Versions:
=====

Version 1.0: August 27, 2001
- The first version of the FAQ.
- Made the layout.
- Borrowed the Disclaimer from Sheamon (thanks to Sheamon)
- Also the script covers from Golden Age to Mt. Seifu Bandits.

Version 1.1: August 28, 2001
- Made some minor changes to the layout.
- The script covers from Mt. Seifu Bandits to Birth of Toran Castle.

Version 1.2: August 29, 2001
- Fixed a LOT of things. Continued the script to Kouan.
Nothing new. I just wanted to update this because the last update had some problems.

Version 1.3: September 14, 2001

1. Hero: I don't wanna.
2. Hero: Yes, Your Highness.

Barbarosa: Ha, ha! Like father, like son. Listen, Hero. Someday, you will follow the path of your own choosing. But for now, you have a great deal to learn from me. Plenty of time for freedom later.

-
2. Hero: Yes, Your Highness.

Barbarosa: You already resemble your father. I shall look forward to seeing you grow into manhood.

=====
Teo: Thank you for your kind words, Your Highness.

Minister: Commander Kraze of the Imperial Guard will be Master Hero's superior.

Windy: What an attractive young man you are. Good luck to you, Hero.

Teo: We had better be going, Your Highness.

Barbarosa: I'm relying on you, Teo. And Hero, I hope your efforts will surpass your father's.

[Teo and Hero leaves the audience]

Teo: Let's go.

[The two goes down the stair]

Teo: This is Kraze's room. You'll be reporting to him starting tomorrow. Go and introduce yourself.

[Hero goes into Kraze's room]

Kraze: Heh. So you're Teo's boy. What's your name? Hero? I couldn't care less if you're the son of a great general. You'll get no special treatment here, understand? Now go on home. Work begins tomorrow. Report here first thing in the morning.

[Hero leaves the room]

Teo: Did you introduce yourself? I must admit I'm quite surprised that you've been assigned to such a weakling, but... Well, let's get going. Gremio must be worried sick.

[At General Teo's home, Gremio comes in rushing]

Gremio: Welcome home, Young Master. H-h-how did it go? Was everything OK? Were you nervous in front of the Emperor? I was soooo worried. But I guess everything went fine.

Teo: You shouldn't worry so much, Gremio.

Gremio: Oh! Master Teo... I didn't notice you at all.

Teo: Didn't notice me? Good grief. The only one you seemed to care about is Hero.

Gremio: Sorry, Master Teo. By the way, Young Master, Ted is here to congratulate you. Oh my god! The stew! The stew!

[Gremio rushes to his stew while Teo goes off to General Sonya's house. Hero heads upstairs into his room when Ted calls Hero]

Ted: I heard the news, Hero! You met the Emperor, didn't you? Tell me all about it. Please. Let's go up to your room, OK? Tell me all about the Emperor, right now!

[In Hero's room]

Ted: Please let me join your entourage. I owe so much to Master Teo, who adopted me when I was an orphan, and I want to return the favor. OK?

=====
1. Hero: Gee, I dunno.

Ted: Please, I want to work for the Imperial Guard too. Oh please..

Hero: Gee, I dunno

Ted: Oh, come on. I thought we were friends.

Hero: Gee, I dunno

Ted: Hey, stop giving me a hard time. You're really going to let me join you, right? I know what's on your mind.

2. Hero: Of course.

Ted: Great! I knew you were a good friend! Now for more important matters. What kind of man was the Emperor? And tell me about Windy, the Court Magician. Was she beautiful? Come on, tell me everything.

=====
[After a long conversation]

Ted: I see. I am sure I would like to see Windy in person. Hey Hero... I really don't know how to tell you this, but...ummm... Say Hero there's something I want to tell you. Can you keep a secret? Can you promise not to tell anyone what I'm about to tell you?

Gremio: Young Master! Ted! Supper is ready!

Ted: Hey, it's time to eat. Let's go, Hero. We can talk some other time.

[Hero and Ted takes a seat]

Teo: Are the glasses filled? Attention, everybody. Tomorrow morning. I must travel north. Hero will be responsible for the household in my absence. I'd like you all to give him full support.

Teo: Gremio.

Gremio: Y-y-yes...sir.

Teo: You've taken care of Hero since he was a baby. Thanks to your efforts. He's grown into a fine youth. I'm grateful to you.

Gremio: But Sir, I, this is my job, an-and besides, serving Young Master is a pleasure for me too...

Teo: I'm glad to hear it. I hope you continue to watch over him. Cleo, Pahn, I'm counting on you two as well to help and protect.

Cleo: Yes, Master Teo.

Pahn: Of course, Sir. Leave it to us.

Teo: And Ted, I hope you'll always be a good friend to Hero.

Ted: I'd do so even if you said otherwise, Sir. Right, Hero?

Teo: Enough talk. Let's eat before the food gets cold. Let's raise our glasses.

[Teo raises a glass]

Teo: To my son. To the Empire.

[In the morning, while Hero is sleeping, Teo and Gremio comes into Hero's room]

Teo: It looks like I won't be seeing your face for a while, Hero.

Gremio: Shall I wake him up?

Teo: No, let him sleep. It's not as if we'll never meet again. ... Gremio, take good care of him, won't you?

Gremio: I will, Master Teo.

[Later that morning Gremio comes in to Hero's room and Hero wakes]

Gremio: Oh, did I wake you up? Good morning. Listen, Young Master. Master Teo departed while you were sleeping. You're such a late sleeper... Today you start working as a member of

the Imperial forces. We must prepare to visit Commander Kraze.

[Gremio joins and the two heads down stairs to meet up with Pahn and Cleo]

Pahn: ...so the next time we have a day off... Hey, here he comes. You're late, Young Master. It's your first day on the job. I'm so excited! Whether it's battling bandits in Mt. Seifu or monsters on Lake Toran, Pahn here's your man.

Cleo: Calm down, will you? All you ever think about is fighting. Our job is to protect the Young Master.

Pahn: I know, I know. Now let's be on our way to the palace.

[Pahn and Cleo joins. Hero goes to the door to leave]

Ted: Hey, wait for me, Hero. How can you leave me behind? You know you'll be lonely without me, right, Hero?

[Ted joins]

[They leave the building and walks over to Kraze's room]

Kraze: Heh. So it's Teo's boy? You're late! You can't be pampered all your life, you know. Now for your first assignment. Listen carefully, because I'll only tell you once. Northeast of Gregminster lies the Magician's Island. Leknaat the Seer lives there. She has been commissioned to look into the stars. Go there and bring me her results. Are you listening? Tell me where the Magician's Island is.

=====

1. Hero: Northeast of Gregminster.

Kraze: Heh. At least you can understand what I'm saying.

2. Hero: Northwest of Gregminster.

Kraze: Do you have wax in your ears? The Magician's Island is northeast of here. Pay attention.

3. Hero: Somewhere on this earth.

Kraze: Don't think you can treat me like a fool just because you're the son of a great general. Keep acting up and you'll be sorry.

