Goku : All right. You pass the word to Cowface. I'm coming after him.

Goku : Taurus, you idiot, what are you thinking?

Sanzo : Why control humans? I mean, they're weak, but still...

King : Ah...what? where am I? I've returned! I wish to thank you. Thanks to you, I've returned to my body.

Sanzo : You're welcome. But now we must now be on our way.

King : Please wait! At least let me thank you properly.

You have obtained a white gold armband.

Sanzo : We thank you for your gift. We must take our leave.

At Taurus's Castle.

Rhinon : And? That's all you have to say for yourself Baa?

Baa : Please! No one would have thought the trap wouldn't catch them!

Nyoi : You fool! The fact is that it didn't work!

Taurus : And what gives you two the right to yell at him? Nyoi? Rhinon? I recall you two failing as well!!!!

Nyoi : P..p..please forgive us!

Taurus : Just my luck...to have worthless lieutenants. So, they've already passed through Pteron?

Baa : Yes, they have.

Taurus : That means they'll be here at Storm Mountain soon. Baa!

Baa : Yes, Lord!

Taurus : From today, you start helping these idiots.

Baa : And what shall we be doing?

Taurus : You will build a trap, bigger and better than that pathetic one at Pteron Castle. And it better be done before they reach here...or else! Understand? So, get to work! If it isn't ready, you die!

Rhinon : Yes, sir! Right away!

Tessen : Aaa...aa...aa

Taurus : Have you found the kid?

Tessen : Does this face look like I found the kid?

Taurus : Why did he have to run away now when I'm so busy?

Tessen : You know, you could help find your son!

Taurus : I'm busy!

Tessen : Who's more important? Your son or that priest? Be careful how you answer this!

Taurus : Would you calm down! He's not a normal child. He's not going to be hurt very easily.

Tessen : That's true, but...

Taurus : I'll send more of my men to search. Will that satisfy you?

Tessen : Well, I guess so.

Taurus : You get some rest. You hear me?

Tessen : ...all right...

Deva : No, you listen! That staff will be Asura's! Your plan ends there!

Kannon : Deva, you're not a bad person. No matter how hard you try.

Deva : I'm not bad? We will destroy Buddha! To you, that makes us bad now, doesn't it?

Kannon : Then why have you not given me to Asura? It's as if you're protecting me somehow.

Deva : Silence! Return to your gem!

Nagini : Deva, what are you doing here?

Deva : Nagini, are your wounds healed?

Nagini : No problem. Does Mahoraga know anything more yet?

Deva : He hasn't returned. He's still in the human world. Never mind him. How come you haven't left yet?

Nagini : Deva, did I hear you say that it would do better if we didn't get the staff?

Deva : That's not what I said. I will take care of it. Return home!

Nagini : Why are you making that face? You must have some reason.

Deva : Reason? Well, maybe it's because I used to be a human. What if I wanted to help the humans like you desire to help the dragon family.

Nagini : Don't be so stupid! If you betray Asura, even you won't be let off that easily!

Deva : I understand that perfectly. That's enough. Now go!

Sanzo : There is still a long way to Storm Mountain.

Gojo : We are approaching enemy territory. We need to be careful.

Goku : It's possible that Cowface might show himself, but it's too early to say.

Gojo : I don't think that he will show here. He's probably waiting at Storm Mountain.

Sanzo : Why? What makes you so sure?

Gojo : He has more of an advantage if he stays where he is. They will have nowhere to retreat. They will fight cornered rats.

Sanzo : Taurus is not the only one. I'm worried about the Devils, as well.

Hakkai : They only show up where we find a Guardian. It should be okay, shouldn't it?

Kikka : Ryorin...

Ryorin : I'm okay. I just need to talk to Lady Nagini if we ever meet again.

Pyric : Don't come any closer! Monk, are you the one called Sanzo?

Sanzo : ...Yes...How do you know...

Hakkai : Were...you're one of Taurus's, aren't you?

Pyric : Don't associate me with that cow. I just want that staff, so hand it over quickly!

Sanzo : Staff? Why do you need the staff?

Pyric : It's none of your business but I was asked to get it. Now give it to me!

Goku : You expect us to say, "Yes, thank you" and hand it over. Get out of here, kid!

Pyric : Kid? I'll make you respect the power of this kid!

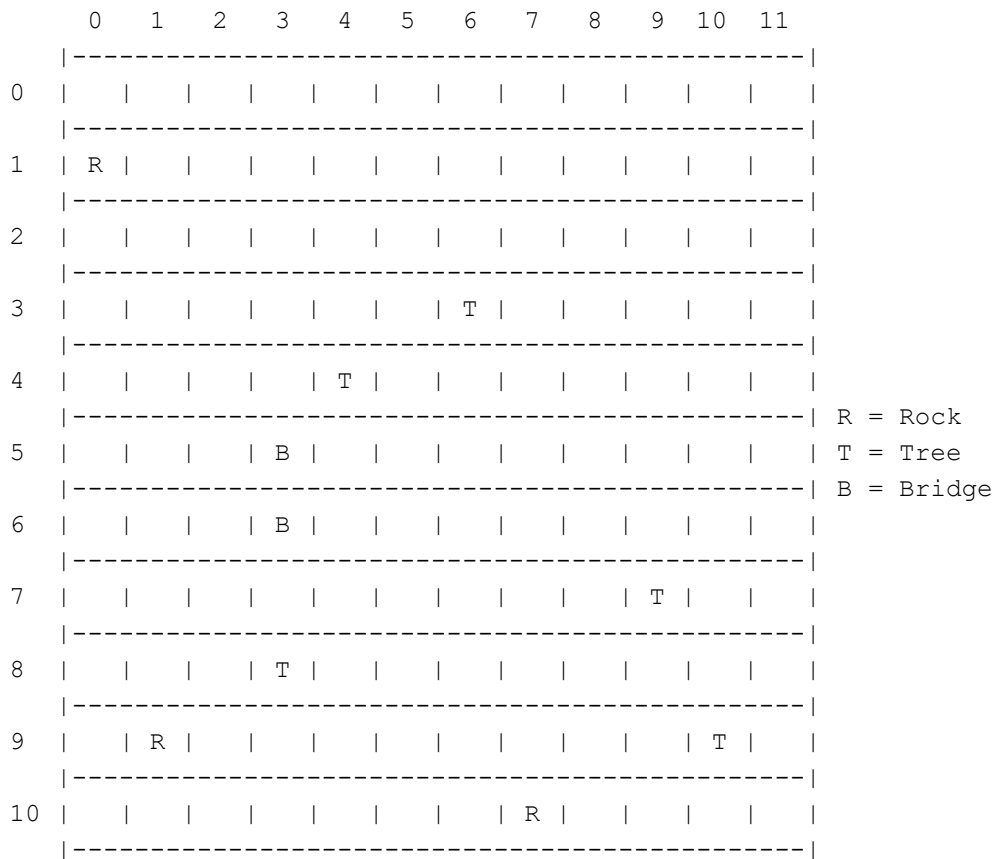

#####  
Battle 24  
#####

Place : Deadman Gorge

Objective : Defeat Kid Pyric

Enemies : 3x Lizardman  
          3x Operator  
          2x Ghoul  
          1x Kid Pyric(BOSS HP: 510 MP: 306)

Treasures : Charm of health(9,7)  
            Charm of defense(6,3)  
            Kings Helmet(0,1)

Strategy : Don't drop the bridge! That's the easy way to get to the other side. Believe me, the enemies on the other side of the bridge can attack you from far away. Kid Pyric will not cross the bridge so you must cross the bridge to kill him. Have Sanzo summon Luna because he can attacks enemies from far away. Finish the enemies on your left first then kill the enemies crossing the bridge. Be careful with Kid Pyric's attack, Firebomb. This attack can damages a large area.

-----  
The first time Pyric use Firebomb.

Pyric : You're stronger than I expected. I like you! I'm going to let you see what few ever do. Firebomb!

If you defeat Kid Pyric.

Pyric : You are the first to ever do this well against me.

---

Pyric : I let you win! I let you win! Remember that!

Goku : That kid's pretty quick, running away.

Hakkai : That kid...he's a Were, right? What's he want the staff for?

Kikka : Just like the Devils. He said he was asked. You don't think they've teamed up, do you?

Sanzo : Devils and Were? Why should they do that?

Gojo : I can think of a few reasons. Probably made some kind of deal.

Goku : For power, or a weapon, or an item, or anything.

Sanzo : But what do the Devils get? Why should they make a deal?

Ryorin : Lady Nagini couldn't touch the staff. Maybe the rest of them are the same.

Goku : What are those slackards in Heaven doing?! Why are they letting Devils run loose?

Ryorin : Lady Nagini... You were in heaven. What happened?

=====

Goku : Cowface, the idiot! He collects tribute from this village in food and supplies, if they don't like it, he kills them. He wasn't that way before.

Sanzo : Do they know anything about Storm Mountain?

Goku : According to them, he lives in a big cave. But no one knows what it's like inside.

Gojo : Let's make some preparations before we go on!

A conjuror will attack Ryorin from behind.

Ryorin : Yaaaaaaaa!

Ryorin were captured by them.

Sanzo : Ryorin!

Reikan : It's a pleasure to see you again! I've decided to take back the Princess.

Goku : Is that all you could come up with?

Reikan : It appears it will take some time for the Princess to understand. We need to spend some quality time together, so I'm taking her back home!

Sanzo : Wait!

Kikka : Wait right there! You say you love her, but have you considered her feelings? No

one can love someone who thinks only of themselves.

Reikan : I don't understand what you are saying. I think only of the Princess. No one loves the Princess as much as I do. She will understand. In time... Farewell!

Sanzo : They're gone. What should we do?

Gojo : He'll follow the river to the sea. In any case, he'll return through Tokhara.

Goku : After them!

Sanzo : We found them in places on our journey.

Elder : What, I don't believe it! You've gathered the treasures of Emperor. Only one is missing. And that one is not going to be easy to get.

Sanzo : Sir, do you know where this last one is?

Elder : Actually, I use to have it. But... When Taurus's band attacked us they broke into my home and took it to Storm Mountain.

Goku : Oh, Storm Mountain, huh? Would you like us to get it back for you?

Elder : Nah, I don't need it anymore. That was the reason my house kept getting robbed.

Goku : So, if we find it, we get to keep it. Are you sure?

Tessen : What're you saying? What if he was kidnapped? My baby...

Sanzo : If you promise to be good, we'll help you look for your son.

Goku : What? Why should we do that?

Sanzo : She's worried. You said Taurus was like your brother. The child is your nephew.

Goku : Nephew, huh? I guess that's true.

Tessen : Really? You'll really help me look for him?

Sanzo : Yes, but first we have to go talk to Lord Taurus.

Goku : Yeah, we have to make sure he stops bothering the humans.

Strategy : Can you imagine all the bosses you have fought were in this battle? One is quite hard but six of them. Windy use StunWind that can numbed you. Baa use magic attack. Tigra use ThunderStrike. Nyoi use LifeSteal that can absorbed your HP and numbed you. Fake Sanzo(Jiko) will heal all the enemies. Rhinon use IronRing that can make your OFF down. What matter worse, there is a rolling ball that can make a lot of damage. Bring a lot of healing+ potion in this battle and heal if you low on HP.

-----  
Nyoi : Ever since Chin Lodge, you've been getting in my way. I shall repay you now for all the humiliation!

Baa : I've been waiting for this day since you drove me from Pteron Castle! This time you shall not avoid my trap!

Rhinon : Yeah, you got luck at Mire River. You just wait, I'm gonna repay you in full!

Sanzo : The ball comes out of that dragon head over there. Those small bridges that connect the long halls rise and fall. You have to carefully determine the ball's path before you move.  
-----

Nyoi : You are strong. I have to admit that.

Rhinon : But you still don't stand a chance against the boss.

Baa : Well so much for the opening act. We're out of here!

Nyoi : Let's go!

Ryorin : They ran off!

Nyoi : Oh. I almost forgot! We can't be making it too easy for you, now can we? See ya...

Gojo : I can't believe how petty some can be!

-----

Tessen : Give it up already! How long are you going to keep doing this? Just give it up!

Taurus : Quiet! Is that kid all you care about? His safety is everything?

Tessen : Yes! Who cares about the humans. Our son is more important.

Taurus : I said quiet! I don't care if you are my wife. I'm not giving this up!

Sanzo : Have you been fighting this whole time?

Goku : Hey, Cowface! You've gotten pretty old in 500 years.

Taurus : You stupid monkey! Don't think you can come in here and lord it over me like  
before.

Goku : What's going on? You suddenly get aspirations of becoming King of the humans?

Taurus : Exactly. Humans should be our cattle.

Sanzo : Why would you want such a thing?

Taurus : Monkey, you've noticed it, too. Something has changed in the past 15 years.  
Heaven is in turmoil. Our power grows stronger and stronger. This is our time! I  
will be KING!

Goku : You fool! You, king? Don't make me laugh.

Taurus : Goku... Unlike humans we were are few in number. I need as many friends as I  
can. Why don't you join me? I'll make you my General.

Goku : Don't be an idiot. Haven't you heard a word I've said?

Taurus : I guess our conversation is over. If you're not with me, you're against me.

Taurus : I'm sorry about before! Are you okay?

Tessen : Please let it go! Who wants to rule humans anyway? Let's go back to how we were before. We used to have fun together! I don't want you to die for somethink like this! Don't leave the boy and me alone!

Goku : Hey, Cowface! Let Were be Were and humans, human. That's better all around! There's always someone stronger. Who cares?

Taurus : Sorry! I guess I went a bit crazy!

Sanzo : I'm so happy! Okay, now let's go find your son!

Taurus : Huh...why should you help with that?

Sanzo : We promised your wife. She was pretty worried.

Taurus : You're strange for a human. Well, I guess that's what Goku sees in you.

Pyric : Pops... Looks like you haven't changed! You're still a loser!

Kid Pyric stole your staff.

Sanzo : Hey, my staff!

Pyric : Thanks for the staff! See ya!

Sanzo : What!? Wasn't that... Pops? You mean that was your son?

Goku : Don't just stand there! He took the staff!

Taurus : What happened to that kid!

Tessen : Honey! Let's join the search! Our boy was acting strange!

Taurus : We'll go with you! It's our son! We can't just sit by and do nothing!

Sanzo : Thank you. We can use your help!

Taurus : Okay! He's pretty fast so we'd better get going!

|=====|

Kannon : Deva, can you hear me?

Deva : Come out.

Kannon will appear in front of Deva.

Deva : What do you want?

Kannon : I wish to ask you something. If you truly wanted to, you could easily take the Guardians! But you're not. Why? What is your reason? In truth, it feels more like you don't want them taken.

Deva : Asura commanded me to get the Guardians. So I will get them. But even without the Guardians, there is nothing that can stop Asura's plan. I simply dislike putting effort into something that has no purpose!

Kannon : Deva, that is not entirely true. There is something else. It feels to me...like you are hiding something!

Deva : Let us talk of the past...

-----  
Deva : The fighting is over! ...what a waste...

Deva : Woman! If you had only stayed hiding, I would have let you go!

Deva will killed the woman.

Deva : What did you have there? ...a baby... She was trying to protect...a baby.

-----  
Deva : That child was Sanzo. I killed the mother. I didn't want to kill the child as well... Conscience, if you will...

Kannon : How do you know that was Sanzo. Are you the one...?

Deva : Enough! Return to your gem!

Kannon : Deva...wait...

Lady Kannon will be back into the gem.

Yaksa : I saw that Deva!

Deva : Yaksa! What are you doing here?

Yaksa : Lord Asura is angry that you are taking so long. Now he'll be even more angry! Not only did you balk from killing a little brat, but you have been hiding Kannon.

Deva : Tell him if you like.

Yaksa : You think our Lord Asura likes you. But even you won't get away with this! You know, that's one of the things I really dislike about you! You were nothing but a human, spilling your guts out on the battlefield!

Deva : Asura...what will you do?

=====

Sanzo : We lost him!

Goku : He couldn't have gotten much farther than this. He's here somewhere.

Taurus : I can't feel his presence. He must be hiding in a hole somewhere.

Tessen : Should we split up and look for him?

Goku : No! We should stay together in case we get attacked.

Kikka : I'll ask about any good hiding places in the area.

Kikka will ask the townspeople.

Kikka : Three years ago there was an earthquake. A village was completely destroyed.

Goku : What does that have to do with anything? Is there any place to hide around here?

Kikka : Oh, sorry! The earthquake made large caves in the mountain.

Sanzo : Then, that must be where he is.

Kikka : The lava flows inside the caves make it very dangerous.

Gojo : Not lava again...

Goku : It's probably pretty hot. Gojo, why don't you leave this one to us?

Gojo : No way! I'm going, too.

Pyric : You don't have to yell, I can hear everything you're saying!

Sanzo : Give me the staff back. Even if you have it, you can't use it.

Pyric : You're wrong. I need this so I can become a Devil.

Tessen : What are you saying, child?!

Taurus : How are you going to become a Devil?! You don't know what you're talking about.