=====

Kraze: Heh. Here are the rest of your instructions. There is no boat to Magician's Island, but I've arranged for a Dragon Knight from the Knights of the Dragon's Den to take you there. You'll find him in front of the barn. The dragon will transport you to the island. By the way, Leknaat the Seer is

the youngest sister of Court Magician Windy, so you'd better behave yourself.

[The party steps outside]

Pahn: Gee, I was looking forward to your first job, and it turns out to be an errand. As if we were kids. I was hoping for something really exciting...

Cleo: Take it easy, Pahn. Besides, the astrological results are very important for the Empire. It's not such a bad assignment.

Gremio: You're right. And this job won't be so dangerous... Oh, I don't mean to imply you're not reliable, Master Hero, but...

Ted: Hey, Hero. We get to ride a dragon, and meet a real Dragon Knight! Dragon Knights are really cool. Come on, let's get going!

[Hero goes to the barn and finds the Dragon Knight]

Futch: Are you the Imperial Guard? I'm Futch, apprentice Dragon Knight, this is my dragon Black. Hey Black, introduce yourself.

[The dragon stretches his wings and makes a loud noise]

Futch: Isn't he cute? So you'll be going to Magician's Island. Black will take you there in no time.

Ted: You're a Dragon Knight? You're just a punk.

Futch: What did you say? You're a punk yourself!

Ted: I'm a punk? I happen to be 300-years...

[Gremio grabs Ted]

Gremio: All right, that's enough. Let's be on our way.

Ted: Let go of me, Gremio! He called me a punk!

Cleo: Oh boy, this is going to be-some trip.

Pahn: Take it easy, Futch. Let's get going.

Futch: OK, OK. Everyone climb aboard the basket on black's back.

[The party climbs aboard]

Futch: Are you ready? Hold on tight, or you'll fall off. Not that I'd mind if one of you did fall off.

Ted: Hey!

Cleo: Watch it. Quit fighting in the basket.

Futch: OK Black. Let's go!

[The dragon drops them at the shore]

Futch: Here we are. Speed make you dizzy? Well, my job ends here. I'll wait here until you're done. Be careful.

[The party sets north. After going north, the party encounters with someone]

Luc: How unusual to have visitors on this island. I must prepare an appropriate welcome. Wind Rune...

[The man summons a creature. After defeating the creature]

Luc: Wow, you guys are really something, beating my magic like that I'm impressed, Imperial Guards.

[Pahn steps forward]

Pahn: Hey! Have you got something against us, or what?

Luc: Take it easy. I know who you guys are. You've come to see Lady Leknaat, right? I just wanted to test you. I guess you're the real thing. Come this way, honored guests.

[Luc brings the party to Leknaat's mansion and the party climbs up the LONG stairs and finally reaches the top]

Leknaat: I was expecting you, messengers from the Empire. Oh my, what a cute messenger we have this year.

Ted: She says you're cute, Hero. How do you feel about that?

Leknaat: I'm sorry. You're a soldier of the Empire. I shouldn't call you "cute". I have prepared the Astral Conclusions. Follow me.

Gremio: Young Master, we must go to Lady Leknaat's.

[Hero follows Lady Leknaat]

Leknaat: Imperial messenger, here are the Astral Conclusions. Please take them.

[Hero steps up to take the Astral Conclusions]

Leknaat: !!! What's your name? I see. Hero--such a friendly name. I am an astrological magician. My job is to see the future in the stars. But the future is not unchangeable. All I can see is the overall flow of things. Hero, you are bearing a huge burden in the flow of destiny. You will have to make painful choices, and experience a great deal of pain and sorrow. And I know not what the outcome is. But always remember that your destiny is in your own hands. Never forget that. You must decide what is right. Do you understand? Here are the Astral Conclusions. My job is now done. But we will meet again. Not that I see our reunion in the stars... It's just my wish.

[Hero takes the Astral Conclusions and goes back to meet with the party]

Ted: You're back at last. You sure took your time. What were you up to in there, eh?

Pahn: If we don't hurry, Futch will get impatient and leave us behind. Let's get going.

Cleo: Don't be so rude to Lady Leknaat. Are you hungry or something?

Pahn: Shut up.

[Leknaat comes out]

Leknaat: You must be all bored. I'll have Luc take you to the shore. Luc?

[Luc appears from nowhere]

Luc: I'm here, Lady Leknaat.

Leknaat: Take Hero and his companions to the shore. And none of your tricks now, do you hear?

Luc: Of course not, Ma'am. I would never trick anyone.

Cleo: If you'll excuse us, Lady Leknaat, we'll be on our way.

[Leknaat walks over to Cleo]

Leknaat: You...

Cleo: Yes?

Leknaat: Your job is to protect Hero. Take this. It should come in handy sometime.

[Cleo receives the Fire Crystal]

Leknaat: Hero...Remember what I told you.

Luc: Ready, everyone? Then close your eyes. Wind Rune, show your power.

[Luc warps everybody. Meanwhile at the shore]

Futch: Boy are they late, Hey Black, think we should leave? The Imperial Guard should be able to fend for themselves.

[Hero, Gremio, Pahn and Cleo appears at the shore]

Pahn: What the?? Whoa, What's going on here? We're back here already. I've never seen such magic.

Gremio: You are a worthy apprentice to Lady Leknaat.

Cleo: That's all fine, but...where's Ted?

Kraze: So you will go to Rockland.

Kanaan: That's right, you'll go to Rockland.

Kraze: And tell them that their tax payment is overdue.

Kanaan: Tell them they're overdue.

Kraze: Shut up! Stop yapping while I'm talking.

Kanaan: That's right. All of you stop yapping.

Kraze: Idiot! Kanaan! I'm telling you to shut up!

Kanaan: Who, me?

Kraze: Forget it. Anyway, ask the military commander of Rockland about the tax situation. His name is Grady. And you'll take Kanaan with you on this mission.

Kanaan: Heh heh. Listen, all of you. I'm your superior in the Imperial Guard. Disobeying me means disobeying the Empire. Keep that in mind.

Cleo: What a creep.

Kraze: That's all I have to say. Now get on your way to Rockland!

[After leaving Gregminster the party sets out while Kanaan follows the party. They all come to Rockland and goes in to Grady's mansion]

Man: Hey, who are you fellows? This is Master Grady's mansion. You're not allowed in here. What do you want?

Kanaan: What did you say?! I'm Kanaan assistant to Imperial Guard Commander Kraze! Tell Grady to get out here!

Man: What! Y-yes sir, right away. Please wait a moment.

[The man walks over to Grady's room]

Grady: What is it? Those villagers come to complain again? Get them out of here.

Man: No sir. They're the Imperial Guard.

Grady: Whatever they are, I'm busy! Hurry up and...What? Imperial Guard! Did you say Imperial Guard? Why didn't you tell me sooner, you fool!

[Grady rushes out to see the party]

Grady: Welcome, welcome, members of the Imperial Guard. What brings you to this poor country town? Please come in.

[They all step into Grady's room. Kanaan takes a look at Grady's room]

Kanaan: Humph. Looks like you're doing very well here.

Grady: Oh no, not at all, sir.

Kanaan: Forget it. You know why we're here, don't you?