Pyric : Be quiet! I'm not like you. I'm tired of being a monster. I will become a Devil, and I will be stronger than ever.

Taurus : You're being foolish.

Taurus will hit Pyric and the staff fall down to the lava river.

Pyric : No!

Taurus : You dropped it!

Sanzo : That staff was important. I got it from Lady Kannon.

The staff will be floating from the lava river.

Sanzo : The staff... It's come back to me.

Goku : Wow, that's some staff. I'm surprised it didn't melt.

Sanzo : It's not broken and it's not even hot! I'm so relieved!

Pyric : Give it back!

Taurus : Stop kid, it's not yours.

Pyric : I'll get that back no matter what!

Strategy : Defeat the closest enemies first. Dinoman is very annoying because it can

shoot from greater range and do a lot of damage, kill it as fast as you can. Every turn you will earn damage 10 points HP because of the extreme heat. After you kill all the enemies at the top, move one person to the elevator(6,4) and go down. The enemy will come approaching you. If you have archer above you can shoot them easily to make a major damage. Do this to Kid Pyric as well.

-----  
Turn 1

Pyric : Mom, how come you're here?

Tessen : It's my job as a mother to take care of my son. That, and I owe this priest. Come back! I'll smooth things over with your father.

Pyric : Sorry, I can't do that! My future is hanging on this! I'm sorry, mom.

Tessen : Why? Where did I go wrong?  
-----

Pyric : Aahhh. Dang it!

Tessen : Baby! Are you okay?

Taurus : You idiot! I oughta pound you!

Tessen : Honey, don't scold him! It's not his fault, someone tricked him!

Pyric : Shut up! I'm going to be a Devil! I'll be stronger than all of you!

Tessen : Give it a rest! You're my baby boy! Don't be stupid!

Sanzo : How were you supposed to become a Devil? Who did you talk to?

Pyric : I didn't ask his name. It was a guy with green hair...his face was half covered...

Goku : ...Mahoraga...

Kikka : Do you realize what you're saying? Do you want to be the enemy of Buddha?

Pyric : What's wrong with that? I want to be strong!

Taurus : You blame fool! Take this!

Pyric will be disappeared.

Pyric : Asura!

Tessen : What did you do with him? Where did you put him?

Taurus : I put him in this gem! Let him cool off in there!

Sanzo : Who's Asura?

Goku : Don't know... A Devil?

Kikka : How many people died here...

Goku : Let's hurry up and get out of here.

Mahoraga : Leaving already!

Sanzo : Mahoraga! I'm not giving you the staff!

Mahoraga : Well, looks like the kid screwed up. And I had such plans for that boy.

Ryurin : Your plans don't matter at all.

Mahoraga : Oh, is that so? Remember, it was he that wanted to join us. But it doesn't matter. You've become a distraction. You're going to die here.

Hakkai : Aren't you forgetting something! The staff... You can't touch the staff!

Mahoraga : I don't have to touch the staff. That's what thses others are for. I didn't really want to do this, but you leave me no choice. See my true form and despair!

Mahoraga will change into a flying dragon.

Mahoraga : We won't die! We can't die! Your pitiful lives will soon be over...Laugh while you still can!

Nagini : Deva...Mahoraga has not yet returned. We can't just let him run free.

Deva : I guess it can't be helped. Let's go look for him.

Garda : I found him collapsed outside!

Nagini : Mahoraga! What happened?

Mahoraga : Don't touch me!

Deva : What happened? You ran off without telling me!

Mahoraga : I failed.

Deva : Those wounds...You fought in your true form. You won't be able to move for a while.

Mahoraga : Please... don't tell Asura...

Apsara : What happened? Mahoraga, you're all hurt!

Vala : Tsk, Tsk...How embarrassing! You fought in your real form and lost, didn't you?

Mahoraga : Please I beg you, keep it a secret.

Deva : No one will speak of this! Asura does not need to know!

Vala : Oh! Why? We're not suppose to lose our fights?

Apsara : You lost to that little boy, didn't you? And you call yourself a Devil!

Deva : Stop it, Apsara. Just don't tell Asura about this. He's very busy. He doesn't need this to worry about as well.

Vala : The dear friend of Asura says this. We hear and obey.

Nagini : Let me treat his wounds...

Mahoraga : I told you not to touch me!

Deva : Garda, help him.

Garda : Yes.

Girl : Yes, how may I help you?

Hakkai : This is our first time here. Isn't it a bit cold?

Girl : Yes, nearby we have a mountain where snow falls the whole year round.

Kikka : Even in India snow falls?

Girl : Yes. In fact, the mountain is so tall they call it God's footstool.

Goku : I thought India was a hot place.

Sanzo : I guess there's some things you just don't know until you go there.

Hakkai : We want to go to the Thunder Temple.

Girl : You'll have to go over Ice Peak to Port Town. I hear that from there you cross another mountain to get to Thunder Temple.

Ryoin : What! You mean we have to climb over this snow-capped mountain?

Goku : It's no good to complain about it. If that's what it takes, that's what we do!

Ryorin : Well... I guess you're right.

Girl : I heard that there was a blizzard at the top of the mountain about a week ago. If you actually are going to climb the mountain, you better take care.

If you try to forge again your weapon although your weapon level is already 5.

Smith : You want to improve it? Sorry, I'm not good enough for that. I friend of mine told me about something called Star Ore. Said it had some special powers. It is said that a weapon forged with that ore gains unlimited power. But there is no one who has ever seen it. Maybe it's in some remote place. Or maybe...no, that would be to dangerous. The other problem is that good smiths seem to be getting scarce. Even if you had that ore, you might not find someone who could use it! Odds are against you, but still you should first try to find Star Ore.

Master : I don't remember exactly. It's a myth I heard from my grandpa. The myth says that there's an ore that can make an ultimate weapon.

Sanzo : Is that the Star Ore?

Deva : My name is Deva. I came to offer my apologies. Mahoraga was out of line.

Sanzo : You didn't come to steal the staff?

Deva : I want the staff, but I will not take it by force. Sanzo, bring the staff and come with me. Let's not fight needlessly.

Goku : It's the same thing! You're not getting the staff!

Deva : Going forward will just bring you pain. You should just give up now.

Goku : Sorry. I don't know what's wrong with me. Maybe I'm scared. For me, I'm fine. But I don't want anyone else to die. I couldn't stand it.

Hakkai : We've already lived a long time. It wouldn't be bad to go out with a blast. As long as Sanzo's all right. As long as we get him to Lady Kannon.

Sanzo : Stop it! No one is going to die. If I thought that, I'd go home right now.

If you try to forge again your weapon although your weapon level is already 5.

Smith : What! You want a stronger weapon? Hmm... Long ago, I used to dream of creating the ultimate weapon. It was my dream, my passion... I still search for that ultimate weapon...that hasn't changed. Not just me, all us smiths did. But no one ever fulfilled that dream. No normal ore would allow a weapon to be strengthened more than this. So I set off on a journey to find the ore necessary. They say in ancient times, hermits and magicians used Star Ore in their weapon. I searched for this Star Ore. I travelled all over. But I never found it. I grew tired, so tired. So I gave up my search and settled here in this town. I do understand your desire. And I'd like to help, but...You should forget about it.

Sanzo : Why yes, it is.

Master : These are things that I saw in my dream!

Sanzo : What do you mean?

Master : Actually, yesterday a silver-haired man dressed in armor appeared in my dream.

He said his name is Emperor and that a priest would be heading to Thunder Temple. The group would be carrying his helmet, amor, armband and crystal.

Ryorin : That certainly sounds like us.

Master : The man said he would be waiting at Ice Peak. Then I awoke.

Sanzo : Ice Peak?

Gojo : We can either go back and meet with this Emperor, or just ignore it and go on.

Goku : Let's hurry up and decide and get out of here!

After you gathered all the licenses from all over the world.

Master : You defeated all of the Dojo masters. I'm impressed. Take this! Maybe it will be of help to you!

Drunk : Did you just say Star Ore?

Sanzo : Yes, we're looking for it. To make the ultimate weapon they tell me it's

necessary.

Drunk : If you want my advice, you'll stay away from it.

Goku : You sound like you know something about it! Please tell us.

Drunk : The reason I became this old drunk is because of that. About two days out of port to the southeast is a small island called Ceylon. My friends and I heard the ore was hidden there, so we went searching. I'm the only one who came home. I'll never forget that fear! Now the only thing that saves me is this drink. Sigh.

Sanzo : Looks like he fell asleep.

Man : When he gets like this he doesn't wake up for about a day.

Gojo : Yeah, but we heard what we had to. Let's cross the ocean and find this ore.

Hakkai : Hey! Over there on the mountain! Something glowed.

Gojo : Do you think the Guardian is over there?

??? : Exactly.

Sanzo : Who are you?

Emperor : I am Emperor. I am the Guardian imprisoned here in this jail of ice. With the treasures you have gathered for me I can live again.

Kikka : What do you mean?

Emperor : Return them to me and you shall leave unharmed. Disobey and face the consequences.

Goku : Just who do you think you are!

Emperor : Come forth, my minions! On my behalf, rid me of such insolence.

Lots of monsters will be appeared.

Emperor : So the items are real...

Goku : What? How dare?!

Sanzo : Goku, hold a minute! Let's listen to what he has to say.

Goku : Aaaaa! Do what you want!

Sanzo : Lord Bunchu, please explain. What's going on?

Emperor : Have you heard the story of when I was human?

Sanzo : Yes, you served the last king of Shou. You were a famous general.

Emperor : Apparently, I was destined to become a Guardian when I died. However, I committed a grave sin. I drove the human world to the brink of destruction. To atone for my sin, I was confined here as a spirit until the time should come.

Kikka : The time should come?

Emperor : It was Lady Kannon who put me here.

Goku : Yeah, she always shows up at times like that.

Ryorin : Don't interrupt!

Goku : Yeah, yeah, I'm sorry!

Sanzo : Forgive us. Please continue.

Emperor : Kannon took my armor, helmet, ring and amulet and hid them in the human world. She said that when a true hero appeared bearing all of these four items... My penance would be paid, and I would begin my new life as a Guardian.

Gojo : So you attacked us with those monsters in order to test us?

Emperor : Exactly. I had to know if you were truly heroes. I am sorry for causing you trouble. Please forgive me.

Hakkai : Still, that was kind of a difficult test!

Emperor : But thanks to you, I can now begin my new life. I must repay you.

Sanzo : No, no! You owe us nothing.

Goku : Sanzo, he's a Guardian, right? Why don't you have him join the rest?

Emperor : The rest?

Ryorin : Yes, Luna, Cavalier, Mother, Fool, and Warrior.

Emperor : Cavalier? Ah, you refer to the son of Kibiko... Luna... You mean Kano Senko? I haven't heard that name in ages.

Sanzo : Do you know the rest of the Guardians, as well?

Emperor : Probably, but it was a long time ago. I just enter that staff, right?

Sanzo : If you would!

Emperor : I will. Please use my power to help the human world.

Emperor will entered your staff.

Kikka : I'm so glad. We found one last Guardian.

Sanzo : Yes.

Hakkai : Hey, it's cold here. Can we leave now before I freeze to death?

Ryorin : It's not going to be easy, searching amongst all these rocks.

Hakkai : Now I understand why that old drunk decided to give up searching.

Goku : It's not here, either.

Ryurin : I know. We've searched all over and can't find it. Maybe it's just not here.

Gojo : We can't spend too much time here. Sanzo, what should we do?

Sanzo : I guess there's nothing we can do.

Kikka : I guess the legend turned out to be just that...a legend.

Hakkai : The man at the smithy's place is going to be depressed.

Sanzo : Let's go. Hey, what was that?

Ryorin : What happened? Why did you stop?

Sanzo : I just saw something glimmering at the top.

Hakkai : You must be seeing things. That mountain is very high.

Sanzo : No, I'm sure I saw something sparkle. I'm going up there.

Goku : Hey, wait!

Hakkai : Come on, take it easy on me! This is bad for my heart!

Sanzo : It was in this area here! Oh, here it is!

Gojo : Where, let me see? I've never seen anything like this before! There's no mistake.  
This is Star Ore.

You have obtained Star Ore.

Ryorin : We did it! We finally found it!

Kikka : But why didn't we find it when we were searching?

Gojo : From this angle, if the western sun isn't shining just right, it would be  
difficult to see.

Goku : I see, the setting sun just happened to hit the right angle.

Ryorin : When the smith sees this ore, he's certain to be happy!

Sanzo : Yeah, let's hurry up and get back to Port Town.

Smith

-----

Smith : Wow. That's an interesting item! Isn't that Star Ore? Please! Let me see it! This is it! The Star Ore! Just as I saw in my dream! I have seen nothing to compare with it! Please! Let me have this! I used to have a dream! But lately I have been just drudging along! If I had this to use, I feel I could recover that special something I used to have. I can fix one weapon. It has to be level 5. I can't do Sanzo's, of course. So consider carefully whose weapon you want to strengthen! When you've decided, choose someone with a level 5 weapon. It's been so long since I was this excited. It feels great!

Now you can forge your weapon level to MAX. It's free but you must have already level 5 weapon to be forged to MAX. Only one weapon can be forged to level MAX. So it's up to you

to choose whose weapon you want to forged.

Vala : I'm proud of you. You didn't try to run away.

Goku : Of course not! Why should we?!

Gojo : Wait, Goku! Something is wrong. The woman isn't here.

Sanzo : He's right! It might be a trap. Be careful!

Vala : Heh, heh, heh. We don't need traps to beat the likes of you. My wife went to ensure that you didn't just sneak off on a different route. I guess her effort was wasted. You're going to die here. All of you.

Vala will changed into a big rat.

Goku : That must be his true form.

Sanzo : Asha, it isn't safe. Go hide.

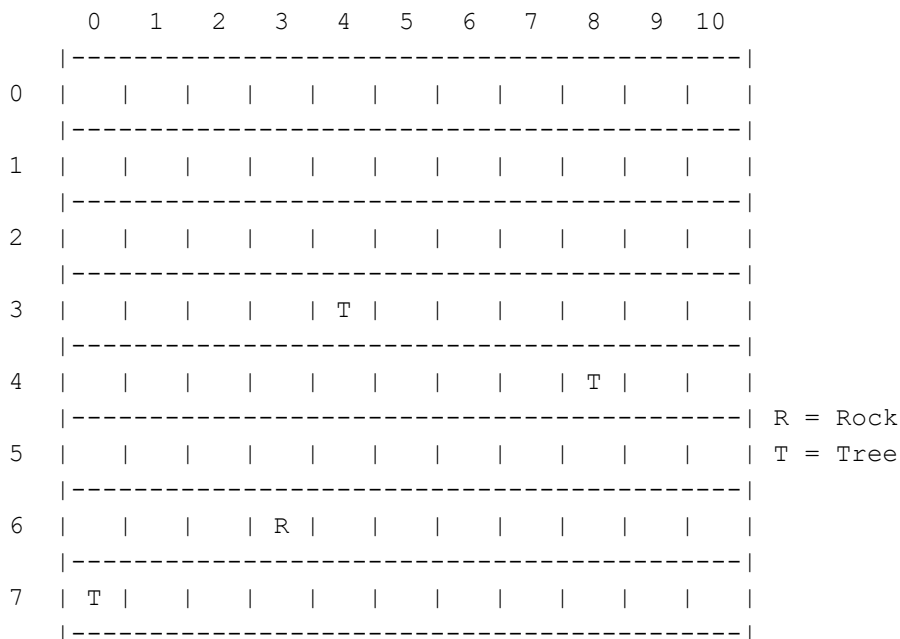

#####  
Battle 32

Place : Wing Mountain

Objective : Defeat Vala

Enemies : 2x Crowman  
          2x Operator  
          2x Dinoman  
          1x Vala (BOSS HP: ??? MP: ???)

Treasures : Winged crown (3,6)  
           Sage armor (8,4)

Strategy : Just go to the back and make the enemies go down reaching you. The enemies

here have height advantage, so just attack the closest enemies approaching you. Be careful with Vala's attack. His Rat Race have wide range and can poison you. His ShadowCut can deal quite a damage too. Have Sanzo summon Emperor, it will quite help you in battle. Kill the henchmen first so later you can concentrate on Vala.

-----  
If you defeated Vala.

Vala : It can't be! I haven't lost to anyone before. You haven't won, yet. Your death will soon come! But not just you ... all life ... shall be lost. Aaaaaaaa!

-----

Sanzo : All life will be destroyed... what do you think he meant?

Hakkai : He was just blowing steam!

Ryorin : Lady Nagini said the dragons would be destroyed. Maybe it's related!

Kikka : Asha is fine!

Sanzo : I was worried. Asha, are you okay?

Asha : Yes, I am fine.

Goku : We can't go that way! The road is blocked!

Sanzo : But isn't this the only road to Thunder Temple?

Gojo : The pass has crumbled! There is no way past the rocks.

Goku : It must have been his doing! He must have done it before we beat him!

Gojo : Wait a moment. The woman isn't here because they didn't want us to sneak by them.

Ryorin : So there must be another way!