Grady: Indeed, sir. About the taxes, right? We've been troubled about that too. You see, some bandits settled on nearby Mt. Seifu, and have been pillaging the local villages. That's why we've been unable to collect taxes and deliver them to you. But I'm glad there's nothing to be worried about now.

Kanaan: What do you mean by that?

Grady: I speak, of course, of your arrival. The arrival of the courageous National Guard. Getting rid of country bandits should be an easy task for you. You're not afraid of them, I'm sure.

Kanaan: Ho ho! Of course not. Hmmm, bandits, eh? Ummm...well. We should be okay. Well crush them like flies. Ho ho ho!

Cleo: That's ridiculous. Our mission is to...

Pahn: Ha ha! I can't wait. I've been waiting for a good fight.

Ted: Me too. Let's teach the bandits a lesson. Right, Hero?

=====

1. Hero: Of course

Gremio: Young Master, we mustn't.

Cleo: Boys will be boys.

2. Hero: We should return home first.

Kanaan: What? I'm the leader of this party, and I say we go fight. Just shut up and follow me, you cowards.

=====

Kanaan: Fine, let's get going. Don't fall back now.

Gremio: I'm glad of your decision, but do you know where Mt. Seifu is?

Kanaan: Sh-shut up. I was just about to ask you.

Grady: Mt. Seifu is east of Rockland.

Kanaan: Fine, Now let's go!

[The party goes to the nearby mountain. After walking for several hours, the party encounters a huge Queen Ant blocking their way. After an impossible fight with the Queen Ant the party backs away]

Pahn: Damn, she's powerful! We'll never beat her!

Cleo: At this rate we'll get wiped out.

Kanaan: Fools! What are you saying! You must protect me.

Gremio: Young Master, let's run. I'll protect you.

Cleo: I don't know if we can make it.

Kanaan: Do something!

Ted: Hero, everybody, stand back. I have an idea.

=====

1. Hero: OK, Ted.

Ted: Let me handle this. Did I ever let you down?

2. Hero: Don't be reckless, Ted

Ted: Don't worry, Hero. Let me handle this. But... Thanks for being considerate, Hero.

=====

[Ted walks up and challenges the Queen Ant, casting a weird Black Dome magic on the Queen Ant. The Black Dome sucks the Queen Ant and disappears]

Kanaan: What the hell??

Gremio: Ted! How did you do that?

Ted: Sorry, but I can't explain right now. Hero, I'll tell you when we get home. But don't ask now. Anyway, let's get rid of the bandits and go back to Gregminster.

Kanaan: Hmmm, this must be what Commander Kraze was talking about.

[The party goes deeper into the mountain and comes out on top. The party goes up a little and sees a two bandit]

Varkas: Well well, we have visitors. How unusual. What do you want?

[Kanaan proudly steps forward]

Kanaan: Listen up, you bandits. I Kanaan, Assistant Commander of the Imperial Guard of the Golden Emperor Barbarosa, have come here to teach you a lesson. Turn yourselves in, you tax thieves.

Varkas: Did you hear that? He says we're the tax thieves. Listen here, you petty clerk. I'm Varkas the Whirlwind Axe.

Sydonia, you introduce yourself too.

Sydonia: Heh, why bother?

Varkas: Affable fellow. Anyway, that there is Marksman Sydonia. You Imperial tax robbers better get out of here before you get hurt.

Pahn: I'm the renowned Imperial hero...

Cleo: Shut up! Don't you join in their games.

Kanaan: Listen, bandits. If you don't give yourselves up, you'll be sorry.

Varkas: You wanna fight? Fellas, go get'em!

[4 bandit comes out. Kanaan steps back]

Kanaan: Whoaaaaaa! These guys are serious! W-what are you doing? Hurry up and fight! Fight!

[The party easily defeats the bandits]

Varkas: You guys are hopeless. I'll take you guys on myself. Sydonia, give me a hand.

Sydonia: Heh.

[The party fights the two. Cleo uses the Fire Crystal that Leknaat gave and the others finishes the two off]

Pahn: Give up? Ha ha!

Gremio: Phew! Are you all right, Young Master?

Kanaan: Heh heh heh. That's what you get for defying me.

Cleo: You didn't do a thing.

Varkas: Damn. How can I be defeated by Imperial dogs.

Kanaan: Capture the bandits.

[The party captures the bandits]

Kanaan: OK, our work is done! Let's get the hell out of here!

[The party goes down to leave]

Pahn: Phew. That idiot sure moves fast on the way down.

Kanaan: Hurry it up, you all. We're off to a hero's welcome in Rockland. Ha ha!

[The party comes in to Rockland and enters Grady's mansion]

Man: Welcome back, Master Kanaan. What happened with the bandits? What, you captured them? I'll get Master Grady right away. Please wait a moment.

Ted: Ok then. Hero, go on home. I'll see you later. Besides, I have something to tell you.

Kanaan: Let's go, Ted.

[Kanaan leaves with Ted. The party goes home]

Pahn: Finally, home sweet home.

Gremio: Young Master, I'll prepare some food right away]

[They all has a nice dinner]

Pahn: Phew! I'm stuffed. Sure beats the dried meat we've been eating. Finally some food fit for humans.

Cleo: What are you talking about? You'd eat anything to fill your stomach.

Pahn: You've got a point there. Ha, ha, ha, ha!

[Gremio comes in]

Gremio: Young Master, I've made some tea.

[Hero goes downstairs and sees Ted lying in the floor with a wound]

Ted: Uhhhhhh...

[Gremio comes down]

Gremio: Young Master, what in the... Cleo! Pahn! Give us a hand!

[Cleo and Pahn comes down to see what's happening]

Pahn: Ted! What happened?

Cleo: All this blood. And this wound, it's not natural. Magic?

Gremio: What are you doing? Bring him in immediately. Young Master, give us a hand.

=====

1. Hero: Help

Gremio: Ready? Put your hand on my shoulder and...heave ho...

[Gremio and Hero takes Ted to Cleo's bed]

2. Hero: Don't help

Gremio: Young Master! Don't just stand there!

Cleo: Take it easy on him. Look what's happened to his best friend. He's in shock. Can you blame him? I'll help. Young

Master, let me through.

[Gremio and Cleo takes Ted to bed]

=====

Cleo: What happened? Was he attacked by thugs on his way back from the palace? But then, why would he have a magic wound?

Pahn: He's coming around.

Ted: Uhhh... ohhh... where am I? Where are they? The Imperial Guard, aren't they here yet? Help me Hero.

Gremio: Relax. Everything's fine. Tell us what happened after you calm down.

Ted: Gremio, I...

[A flashback scene]

Ted: Hurry up, will you. I'm starving.

Kanaan: Keep quiet and wait. Commander Kraze is seeing Lady Windy now.

[Kraze comes out]

Kraze: All right, Ted. Follow me.

Ted: OK, OK.

[Ted follows Kraze into the room]

Windy: It's been a while, hasn't it little man. You haven't changed a bit in 300 years. I'm envious.

[Ted backs. Kraze and Kanaan blocks the exit]

Ted: You! You're that witch!

Windy: Well now, you remember me, do you? That pleases me. Of course you've never left my mind for a moment. Now give me that rune you have in your right hand.

Ted: No way! I'd rather...

[Ted backs away]

Windy: What are you doing??

[Ted raises his right hand]

Ted: It's the Cursed Rune, the "Soul Eater." Its power...

[Windy steps forward]

Windy: Don't be a fool. If you use that here, you'll destroy yourself too.

[Ted uses the Soul Eater rune. Back to the Hero's house]

Ted: Hero, please...

Pahn: Hey Ted.

Gremio: He's passed out again.

Pahn: What is going on here? It seems the Imperial Guard was after him. But how can that happen...

[Gremio steps forward]

Gremio: What are you accusing Ted of? He's a good boy!

Pahn: I don't know, Cleo. Maybe we'd better contact the Imperial Guard.

[Gremio backs Pahn off]

Gremio: Why? Your best friend would never do anything to harm the Empire! Why should we call the Guard?

Pahn: But we can't be sure. We can't cause problems while Master Teo is away.

Cleo: Well then, we'll wait until Ted wakes up.

[Hero talks with Pahn]

Pahn: Young Master... Ted's fever isn't getting any better. I'm going to go wake up the shopkeeper and buy some medicine.

[Pahn leaves the house to get some medicine]

Gremio: It won't stop raining.

Cleo: It's a nasty rain. Gives me the shivers.

Ted: Uhhhhh...

Cleo: He's waking up...

Ted: N..... I'm sorry...to be a bother.

Gremio: Forget it. What did you mean by "Soul Eater"?

Ted: Hero, please... Will you do something for me?

=====

1. Hero: No.

Ted: Please, Hero. A big favor...

Hero: No.

Ted: All right. I'm always asking you for "big favors", but

this is the last one. Please...

Hero: No.

Ted: Please, Hero. I'm in pain. Don't tease me...

=====

2. Hero: What is it, Ted?

Ted: Hero, take off my right glove...

[Hero takes the glove]

Gremio: What's this?

Cleo: Not one of the 27 True Runes?

Ted: Yes, it is. This one is called the "Soul Eater"... the Cursed Rune... The source of all this trouble, and the reason the Court Magician - Windy - is after me...

Gremio: Why? Why Lady Windy? Why would she do such a thing?

Ted: I don't know why, but that witch wants this rune. I've been wandering the world for 300 years, trying to escape from her. I never thought she'd find me here. My mistake was using the rune's power at Mt. Seifu.

Cleo: Is this what you used to blow away the Queen Ant?

Ted: Hero....., with this wound, I'll never escape from that witch. I hate to bring friendship into this. And knowing it will bring unhappiness. But.... But....., you're the only one! Please! Please protect this rune! This Cursed Rune must never fall into the hands of Windy. You're the only one I can entrust this to. Please, take it.... Please take this rune.

=====

1. Hero: No.

Ted: You're the only one... I can depend on.

Hero: No.

Ted: Please.... Please don't let my 300 years of suffering be for nothing.

Hero: No.

Ted: Hero.... You're the only friend I have... Please... take this rune.

=====
2. Hero: I'll take it, Ted. Don't worry.

Ted: Thank you, Hero. This rune... may bring you suffering. If it does, blame me. But you must never...., never let it fall into Windy's hands. Give me your right hand. Hero.

[Hero kneels and takes the Soul Eater. A light comes unto Hero]

Ted: And now.... I... can... Relax.

[Noises comes from outside]

Gremio: Y-yes?

Cleo: Out front. Follow me, Gremio.

Gremio: Yes, Cleo.

[The party goes to the front and sees Kraze, Pahn, Kanaan and some Imperial Guards.]

Kraze: So, Young Master McDohl is here too. Give us Ted. We know he's here. Loyal Pahn here told us.

[Cleo steps forward]

Cleo: Pahn! You!

[Gremio steps forward]

Gremio: Why, Pahn? How can you do this?

[Pahn turns away]

Pahn: I can't allow any trouble to happen while Master Teo's away. I can't lose his trust in me. Please understand.

Kraze: Drag Ted out of there.

[The Imperial Guards steps forward]

Cleo: I won't allow it, Kraze. No one, even a Commander of the Imperial Guard can enter Master Teo's house without just cause.

Gremio: That's right! I swear on my hatchet I won't let you pass.

[Ted comes out]

Ted: W-wait.

Kraze: So you're giving up, huh?

[Ted whispers]

Ted: Hero..., they think... I still have the "Soul Eater".

I'll be the bait...while you escape.

Gremio: Then what about you, Ted.

=====

1. Hero: No.

Ted: Don't worry about me. I'll get away too...

Hero: No.

Ted: I trust you. So you must trust me too...

Hero: No.

Ted: Don't disappoint me. I know that you... You can understand how I feel.

=====

2. Hero: All right.

Gremio: Young Master! With that wound, Ted will never get away.

Cleo: Quiet, Gremio. Young Master knows it too. But he must keep his promise to Ted by leaving right away. Right, Young Master?

Ted: H-hurry!

Gremio: I understand. Young Master, let's escape through the back of the kitchen.

[The party escapes through the back of the kitchen]

Ted: Thank you. Hero.... In 300 years, you were my only... My only true friend.

[The party heads for the inn]

Marie: Oh my.

[Marie the inn owner comes near to see the Hero]

Marie: Why, aren't you the young Master McDohl? What in the...come on in.

[Later that morning at the roof top room]

Marie: What's going on here? Imperial soldiers running around, while you come scurrying in soaking wet. What the... Oh well, forget it. You probably can't tell me about it. Don't worry. You're welcome to hide out here. I'll put it on your tab.

Gremio: Thank you so much.

Gremio: Young Master, try not to wander about.

[Hero goes downstairs and walks up to the door. An Imperial Guard and a Imperial Soldier comes in. The Imperial Soldier bumps into Hero]

Imperial Soldier: Whoa...ouch! Watch where you're going, you little runt. I get called to duty on a holiday, sent out to search for someone all night, finally find a moment to catch some rest...and you come along!

=====

1. Hero: Shut up, you fool.

[The Imperial Soldiers jumps in surprise]

Imperial Soldier: What kind of language is that? We're Imperial soldiers, your protector! Hey wait the minute. You look familiar...

2. Hero: (We'd better try not to be inconspicuous.)

Imperial Soldier: Halt, you little runt. Who do you think you are, bumping into me and not apologizing. What kind of upbringing did you have? Hey, wait a minute. You look familiar...

=====

[Hero backs when Gremio and Cleo comes rushing out]

Gremio: Y-y-young Master, are you all right?

[Cleo steps forward]

Cleo: Hey, you! Who do you think you are!

Imperial Soldier: Who are you? And what's this "Young Master" business?

[The Imperial Guard steps forward]

Imperial Guard: You! Show me his face. You look like that fugitive, the McDohl kid.

[Gremio steps forward]

Gremio: What did you say?

Cleo: Any more of a fuss, and we're in big trouble.

Gremio: Young Master, get away while we hold them off.

Cleo: Guess we have no choice. Here we go.