Sanzo : Let's go back to town and see if we can't find it!

=====  
Port Town: Inn  
=====

Sanzo : No luck. No one seems to know anything!

Ryorin : That is the 10th person we've asked. Why can't we find it?

Gojo : You know, it could be a really old path...

Goku : Then maybe we should ask the older folk in town! Maybe they'd know.

Sanzo : All right! Let's split up and start asking again!

Goku : Sanzo! You stay here! You keep an eye on Asha.

Sanzo : I can't just sit around and do nothing! Not while everyone is working!

Hakkai : Don't worry! Just leave it to us!

Goku : Still, that woman might show up. It would be dangerous for you all by yourself.

Kikka : Shall I stay with him? I can help with Asha.

Ryorin : I don't mind staying either.

Goku : Only need one person to stay! Sanzo! Choose someone!

You have two options : Choose Lady Kikka or Shu Ryorin.

If you choose Lady Kikka.

---

Sanzo : Lady Kikka will you stay?

Kikka : Thank you for choosing me.

Goku : The rest of us split into two groups and start asking around.

Sanzo : Asha, you stay here as well!

Asha : Okay...

Kikka : Sanzo. Can we talk a little?

Sanzo : Hm? Sure...About what?

Kikka : At first, I thought we were a lot alike! You have shouldered the burden Lady Kannon placed on you. That's why you're here.

Sanzo : Well, I never really thought about it like that...

Kikka : Don't worry. I used to be the same way, living for others' expectations. My mom, my grandfather, my younger sisters... I thought that was normal. I thought that was a good thing. But you are different. You believe in yourself. You trust your conscience.

Sanzo : No...nothing so noble.

Kikka : You are living as your conscience tells you to. I envy you.

Sanzo : Kikka, I'm nothing special as a human. You are reading too much into it.

Kikka : I'm sorry, but that's how I feel. You needn't worry about it.

Goku : I got it. There's a place to the north called Puppet's Peak. That's where the path is.

Ryorin : A long time ago that was the main street. But now it's deserted and closed.

Kikka : I do prefer the wild. But will we really be able to get there on that road?

Hakkai : If it really is the road, that woman will be waiting for us there!

Sanzo : We have no choice. There are no other roads.

---

If you choose Shu Ryorin.

---

Sanzo : Then I guess I'll ask Ryorin.

Ryorin : Yea, you picked me! Leave it to me!

Goku : The rest of us split into two groups and start asking around.

Sanzo : Asha, you stay here,too.

Asha : Okay.

Ryorin : Sanzo, what kind of girls do you like?

Sanzo : Whay are you asking me that?

Ryorin : Well, I'm just curious.

Sanzo : I don't know. I've lived in a temple all my life.

Ryorin : How boring! Do you want me to introduce you to my sisters? They're all cute.

Sanzo : Sure, but what about you? What kind of men do you like?

Ryorin : That's a hard question. At the very least, Goku is out. He's too violent and he teases me all the time.

Sanzo : But don't they say that the best couples fight all the time?

Ryorin : Don't say such things. Yeah, I guess I want someone nice. Someone who will take care of me.

Sanzo : Wouldn't that be Prince Reikan?

Ryorin : No! Absolutely not!!

Goku : I got it. There's a place to the north called Puppet's Peak. That's where the path is.

Kikka : I heard a long time ago that was the main street. But now it's deserted and closed.

Ryorin : Will we really be able to get there on that road?

Gojo : That woman will be waiting for us there!

Sanzo : But if that's the only road then we have to go!

-----  
=====  
Puppets Peak

Sanzo : What is this place?!

Gojo : It's a tree. A huge tree!

Hakkai : Why is this huge tree in the middle of the road?

Kikka : This isn't a normal tree. I feel something evil about it.

Ryorin : There speaks a dryad... So is this an enemy trap?

Apsara : You lowly worms!?! You shall pay for what you did to my husband.

Goku : If you would have just left us alone, none of this would have happened.

Apsara : You shall all die! Your blood shall feed my tree!

Apsara will changed into a big spider.

Ryorin : How disgusting!

Kikka : Asha, come over here.

If you defeated Apsara.

Apsara : This wasn't supposed to happen! How could I have lost to such worms? Ha ha, the time will come when you will all be destroyed. We will be fine! But you will die. Ha ha ha ha... Hmmmph!

-----

Goku : Hah! She's just talking!

Gojo : No, I don't think so.

Sanzo : What do you mean?

Gojo : They are Devils. In other words, eternal! They exist beyond life and death!

Ryorin : You mean, she really isn't dead?

Gojo : Still, with those wounds, they should take quite a while to recover.

Sanzo : True. Mahoraga hasn't showed up for a while, has he?

Goku : We should be fine. At least until we reach Thunder Temple.

Hakkai : No point in worrying about it! Now, let's get away from this creepy tree.

Kikka : Yeah. It doesn't feels like the evil of this tree is getting any weaker.

Sanzo : Yeah. And Thunder Temple should be fairly close!

=====

Gojo : So the Devils will survive and we all die...

Sanzo : Gojo, forget about it already. It doesn't matter what she said.

Ryorin : As soon as we cross this hill we'll be at Thunder Temple. We're almost there!

Sanzo : You're right. We're finally there! Thanks to all of you.

Kikka : Asha, soon you will get to see your mother again. Aren't you happy?

Asha : Yes.

Hakkai : Hey, isn't that a cannon over there? Why is it just sitting there?

Garda : Asura...

Sanzo : Are you one of the Devils?

Kikka : Asha, go hide!

Garda : Have you seen Asura?

Goku : Who are you? We don't know any Asura!

Garda : Asura said he was just going to get the staff. Where is he?

Kikka : I'm so glad I came. So glad.

Gojo : I can't believe we're finally here. It just seems so unreal.

Sanzo : I have to find Lady Kannon. I wonder where she is.

Goku : Won't she find us?

Asha : Excuse me, people usually see Lady Kannon at Thunder Temple.

Sanzo " : Why, thank you, Asha!

Kikka : Oh, Asha. Where's your home? Let me take you there.

Sanzo : No, I learned much along the way. I made many friends.

Kannon : And the rest of you, thank you.

Goku : Okay, what was this all about? Why did we gather the Guardians? What's going on?

Kannon : I cannot yet tell you. I shall take the Guardians and return to heaven.

Goku : That's it?! That's all?!

Kannon : That is all that I can say. Sanzo, bring the staff and follow me.

Sanzo : What? Only me? What about the others?

Kannon : Normally, none of you could come. Certainly, all of you cannot.

Goku : Wait a minute! Why don't you take the staff back by yourself?

Kannon : It was I who summoned Sanzo. In gratitude, I would like to show him the heavens.

Goku : Sounds fishy to me. Why don't you try calling the Guardians?

Sanzo : Goku, what are you saying? This is Lady Kannon!

Goku : The Guardians assist you. So you should be able to call them, right?

Kannon : .....

??? : Heh, heh, heh. Let's end this charade.

Kannon : Asura!!

The building start to shaking and it revealed the ruin of Thunder Temple.

Sanzo : What happened!

Nagini : Asura! I was not opposing you! I was trying to gain the staff!

Yaksa : If not for Nagini, you would have at least died happy. How very sad...for you.

Goku : You're the ones that did this!

Yaksa : Of course! Beautiful work, don't you think? The priests fell like weeds.

Asura : Yaksa! How pitiful!

Yaksa : Lord Asura...This...

Asura : You don't even have the strength to return home. I can't believe it!

Yaksa will be disappeared.

Sanzo : You! You're Asura...

Asura : This is the first time we've met face to face, isn't it? A pleasure!

Goku : Cut the crap! What do you think you're doing?

Asura : Calm down! I've been enjoying myself watching you!

Gojo : Watching us? When?

Asura : Through my doll! I call him Asha. Pretty realistic, isn't he?

Sanzo : Wh...what?

Hakkai : You lie! It can't be.

Asura : You were almost there. Then thanks to Deva, you were about to go home. At first, I just wanted to see the group who defeated Deva. You were fascinating! I decided not to just steal the staff and leave.

Sanzo : Why? Why are you doing this?

Asura : In exchange for amusing me, I've decided to invite you to Heaven!

Sanzo : Heaven? What is a Devil doing in heaven?

Asura : Oh, by the way! Sanzo! How does it feel to meet your mother's killer?

Deva : Asura...don't...

Sanzo : Mother's... killer...?

Asura : Deva here killed your mother! If you make it all by the way to me, I'll tell you all about it!