[Gremio and Cleo steps forward to fight when Viktor comes in and stops them]

Viktor: That's enough, young fella. You too, Imperial big shots. Use your heads. Would fugitive from the law still be hanging around here? They couldn't be that stupid.

Imperial Soldier: I-I suppose you're right. We just wanted to be sure..

Viktor: Stop it, your scaring them. Leave it to me to kick them out.

Imperial Guard: Hey, wait a minute...

[Viktor takes the three out of the inn]

Imperial Soldier: Don't worry. There's no reason why we should be loyal to the Empire.

Marie: Hey! It's that guy!

[The party rushes out to a safe place]

Gremio: Thank you very much.

Viktor: No big deal. I was just wondering how to pay for my meals, and...

Gremio: You mean...

Cleo: You did that just to bilk the...

Viktor: Come, come, let it go, eh? Well then, thanks for helping us out.

[Viktor goes away. The party goes back to Viktor]

Viktor: What's the matter? You look troubled. Heh heh, I know who you are. That rebel McDohl kid, right?

Gremio: We are not rebels!

Viktor: I couldn't care less either way. Incidentally, how do you plan to escape this place? I have an idea, if you care to listen. I am used to this kind of thins. Interested?

=====

1. Hero: I'm not sure I can trust you.

Gremio: I agree, Young Master. I can't trust him either.

Viktor: Oh, come on.

Hero: I'm not sure I can trust you.

Cleo: We can't trust him, yet we have no alternative.

Viktor: Exactly. You're a smart one, young lady.

Hero: I'm not sure I can trust you.

Viktor: Well, OK then. Do as you like.

=====

2. Hero: All right. Help us out.

Viktor: Leave it to me. But I have one condition.

Gremio: Here we go.

Viktor: It's no big deal. If you succeed in escaping, I'd like you to meet someone. A small request, right? So it's a deal. Let's hurry. First we must go to the palace gates. Don't worry, I won't hand you over to the Imperials.

[The party heads for the exit]

Viktor: Well then, I'll go talk to them. Just relax and wait here.

[Viktor goes and talks to the Imperial Soldier who is blocking the exit. Viktor comes back]

Viktor: Everything's OK. Make sure you hide your faces.

[The Imperial Soldier makes a way]

Imperial Soldier: sure is hot around here. Think I'll get in the shade...

[The party exits]

Gremio: Phew! We did it. I thought my heart would burst.

Cleo: How did you do that?

Viktor: No big deal. I just gave him a little gift. Imperial soldiers act tough, but money's their weakness. That's the state of things in the Imperial Capital. Corruption is everywhere. Everything's about to come apart at the seams.

Cleo: That's too bad.

Gremio: Say, how did you bribe him? You just told us you had no money.

Viktor: Why should I use my own money to help out you get away?

Gremio: What do you mean? Hey, my wallet! When did you...?

[Viktor gives the wallet back]

Viktor: Here you go. I suggest you keep a better eye on it. And now for our little promise. You haven't forgotten, have you, little fella?

Gremio: It's Master Hero!

Viktor: Ok, so it's Master Hero. I'd like you to meet someone in Lenankamp. Agreed?

=====
1. Hero: It's a promise.

Viktor: Fine. Now let's get out of here. Lenankamp is due south of here.

2. Hero: I've never heard of Lenankamp.

Viktor: Ignorant of the real world, eh, Master? It's a quick trip south. Let's get going.

=====
[The party heads south to Lenankamp]

Viktor: Here we are in Lenankamp, Hero. Not much of a place, but they do make fine tea here. ha ha ha ha ha! Well then, it's about time I got to work. Let me go make some arrangements. I may be late, so take a look around.

[Viktor goes off]

Gremio: Who is this fellow that Viktor wants us to meet? You know, I can't quite trust that man.

Cleo: I have no idea. So, what shall we do now? I'd love to take a shower...

[The party goes to the inn to rest]

The Inn Owner: So you are a friend of Viktor's. Well then, I will prepare the best rooms we have.

[At the room]

Gremio: I guess what's-his-name, Viktor...never returned.

Cleo: But we didn't make any other plans. Let's wait a bit longer, and if he still doesn't show up, we'll head north. Perhaps Master Teo can help us.

Gremio:.....Cleo. Why...did Pahn...

Cleo: Don't... Gremio...

[Noises comes out at the front]

Gremio: What's going on? At such a late hour.

[Imperial soldiers comes in]

Imperial Soldier: We've heard that some fugitives are staying

here. We'll look around.

The Inn Owner: But sir, our guests are sleeping.

Imperial Soldier: Shut up! Do you plan to harbor Rebels?

Gremio: Young Master, they're coming for us! Viktor! He must have ratted on us! I knew we shouldn't have trusted him!

Cleo: This doesn't look good. They'll find us for sure.

Gremio: Wh-what should we do, Young Master?

=====

1. Hero: Let's fight.

Gremio: Y-yes, Young Master. I, Gremio, will protect you with my life...

Cleo: Oh, stop it, Gremio. He was kidding. There's too many of them. Calm down.

2. Hero: I'm scared. Let's run.

Gremio: G-good idea. From this window...

[Gremio tries to open the window]

Gremio: Here we go...huh? It's jammed. Won't...open.

Cleo: Hurry. They're coming nearer.

=====

Gremio: We're in big trouble now.

Cleo: Gremio, maybe we can get Young Master out before...

[A sound comes from the clock]

< This way! Hurry! >

Gremio: Who was that?

[Hero goes near the clock. The clock moves showing a secret stair and a woman]

Odessa: What are you waiting for? Hurry! Do you want to get caught?

Gremio: Wh-who are you?

Cleo: Whoever it is, thank god!

[The party goes down the stairs]

Odessa: So you're the "new friends" that Viktor told me about.

Everyone's waiting. Follow me.

[The three follows her into a room with 4 people]

Viktor: Sorry Hero, you must have had a tough time. But it was exciting, wasn't it?

Gremio: What's going on here?

Viktor: I didn't think I'd give myself away so soon. Oh well, now that you've met Odessa...

Cleo: Odessa? The name rings a bell...

Gremio: You don't mean...the Rebel Army...

Odessa: Rebel Army? We prefer to call ourselves the Liberation Army. But who cares about names. Let me introduce myself. I'm Odessa Silverberg, leader of the Liberation Army. How do you do?

Flik: Viktor. Are these the people you wanted us to meet?

Viktor: That's right. Prepare yourselves for a surprise. This here is the son of General Teo McDohl. And a fugitive to boot. Don't you think he'll be a great asset to the Liberation Army?

Gremio: You've got to be kidding! Why should Young Master join the Rebels? Right, Young Master?

=====

1. Hero: Who says I'll join?

Flik: So he says.

Viktor: Well, perhaps... umm...we can convince him, right? He has nowhere to go, anyway.

2. Hero: Maybe I should join the Liberation Army.

Viktor: So he says. He's interested.

Flik: No way. Recently many of our hideouts have been discovered. There must be a spy among us. With all the problems we already have, we can't afford to recruit complete strangers.

=====

Odessa: I guess you've all been fooled by Viktor as well. Whenever he takes a liking to someone, he just drags them in. But they do appear to be hunted by the Imperials, and the town's still full of soldiers... You may stay until things blow over. Whatever decision you make afterwards is up to yourselves.

Gremio: Y-you've got to be kidding, Young Master. Join the

Rebels? No way.

Cleo: Rebels...Liberation Army... well why not? Maybe we should become true Rebels. On the other hand, what will Master Teo think?

[The party heads for the exit. On their way the party finds a wounded bandit lying]

Gremio: Ah-are you all right?

Bandit: I=I must tell...Lady Odessa.

Cleo: Let's take him inside.

[The party takes the bandit inside]

Bandit: Where are we?

Odessa: Don't worry. This is the Liberation Army hideout. Have you a message for me?

Bandit: You must be Odessa. Thank goodness. I'm one of the Mt. Seifu bandits. But we only attack those rotten Imperials. Anyway, the other day, the Imperial Guard came over and captured our bosses... Varkas and Sydonia.

Gremio: Varkas and Sydonia? Could they be...

Cleo: Shhh....Be quiet.

Bandit: Lady Odessa, please. Help Varkas and Sydonia. That rotten Grady of Rockland has strung them up to starve to death.

Cleo: Outrageous! Execution without trial! Even by Imperial Law, that's illegal.

Odessa: How awful...

Flik: But Odessa... Imperial surveillance has been intense lately. We have to keep a low profile.

Odessa: I'm aware that we're understaffed. But the bandits have asked for our help. We can't let them down.

=====

1. Hero: This has nothing to do with us.

Cleo: Young Master. Varkas and Sydonia are those bandits we captured.

Hero: This has nothing to do with us.

Gremio: Young Master, don't you care?

Hero: This has nothing to do with us.

Cleo: Young Master, you must be willing to admit to your

mistakes.

2. Hero: It's our fault.

Odessa: What do you mean, it's your fault?

Gremio: We...

=====
[After a explaining everything]

Viktor: I see. Well, even if you didn't know what you were doing, you still have to claim responsibility, right, Hero? You must rescue Varkas and Sydonia. I'll help you too.

Cleo: I agree. I don't plan to betray the Empire, but Grady is unforgivable.

Gremio: You're right. Undoing Grady's wrongs would be good for the Empire... Besides, if Young Master gives the orders, I will follow.

Bandit: Thank you. Varkas and Sydonia are strung up at the home of Rockland's military commander. If you don't hurry, they'll dry up. Please help them.

Odessa: Hero, I beg of you too. Viktor, you go too.

Viktor: Leave it to Viktor. Let's get going, Hero. Rockland, here we come!

[Viktor joins. At Rockland, the party heads for Grady's mansion and finds an Imperial Soldier blocking the door]

Imperial Soldier: Who are you? You've no business here. Get out, or you'll be strung up like those bandits there. Ha ha ha ha!

[A screen shows Varkas and Sydonia strung up. The party goes away to discuss]

Gremio: Security's pretty tight. It'll be tough sneaking in.

Viktor: Leave it to me. I'm used to things like this.

[Viktor goes off. After several minutes, a man comes shouting]

Man: Help! Help! The Grady mansion is on fire! Fire! Fire!

Imperial Soldier: What?!

[The two goes off to stop the fire. Viktor comes back]

Gremio: Viktor! What have you done? You didn't...?

Viktor: Heh, heh. I didn't do anything. It must be the dry weather.

Gremio: My goodness! Young Master, don't you dare take after someone like this!

[The party enters the mansion and defeats the Imperial Soldiers that were around the area. The party defeats yet another Imperial Soldiers that were blocking the way. After sneaking around for a while the party comes across a 5 Imperial Soldiers. After defeating the soldiers, the party finally comes out to where the bandits are]

Varkas: Uhhh, what's going on?... I can't see... My god! It's you Imperials! Why are you here? Have you come to laugh at me?

Gremio: Of course not. If we'd known what sort of fellow Grady was, we never would have helped him.

Cleo: A few things happened, and now we're wanted by the Imperials, just like you. We'll help you out.

[The party sets Varkas free]

Varkas: Thanks. Get my buddy too, will you?

[Sydonia frees himself]

Sydonia: Ha. Not necessary.

Varkas: Sydonia! Why you... If you've got tricks like that, why didn't you escape sooner?

Sydonia: Ha. Can't very well escape alone.

Varkas: Sydonia? You...

Viktor: Hey, let's get out of here.

[The party retraces their way back and comes across to Grady]

Grady: You...you dare to turn against the Emperor, free the bandits, and even...even set my house on fire! You'll be sorry!

[Varkas steps forward]

Varkas: So you want a fight? Don't think you're the only one with a grudge. Why I'll cut out your eyeballs...

[Grady backs]

Grady: What? Oh, well...

[Sydonia steps forward]

Sydonia: Ha. I'd rather tear him to pieces.

[Grady backs again]

Grady: Um, please...Well, you see... You'll regret this! I'll tell Master Kraze about this. You'll get yours!

Cleo: Fire spear?

Odessa: Right. The Liberation Army may be tiny now, but someday we'll be big enough to meet the Imperials head-on. When that day arrives, the fire spear will come in handy.

Sanchez: We spent good money for this at the Dwarf Mines.

Odessa: Hero, this blueprint must reach our secret factory, but we can't leave this hideout unattended. I'd like you to take on this assignment.

[Gremio jumps in surprise]

Gremio: Enough! Don't you understand that we're members of the Imperial Army? How can you expect us to betray them? Let's go, Young Master. No need to stay here any longer!

[Gremio drags the Hero]

Odessa: Wait!

[Odessa steps forward]

Odessa: Do you have any idea what the Empire is really doing? Do you know what the people want? Or will you pretend to ignore all that? Gremio, you saw with your own eyes, heard with your own ears. Are you willing to ignore the truth despite all you see and hear? What about you, Hero? Do you still want to return to the Empire? And continue to be McDohl's little boy?

=====

1. Hero: Since I'm a member of the Imperial Army...

Odessa: Fine, I understand. I don't want to force my beliefs upon you. But, if you should change your mind, please come back.

[Hero comes]

Odessa: Hero! I knew you'd return, will you help us?

1a. Hero: I mean...

Odessa: I see. You haven't decided. That's all right. I'm willing to wait.

1b. Hero: I guess...

Odessa: Thank you.

2. Hero: My father goes his way, I go mine.

Gremio: Wait just a moment, Young Master. Talk like that and you'll never rejoin the Imperials. Don't you care? Come on Cleo, talk to him.

Cleo: I go where Young Master goes. My job is to protect him. Those are the orders I received from Master Teo.

Gremio:

=====
Odessa: Hero, let me explain. This is a blueprint for a fire spear. It has to be delivered to the Liberation Army's secret factory.

Sanchez: Northwest of Lenankamp, across the river, lies Mt. Tigerwolf. Over the mountain is a village called Sarady. Someone from the factory will meet you there.

Flik: Odessa, I just don't get it. Why do you insist on this guy? He may be an Imperial spy. Yet you want to give him the blueprint for something that could change the destiny of the Liberation Army?

Odessa: Don't worry. I'm going too.

[Flik steps forward]

Flik: What? If you're going, I'm going too.