Asura and Deva will be disappeared.

| Chapter 4: Asura |

```

Deva : Asura! What has happened?

Asura : Deva, rejoice! We can finally leave this pit!

Deva : You mean, they've forgiven us? It's been so long. I knew they'd forgive us. I knew it!

Asura : Heh, heh, heh. Forgive us? That hasn't happened. They will never forgive us! They intend to lock us in here forever.

Deva : Then, how can we leave?

Asura : I've broken the seal. We can leave anytime we want... to attack heaven.

Deva : Asura, stop! Do you know what you are saying?

Asura : Of course I do. I've been planning this for a thousand years. The time has come... The time to repay Buddha and Kannon, and all of them!

Deva : No! I won't let you do it!

Asura : Deva, I know you'll understand. You saw my shame...my humiliation...

Deva : I don't want to hear it! I'm going to heaven. I'll tell them to replace the seal!

Asura : Fine, do as you will, but... Before you go, I want you to tear out my eyes...with your own hands.

Deva : What?

Asura : I don't want to see it. I don't want to see the time that you betray me. Go ahead...

Deva : Stop it! Please, stop it! I understand.

Asura : Heh, heh, heh.

Deva : If I had only... I should have stopped him then, whatever the cost! If I had, this would never have happened. But I couldn't I just couldn't.

=====  
Heavens Door  
=====

Sanzo : Where are we?

Goku : .....I don't believe it...

Nagini : I've been waiting for you!

Ryorin : Lady Nagini, what is all this?

Nagini : Just as you can see. 16 years ago, we destroyed heaven.

Sanzo : We? You mean the Devils?

Nagini : The Demon 8, led by Asura. We who were once of heaven, but were cast out!

Ryorin : It can't be! Not you! Why?

Nagini : I care little for the Demons or the heavens. I only wish to help my people, the dragons.

Ryorin : What do you mean? Why should the dragons need help?

Nagini : If I betray Asura, the dragons will be obliterated. Daughter of Dragons. Take the staff and come with me. The dragons will be saved!

Ryorin : You're saying that all my friends will die! Never!

Nagini : Don't you understand? Not just you, but the entire dragon clan will die!

Ryorin : I don't want that! But I will not betray my friends either!

Sanzo : Please...tell me. Why will we all die? What is going on?

Nagini : All right. I will tell you... But first you must prove yourself worth of this knowledge. And that proof shall not be easily won!!

Nagini will changed into a dragon.

Strategy : The enemies here is very easy to defeated. Kill Harpy and Crowman first. Have Sanzo summon Emperor to recover HP and MP. Nagini has many wide range attack and can make major damage. You must be careful with her attacks. Other than that, this battle is very easy. Kikka's Heaven Garden is very good to use because it has very wide range and sometimes enemies can be charmed.

Nagini : Astonishing... You might just...stop...Asura...

Ryorin : Hang on, my Lady. You can't die!

Nagini : I will not die... We can't die... unless we are destroyed by the Buddha!

Goku : You promised! Now tell us! Tell us everything.

Nagini : 1,000 years ago, Demon Asura surrendered to the Heavens. He had one condition... that he be made a Guardian. But he was not made one. He was furious. He gathered other Devils and some animal spirits. I was one of them. Asura gathered us together. And we rebelled! We became the Demon Eight.

Ryorin : No...that can't be true!

Nagini : We started a battle we could not win! We lost! As punishment, they sent us to the depths of hell, to the Pit. We stayed their nursing out hurts for a thousand years, waiting to be freed. That day never came. Instead, Deva gathered the troops of Hell and attacked.

Goku : That was 16 years ago.

Nagini : I was against it! But I couldn't oppose him! He said the dragons would be... destroyed...

Gojo : Even one dragon is a powerful warrior! How could he destroy them all...

Nagini : Not just the dragons... humans, creatures...even the souls in hell...

Sanzo : What?! The world would be over!

Nagini : That's right... Asura means to...

Gojo : It's no good. She won't be speaking for a while.

Goku : Let's go! We've got to go stop this Asura!

=====  
Martyrs Stairs  
=====

Fighter : General, the enemy's castle is about to fall.

Deva : Is that right? It looks like we will end this battle with few casualties.

The Fighter will hit Deva from behind.

Deva : ...what are you doing...stop!!

The Fighter kept attacking Deva.

Fighter : Heh, heh, heh. With you around, I'd never get anywhere. This will be my chance for glory, my success! You were murdered by an enemy.

Deva : Help! Is no one there? I don't want...to die... After all I've been through...I don't wish...to die...like this... ..not like this... ..want to live...

Asura will appeared in front of Deva.

Asura : I will grant your wish.

Deva : Who...who are you?

Asura : My name is Asura. You who are dying, do you swear eternal loyalty to me? I will grant you life, as a Devil.

Strategy : This map is very small. Deva's attacks are less stronger than Nagini's, but you must be very careful because those attacks can poison you. Kill the Bug and Harpy that prevent you from attacking Deva. One of the Harpy is a healer, so kill him at once. Use wide range attacks and have Sanzo summon Emperor.

Sanzo : He's the one... He's the one that killed my mother? I will never forgive you!

Lady Kannon will be appeared.

Kannon : Sanzo! Wait!

Goku : Kannon! What are you doing here?

Kannon : I was held prisoner...no, maybe I should say I was protected by Deva. Sanzo, I want you to understand. He is not truly an evil person.

Sanzo : But he killed my mother!

Kannon : Look...see his memories...

-----  
 You will see the past of Deva. A lady is hiding something in the container and after that Deva came. The Lady will tried to attack Deva but he can avoid it and hit back.

Sanzo : Oh!

Goku : There's something in that container.

You will see Deva floating a baby in the water.

Kannon : Sanzo, that was you.

Gojo : Afloat down the river? After killing his mother? Why?

Kannon : Sanzo, he couldn't kill you. At the very least, he wanted you to live.

You will see Asura came.

Sanzo : My mother...she tried to save me...

Gojo : There's something else bothering me. This is heaven, right?

Kikka : This happened 16 years ago. That mean Sanzo is...

Sanzo : What?!

-----

Hakkai : Wait a minute! You're saying Sanzo is from heaven? And this Devil saved him?

Kikka : Yes, that's what she's saying.

Gojo : Sanzo.

Goku : Hey, say something! Get a grip on yourself!

Sanzo : I'm not human? My home is destroyed? How could this be? It's a lie! I don't believe it!

Ryorin : Sanzo, what's wrong? Calm down!

Sanzo : I don't believe it! It's all a lie! I'm going home to the temple. Everyone is... Everyone is waiting for me. I'm not alone!

Goku : Would you get a grip?!!

Sanzo : Goku...

Goku : Who cares where you're from? You're still you! What do you mean, alone! We're here! Aren't we your friends?

Hakkai : Goku, you don't have to yell!

Sanzo : I'm sorry, Goku. I was startled. It just felt like everything I ever knew had been taken away from me.

Goku : What? What are you talking about?

Gojo : It can't be helped. Everything he thought about himself turned out to be a lie.

Goku : Kannon! What's going on? Explain!

Kannon : I'm sorry. In truth, I should have been here to guide you. But I was captured and I had no time to explain anything to you. Sanzo, I'm sorry. I wanted to tell you under different circumstances.

Deva : ...aa... Don't stop...stab me. Do what you want. Unfortunately, you can't kill me.

Sanzo : What should I do? I'm so confused.

Deva : Kannon, you shouldn't have told them.

Kannon : You do not believe that Asura is right. Help Sanzo.

Deva : I cannot. I will not become his enemy. It's all my fault. I should have stopped him when I had a chance. Sanzo, Asura is protected by a barrier. By four barrier stones.

Sanzo : Why are you telling me this?

Deva : Kannon, I beg you. Destroy me. I don't want to see anymore.

Kannon : Only Lord Buddha can do that. And Lord Buddha will never do that.

Deva : I never thought that life could be so painful.

Kannon : Sleep, Deva, and forget.

Deva will be disappeared.

Ryorin : I kind of feel sorry for him.

Gojo : He did tell Sanzo about the barriers. His burdenn must be lighter.

Sanzo : Four barrier stones. If we do not destroy them, we cannot defeat Asura.

Goku : Kannon, just what is Asura trying to do?

Kannon : Deva showed me. He is trying to recreate the world.

Sanzo : Recreate the world?

=====  
Purity Hall  
=====

Kannon : Asura is in the room beyond. He is creating a Mandara, a new world plan.

Sanzo : New world plan?

Kannon : Yes. This world was created using the Mandara. Asura intends to exchange the old Mandara for a new one of his own creation.