Odessa: Flik, if you come along, who's going to protect this place? It's about time you began acting like a leader.

Viktor: Don't worry, Flik. I'll protect Odessa, if you promise to protect this hideout.

Odessa: It's settled. To Mt. Tigerwolf, then.

[Odessa joins. The party finally reaches Mt. Tigerwolf]

Viktor: The sun's beginning to set. Do you think we can cross the mountain before dark?

Cleo: I don't want to spend the night out in the open.

Odessa: In any case, we have to go up. Let's go.

[After walking for several hours, the party finds an inn]

Ledon: Welcome, travelers. Coming up at such a late hour? You've really got guts. But you'd better stop here and continue tomorrow. It's dangerous around here, what with all the bandits and all. Why don't you spend the night here?

Odessa: Sorry. We're in a hurry.

Viktor: Great idea. My feet are killing me.

Gremio: For once I'm in agreement with you. I'm not sure I can

go on.

=====
1. Hero: Me too.

Viktor: That's it then. Say, old man, do you have any tea?

Ledon: Of course, sir. Come this way.

Cleo: Oh well. Odessa, I guess we have no choice but to spend the night here.

Odessa: To tell you the truth, my feet are killing me too.

2. Hero: We'd better go on.

Viktor: You must be kidding. I've lost control of my feet.

[Viktor walks towards the inn]

Gremio: Me too.

[Gremio walks towards the inn]

Cleo: Oh well. Odessa, are your feet moving of their own accord too?

Odessa: To tell the truth, mine want to rest too.

[Cleo and Odessa walks toward the inn]

Viktor: I'm going in, Hero.

=====
[The party goes in to rest and takes a seat at the table]

Ledon: Excuse me. Why don't you have some of this before supper. It's special tea from Mt. Tigerwolf.

Viktor: Let's give it a taste.

[Everybody drinks the tea except Hero]

Gremio: Ugh. It's pretty bitter.

Cleo: Very bitter.

Ledon: Here's some for you too.

=====
1. Hero: Not if it's bitter.

Ledon: Come on, just a taste.

Hero: Not if it's bitter.

Ledon: It's not that bad. Besides, it's good for you.

Hero: Not if it's bitter.

Ledon: Please, Have some.

=====
2. Hero: Just a taste, then

Ledon: Here you go. But be careful, it's very hot.

[Hero tastes the tea]

Odessa: Hmmm. Smells kind of funny, doesn't it?

Viktor: Say, old man, what's this tea called?

Ledon: It's a special Mt. Tigerwolf brew called "Robber's Tea."

Gremio: That's a weird naaaamm ffggghhrrr...

Cleo: My god! This is...

Viktor: Hey you! What have you gggvvvnnn uusmmgghh...

Cleo: Damn! Such an old trickkkggghhhh...

Gremio: Ynnnggggghhh MMsshhttrrr...

[Everybody is seen sleeping in the floor]

Ledon: Heh heh heh. Everyone's asleep. Thanks to the drugged tea of Mt. Tigerwolf.

[Ledon searches everyone]

Ledon: Wow! For a bunch of stragglers these guys are loaded. Looks like we'll be living the food life for a while.

[A man enters]

Kessler: Hey Ledon! How've you been? Doing well for yourself I see.

Ledon: Why it's Boss Kessler. Welcome, welcome. As you see, I just pulled a job...

[Kessler comes near to see Odessa]

Kessler: And a fine-looking woman in the bunch, too. Wait the minute, this here is... Ledon! What have you done, you fool!

Ledon: W-what do you mean??

Kessler: Do you know who this is?

Ledon: Just some stupid traveler, I should think.

Kessler: Idiot! Even an ignoramus like you must have heard of Lady Odessa of the Liberation Army.

Ledon: Why of course, Boss. Even kids know who Lady Odessa is... You don't mean that this here is??

Kessler: Yes I do. Hurry up and prepare an antidote.

[Ledon prepares an antidote]

Ledon: Uh, let me see, a rabbit's tail, rose leaves, a handful of sugar...

Kessler: Ledon, if anything happens to Lady Odessa, you can say goodbye to your head!

[Ledon panics]

Ledon: Yikes! Rose's tail, sugar leaf, handful of rabbits...

[Ledon makes an antidote and finally cures everyone]

Kessler: Forgive me, Lady Odessa. Without knowing it, I nearly committed my life's gravest error. If you like, I'll make Ledon here pay with his...

Ledon: Please sir! Spare my head.

Odessa: Don't be ridiculous. I'll have to be more careful from now on. Maybe I do trust people too much, like Flik says.

Ledon: I have no way of apologizing, but please stay here for the night. I'll do what I can by way of hospitality.

Viktor: But no more poison, you hear?

[In the morning, Hero wakes up and talks with Kessler and Ledon]

Ledon: I'm going to give up serving poisoned tea. I've learned my lesson.

Kessler: Are you a member of the Liberation Army too? I see, so you're not. Lady Odessa is a true heroine. She's serious about overthrowing the Empire. There are many who express discontent, but only she means to do something about it. I hate the Empire too, but I'm just a bandit. Lady Odessa is our hope for freedom.

[Everybody wakes up except Odessa]

Gremio: Good morning, Young Master.

Viktor: You're up early, Hero.

Cleo:

Viktor: Hey Gremio, why is Cleo in such a bad mood?

Gremio: Don't bother her, Viktor. Cleo is always in a bad mood when she wakes up.

[Odessa comes out]

Odessa: I see everyone's here. Today we reach Sarady.

Ledon: Leaving already? I'll unlock the door.

[Ledon unlocks the door. The party goes their way and after going for several hours, the party finally comes out of the mountain and enters Sarady]

Odessa: We're supposed to meet a messenger from the secret factory at an inn in this town. Where could it be?

Gremio: It's a small town. We'll find it soon.

[The party finds the inn]

Odessa: This must be the inn. Let's rent some rooms and wait for the messenger.

[The party rents a room and rests. At night, Hero goes outside to the balcony to have a breath and sees Odessa]

Odessa: Hero, can't you sleep? Me neither. But the night breeze makes me feel better. Can I tell you something?

=====

1. Hero: What is it?

Odessa: Kessler of Mt. Tigerwolf, Flik, Humphrey, Sanchez-they all expect so much of me. But sometimes I feel like running away. I'm not sure I'm worthy of their hopes. What do you plan to do? Will you return to the Empire?

1a. Hero: Of course.

Odessa: I see. Do the next time we meet, we'll be enemies. Hero, just as I follow my destiny, so must you follow yours. But when you return to the Empire, remember this: You must see with your own eyes, think for yourself, and follow your heart.

1b. Hero: I don't understand.

Odessa: Use your head. You have the ability to judge right from wrong. Your father is a Great General of the Empire. Perhaps you'll be able to return to a peaceful life. But remember that you can't turn away from what you see and what you feel. Because if you do, that's a sin...

2. Hero: I'm not interested.

Odessa: I see... Let me ask you this, then. Do you still want to return to the Empire?

2a. Hero: Of course.