Hakkai : if he succeeds, what will happen to the world?

Kannon : The world will instantly change to the world Asura has imagined, a world like hell.

Gojo : I see. Everything as Asura wants it.

Goku : Just what is Buddha doing? Was he defeated?

Kannon : No, he's hiding. If anything happened to him all hope would be gone.

Goku : What, you mean Asura's stronger than Buddha?

Kannon : Asura has absorbed the powers of all except me.

Goku : Sanzo, are you OK? Things are going to be more difficult from here out.

Sanzo : I can't quit now, not after all I've heard. I don't know if we can beat Asura, but we must try.

Kannon : The other Demons are confined in this crystal. Only Asura and Garda remain.

Ryorin : Garda was the girl with the wings on her back.

Hakkai : Asura is powerful. Do we have a chance against him?

Kannon : You needn't defeat him. You need only stop him. We shall contain him.

Garda will be appeared.

Goku : We're going to see Asura. Get out of our way.

Garda : Never! You are trying to get in Asura's way. I'll never let you. You shall not pass! You shall not see Asura!

Garda will be changed into a big bird.

#####

Battle 38

#####

Place : Purity Hall

Objective : Defeat Garda

Enemies : 2x Dinoman  
          2x Crowman  
          2x Sorcerer  
          2x Harpy  
          1x Garda (BOSS HP: ??? MP: ???)

Treasures : N/A

There are no treasures and important items so I decided not to make a map.

Strategy : Garda is the strongest Devil from the other Devils except Asura of course. Her magic attacks can hit wide areas and deal major damage. Just concentrate your attack to the sorcerers first because they have a wide area magic and ignore the others. After that, concentrate your attack on Garda. Kill her as fast as you can before she killed you. Have Sanzo summon Emperor to recover small HP/MP.

Garda : Stop...I can't let you go. ...Asura...

Sanzo will confined Garda.

Sanzo : Why? Why do they want to change the world?

Kannon : Garda was Asura's adopted daughter. She is absolutely loyal to him.

Goku : Why were the Guardians scattered? Why did you have Sanzo gather them?

Kannon : When Asura and his army attacked, Buddha called me and the Guardians... He said that then was not the time to fight. He called us the last hope. Buddha hid the Guardians on earth and I went to watch over the baby, Sanzo. We needed someone to wield the power of the Guardians. But it had to be someone from the heavens. It had to be Sanzo. I became water. I became wind. I protected Sanzo. I waited. 16 years is still short but we could not wait any longer.

Goku : So Sanzo is the last hope...

Kannon : I am sorry I had to involve the rest of you, but I ask you to help him.

Gojo : Well, all we have to do is keep Asura in one place, right?

Kannon : Yes, if you do that, I and the rest of the Guardians will contain him.

Goku : Sanzo, this is the final battle. Are you ready?

Sanzo : Yes! We have to win, we have to!

Ryorin : We're strong. We can win!

Kikka : Yes...this is our world. We must protect it.

Hakkai : We will destroy Asura! Then we'll all go home together.

Gojo : Yes...all of us.

Sanzo : All right! Let's go!

=====  
Truths Temple  
=====

Sanzo : Asura, we're here. You are the only one left.

Asura : Hmph... I sent Garda to greet you. Where is that child? I have no intention of fighting you. I told you I'd tell you the truth.

Goku : We already know it, Nagini and Kannon already told us.

Asura : What, Kannon?! Deva would never betray me! You couldn't have beat him, not him!

Sanzo : Deva and the rest of the Devils are all in this crystal.

Asura : You fools, how dare you! Ah, well, it doesn't matter. It will all end the same anyway. Look at my masterpiece, my Mandara. Look at my beautiful new world.

Gojo : Don't make me throw up.

Asura : Say what you will. All life will be reborn. All reason shall be banished. All that will remain will be beasts fighting for food. But if you like, I can give you eternal life... as unmoving hunks of meat!

Goku : We're going to stop you!

Ryorin : I shall never forgive you for what you did to Lady Nagini!

Asura : You have such spirit! What is it that drives you? Hope? Don't make me laugh! You have no hope! There is no hope! Your fate has been decided. I have decided it.

Sanzo : You cannot decide out fates!! (Okay, where are those four stones that Deva was talking about?) (There they are. Okay, we have to do something about those first.)

#####  
Battle 39  
#####

Place : Truths Temple

Objective : Defeat Asura

Enemies : 2x Dinoman  
          3x Crowman  
          2x Sorcerer  
          2x Harpy  
          1x Asura (BOSS HP: ??? MP: ???)

Treasures : N/A

There are no treasures and important items so I decided not to make a map.

Strategy : Your first objective is to destroy all four crystals that scattered in the

corner of the room. I suggest you bring Goku in this battle because his Clous is very useful in this battle. Kill the Sorcerer at upper left as fast as you can because he can use UltraPoison that can make a lot of damages and poison you. Kill all the henchmen first so they won't bother you in your fight with Asura. After that, surrounded Asura so he can't move. Hakkai's UltraTusk can do a major damage on him, so if you bring Kakkai turn to Were and use it. You can only make damage on Asura after you destroy all the crystals.

The Mandara will be broken in pieces.

Asura : What? This can't be!

Lady Kannon will be appeared.

Kannon : Sanzo, come here. The Guardians and I will now contain Asura.

Sanzo : Yes! Asura, this is your end!

Asura : You fools! You think you can contain me? I've already healed. I can create another mandora. With you gone, none will oppose me. I've decided your fate. Killing you is not enough. Behold the Pit!! Darkness! In the name of Asura, reach out your stygian hands, take these children. Ha!

Sanzo : Hold on everyone!

====

Pits

====

Sanzo : A...aah.... Are you all right? Goku! Goku! Are you alive? Answer me!

Goku : Aaahh...Sanzo? ...I'm fine...

Hakkai : Oooh. I guess I'm alive, too.

Ryoin : I've got a real bad feeling about this.

Gojo : The Pit! How do we get out of here?

Sanzo : Lady Kannon! Lady Kannon isn't here!

Kannon : Sanzo, I'm in the staff. This world...Asura is so strong here that I can't leave it.

Sanzo : Asura?

Kikka : Look. Something's shining!

Asura : Heh heh heh heh.

Kikka : Aaaaaaaa!

Sanzo : What is this?

Asura : Weaklings! Welcome to the darkness. Behold, your utter demise.

Goku : It can't be.

Gojo : This is the true Asura? He has merged with the Pit.

Ryorin : Whaaaaa!

Sanzo : If we don't defeat him, all will be lost.

Goku : Yeah, this is the kind of fight I like!

#####

Battle 40

#####

Place : Pits

Objective : Defeat Asura

Enemies : 6x Arm

1x Asura (BOSS HP: ??? MP: ???)

Treasures : N/A

There are no treasures and important items so I decided not to make a map.

Strategy : Ignore the Arm. There are so many of them, you will get killed before you kill all of them. Just concentrate your attack on the main part, Asura's head. It has tons of HP. Heal only those near death. The best magic to use is Lightning, you can do a major damage on it. Hakkai's UltraTusk is effective too against Asura. Just attack and heal. I wish you good luck!!

-----  
If you defeated Asura.

Asura : Whaaa ha ha...

-----  
Kannon : You, bound by the bonds of hell, by the mercy of Buddha be free of your chains!

Mother : Praise the love of Lady Kannon!

Warrior : Rid yourself of anger and greed.

Fool : Rid yourself of fear and hate.

Luna : Love wisdom and purity.

Cavalier : Embrace the endless blessings of truth.

Emperor : Give yourself to the purity and warmth of the light.

You will see all the Guardians power come out from the staff and sealed Asura.

Asura : Aaaaaaaa!!

Ryorin : Ah!

You will see something coming out from Asura's body.

Sanzo : What happened?

Kannon : Those were all the souls he had captured.

Asura : Kannon... tell Buddha... I no longer wish to exist. I would rather be destroyed

than be imprisoned here again.

Kannon : Asura... why do you not open your heart?

Asura : Do you think me a fool?! It is you who would not accept us! To you, we were just Devils!

Kannon : That is not true. It is you who would not forget that you were Devils. While you clung so to the past, you could not obtain that which you truly sought.

Deva : Free me. I wish to talk to Asura.

Deva will come out from the gem.

Asura : Deva... How you must hate me... I am sorry it turned out like this.

Deva : Do not punish yourself. I have never hated you. We chose our pain, even when there was no need for it.

Asura : Kannon, seal me in that gem as well. I wish to sleep.

Sanzo will seal Asura inside the gem.

Deva : Thank you. Thank you for stopping us.

Deva was sealed inside the gem too.

Sanzo : It is finished. At last, all is finished.

Kannon : Yes. Now, let us return.

Sanzo : Yes!

=====

You will see many peoples in Purity Hall.

Kannon : All right. We've arrived.

Sanzo : What? Where did these people come from?

Goku : Heaven.....right?

Kannon : They've been restored through Lord Buddha's power.

Ryorin : It's so different from before. It feels so good here!

Hakkai : And it smells great, too.

Kannon : Sanzo, these are your parents.

Sanzo : What? Father... Mother...

-----  
Kannon : The world has been saved because of all of you. I would ask you to join me and continue the work you have started.

Sanzo : I cannot. I could never forget what I already have, Elder Homei and my friends.

Goku : Count me out! I'm not going to get stuck in this place.

Ryorin : I want to go home, back to the Dragon Palace.

Kannon : Do the rest of you feel the same? Then it cannot be helped. Still, come forward.  
Lord Buddha and the others would like to thank you.

Ryorin : Lady Kannon! What will happen to Lady Nagini? Will she be locked up forever?

Kannon : No, they will all asleep for a time. When they have rid themselves of their  
doubt, they shall awaken as true Guardians.

Ryorin : Oh, I'm so glad.

Kannon : Let us go.

Sanzo : This is Golden Temple. I'm home!

Kikka : So, this is where you grew up?

Sanzo : Yes! But come, I must tell them that I have returned! Elder Homei! It's Sanzo.  
I've returned!

Homei : Sanzo! It really is you! You have returned to us!

Sanzo : Yes, I've returned from India.

Homei : I'm so glad you're safe!

Lady Kannon will be appeared.

Sanzo : Elder. It was Lady Kannon who brought us back from India.

Kannon : Homei, you have raised him well. Accept this in appreciation.

Homei : What? Thank you very much! Why this is the Holy Book of Dharma!

Kannon : Yes. The Lord Buddha was extremely pleased with Sanzo's service. This is from  
him.

Homei : Sanzo's service?

Sanzo : On our way to India, we stopped a lot of monsters from doing harm.

Goku : Sanzo? Aren't you going to...

Sanzo : Goku, that's the past. Elder, these people are my friends. They went to India  
with me. Without them I would have never made it! May they stay with us for a  
time?

Homei : Is that so? Well, of course, they can stay as long as they like.

Kannon : I shall return now, but I will be watching you. Farewell.

Sanzo : Thank you very much, Lady Kannon!

Goku : Hey, Kannon. I'll come play again sometime soon.

Kikka : Goku!

Gojo : For Goku, that's really an improvement.

Lady Kannon will be disappeared.

Homei : Please come inside. It's a small temple, but we'll do our best to make you feel welcome.

Hakkai : Great! My mouth's watering already!

Gojo : Sanzo... I must leave now.

Sanzo : What? But we just got here!

Goku : What? You're not being very sociable!

Gojo : I don't want to get too used to this place. I might like it too much.

Sanzo : Master Gojo, you can stay as long as you want.

Gojo : Don't say that. It only makes it harder to leave. I'm the wandering type. So please, just smile, and let me go.

Kinrei : Gojo, you're leaving? Then we'll go with you.

Gojo : Why don't you stay and enjoy yourselves?

Kinrei : How cruel! If you leave, who is going to take us home?

Sanzo : Master Gojo, they like you. Take them home.

Gojo : All right! I am thankful for them too. After all, they were part of this.

Ginrei : Farewell! Be happy!

Sanzo : You, too. I'll come vsisit again sometime.

Kinrei : We'll come visit, too, when I've grown into a beautiful woman! Keep an eye out for me!

Gojo : Sanzo. Someday, I too shall return...someday.

Kinrei : Okay, let's go. Gojo, I want you to meet my parents.

Gojo : What? Hey, don't pull on my sleeve.

Sanzo : Ha ha ha.

Goku : They look like a happy family. And for all he complains, Gojo seems to be having fun, too.

Tessen : Hey, wake up! Gojo is going home!

Taurus : Leave me be! So what? Who cares if he's going home?

Tessen : I wanted to travel with him.

Taurus : What do you mean!?! You've got a child, for Heaven's sakes! What are you thinking?

Tessen : What!?! Hey, when I was single, I was some kind of hot! If you hadn't started crying, I would have never married you! If I want to talk to a handsome man every once in awhile, so what!

Pyric : Quit your quarrelling! And you shouldn't say stuff like that in front of your son!

Tessen : What? My dear, were you listening?

Pyric : Hey, Pops! Let me out of here already!

Taurus : Oh, I guess it's okay. All those Devils are gone now, anyway.

Pyric will come out.

Pyric : Master Sanzo, I'm sorry for causing such problems.

Sanzo : That's all right. Now that you know the truth.

Taurus : All right, so now we can all be one big happy family! Goku, you should get married, too! That is, if you can find someone to marry you!

Goku : Don't be foolish. You think I want to turn out like you?!

Taurus : We're going home now, too. All of my underlings will be worried about us by now.

Sanzo : Come by and visit once in awhile.

Tessen : Of course, we will. I'll even bring you something!

Sanzo : Hakkai, what did you want to talk about?

Hakkai : Um..... Would it be all right if I stayed here with you?

Sanzo : What? Of course! You didn't have to drag me all the way out here to ask me that.

Hakkai : Well, I wasn't sure what to do if you said "no".

Sanzo : You knew that wouldn't happen. Everyone here knows you're a great guy. They've let me stay here ever since they found me. I'm sure they'll let you stay too.

Genshi : Hakkai, it looks like you've found your place at last.

Hakkai : Teacher, this time, it's gonna work out!

Genshi : Mmm, I meant to take you home with me, but it's better this way.

Kikka : Master Hakkai! You're staying here. I would like to, too., but my little sisters

are waiting.

Sanzo : True, there are people waiting for you, aren't there? But I'll be sure to come visit. If I come, will you see me?

Kikka : Of course! And I'll be sure to come visit also.

Genshi : We cannot stay. It might get to difficult to leave.

Sanzo : Please...take care.

Genshi : And I'll be sure to come visit as well.

Hakkai : I know my teacher. He'll be back here tomorrow!

-----  
Hakkai : So you've decided to make up with your father.

Ryorin : Yes. Last time we fought, but maybe now we'll be okay.

Sanzo : Ryorin, I'll be really sad to see you go... But I'm so glad you plan to make up with your father.

Ryorin : Yeah, ui guess I've grown up a little. Mayben we can talk this thing out calmly.

Hakkai : True. I'm sure your father will understand.

Reikan : Princess, let me go with you!

Ryorin : Fine...but you're not to say anything about marriage!

Reikan : Actually, I haven't given up. Not yet! True love cannot die. But if you don't want me, I won't force myself upon you. But...but...

Ryorin : Okay, okay, I got it. Just keep quiet. Don't say strange things to Father.

Sanzo : Is that going to work?

Ryorin : If you say something weird, I'll wrap you and throw you away. Will you take him in then?

Reikan : Princess, I'm devastated!

Ryorin : Hey, can I come and visit once in awhile?

Sanzo : What are you worried about? Come whenever you like.

Ryorin : Oh, I knew that. I knew that! Sanzo, take this bell. If you ever want to come to the palace just ring it in a river. I'll hear it and come and get you.

Sanzo : Thank you. We'll be sure to come.

Hakkai : Hey, where's Goku? Ryorin is leaving.

Ryorin : Yes, he's just so sorry to see me go. He's probably off crying somewhere. Will we always be friends, always?

Sanzo : Of course. We'll be friends forever.

Ryorin : Sorry, I didn't mean to cry. See you later!

Sanzo : Good-bye.

Goku : Did she go?

Sanzo : Goku! What were you hiding for? We were looking for you!

Goku : Oh... she's just so loud!

Sanzo : You mean, you were just sad to see her go, right?

Goku : Don't be ridiculous! Hakkai, sorry, but could I speak to Sanzo alone?

Hakkai : Goku, see ya! Come and see us again.

Sanzo : Goku, you're leaving, too, aren't you?

Goku : Yeah, I thought I'd visit my homeland for awhile.

Sanzo : Where is that?

Goku : It's called Flower Mountain. It's across the eastern sea. I'd take you with me, but then I'd have to feed Hakkai as well.

Sanzo : Goku, come visit! I'll be waiting!

Goku : Ha ha, I'll be here so often you'll want to ask me to leave. Sanzo, I'm glad I met you. I've never been afraid before in my life. But thinking about you or the rest of them getting killed... well, it was...painful. I don't really understand this, but it doesn't feel like a bad thing.

Sanzo : Hmmmm.

Goku : But what are you gonna do? Are you gonna stay here as a priest?

Sanzo : Me? Hmmmm, maybe I'll just start a new journey.

You will see the last FMV and Epilogue. After that the credits will rolled.