Odessa: Of course you do. Your father is Teo McDohl, Hero of the Empire. My father, Leon Silverberg, also fought for the Emperor in the War of Succession seven years ago. I, like you, was brought up in the aristocracy, pretending to be blind to the injustices and discontents that permeates the Empire. But one day, I realized that I'm not just Silverberg's daughter, but an independent woman named Odessa. I hope that you, too, will someday be called Hero McDohl, rather than "Teo's son". Remember that you are you.

2b. Hero: I don't understand.

Odessa: Then why do you think Gremio and Cleo follow you wherever you go?

2b.1. Hero: Because they have orders from my father.

Odessa: That's not true Hero. They follow you because they love you. They aren't putting themselves in grave danger because of orders. Cleo and Gremio want to protect you because you have something within yourself that makes them feel that way. Always remember that.

2b.2. Hero: I wonder why.

Odessa: That's not true Hero. They follow you because they love you. They aren't putting themselves in grave danger because of orders. Cleo and Gremio want to protect you because you have something within yourself that makes them feel that way. Always remember that.

=====

Odessa: You're strange. I feel compassion when I'm with you. I suppose Viktor brought you to us because he felt that special quality in you. There are many on the Liberation Army. Humphrey, Sanchez, Mose...and Flik....but nobody has eyes like yours. Eyes that draw people to you. Many people... If I should ever...

[Something comes near]

Odessa: Who is it?!

[A ninja comes]

Kage: My name is Kage. I have been sent by Sir Mose, chief of the secret factory.

Odessa: Mose certainly keeps unusual company. How is he? I received a letter from him mentioning that a pigeon of his was sick. I find it hard to imagine Mose taking care of a sick pigeon.

Kage: Very strange, lady. Sir Mose does not keep any pigeons.

Odessa: I'm sorry. I was just testing you.

Kage: I never betray a contract.

Odessa: This is the blueprint for the Fire Spear. Please deliver this. The future of the Liberation Movement depends on it.

Kage: Understood. I will go now.

[Kage takes the blueprint and leaves]

Odessa: It's getting late. Hero, we'd better rest.

[Odessa goes to her bed and so does Hero. The next morning]

Viktor: What do you mean, our job is done?

Odessa: We finished our business last night, didn't we, Hero?

Cleo: Come to think of it, Young Master's bed was empty in the middle of the night.

Gremio: Y-y-young M-m-mast-ter, what were you up to? Something you can't tell me?

Odessa: Come, let's get going, Hero.

Gremio: Y-y-young M-m-master!

Cleo: Let's go, Gremio.

[The party heads out back to Lenankamp. The party finally reaches Lenankamp and enters the inn. The party sees the innkeeper, horribly wounded]

Odessa: What happened? Are you all right?

Inn Owner: The Imperials... They suddenly... I'm sorry...Lady Odessa.

Odessa: My god!

[Odessa goes ahead]

Viktor: Hey, Odessa.

Gremio: Let's go after them, Young Master!

[The party goes to the secret hideout. The party finds out

that the Imperials have captured the area. After defeating nearby Imperial soldiers the party hears a woman's scream]

Odessa: Ohhhh!

Cleo: What was that?

Gremio: Let's hurry.

[The party rushes in for Odessa's aid and defeats the remaining Imperial soldiers. The party sees Odessa lying]

Viktor: Are you all right, Odessa?

Odessa: C-come...you can come out now.

[A boy comes out]

Odessa: Quickly! You must run...

Boy: O-OK.

[The boy runs away]

Odessa: Ahhh!

Gremio: Lady Odessa! You're bleeding!

Viktor: Odessa! What have you done? Without you, the Liberation Army...

Odessa: I'm...so sorry, Viktor. It appears... I've chosen to be a woman...rather than commander of...the Liberation Army. I couldn't let that child die. I'm a failure...as a leader...

Cleo: Don't talk, Odessa. You'll reopen your wound!

Odessa: Hero, will you..come here?

[Hero comes near to Odessa]

Odessa: I have...two requests. First, give this earring...to a fellow called Mathiu...in the village of Seika...

Viktor: Stop it, Odessa. I don't want to hear any final requests!

Odessa: Viktor...thank you, but...I know the end is near. Hero, take it...

[Hero takes the earring]

Odessa: M-my other request... Please throw my body...into the stream there...

Gremio: What? But why? I can't do such a horrible thing.

Odessa: Please...Hero.

=====

1. Hero: I can't.

Viktor: He's right, Odessa. Why do you ask such a thing?

Odessa: If the Liberation forces find out I'm dead...the Movement will lose faith and die... That is why you must keep my death a secret. The tiny...newborn...must be kept...alive...

Hero: I can't.

Odessa: Look, Hero...this is blood. My blood... You are not aware of it, but a lot more blood is being shed by the innocent...at the hands of the Imperial Government... You must put an end to it. Even if I die... If my hopes remain alive... I can be proud of my life. My blood...

Hero: I can't.

Viktor: All right, Odessa. I'll do it.

Odessa: Thank you... Viktor, You're crying for me... If you...ever see Flik again, tell him that his kindness always saw me through hard times... Well...it appears the end is near. Hero, I hope that you will be able to see the Free World that I was....never able to...

[Odessa dies]

Viktor: Goodbye.... Odessa.

[Viktor puts Odessa's body into the streams]

2. Hero: As you wish.

Viktor: Hero! How can you...

Odessa: Thank you, Hero. You understand me, don't you? Viktor... if the Liberation forces find out I'm dead... the Movement will lose faith and die. That is why you must keep my death a secret. Our tiny, newborn hope...must be kept alive... If you...ever see Flik again, tell him that his kindness always saw me through hard times... Well...it appears the end is near... Hero, I hope that you will be able to see the Free World that I was....never able to...

[Odessa dies]

Viktor: Goodbye....Odessa.

[Hero puts Odessa's body into the streams]

=====

Gremio: I suppose we should go to Seika.

Cleo: Yes. And find this fellow Mathiu. But to get to Seika, we have to pass through the Fortress of Kwaba.

Viktor: The Fortress of Kwaba...that's going to be though. But we'll give it a try.

=====
=====

BIRTH OF TORAN CASTLE

=====
=====

[The four reaches the Fortress]

Cleo: The Fortress of Kwaba. Its Commander is Lord Ain Gide, an old friend of Master Teo's. He doesn't know us, but he certainly knows your face.

Gremio: Can we get away with it? Let's test our luck.

Viktor: No problem, don't worry. Meanwhile, let's decide on some fake names. We'll be in trouble if they ask us who we are.

Gremio: I'll be Roi.

Cleo: I'll be Maria.

Viktor: You don't look like a Maria.

Cleo: What did you say?

Viktor: Hmmm, I guess I'll be... Schtolteheim Reinbach III. How's that sound?

Cleo:

Gremio: Young Master, how about you?

=====
=====

1. Hero: Masamune.

Cleo:

Gremio:

Viktor: Ok, let's go Roi, Maria, Masamune!

2. Hero: Piisuke.

Cleo:

Gremio:

Viktor: Ok, let's go Roi, Maria, Piisuke!

3. Hero: Schtolteheim Reinbach IV.

Cleo:

Gremio:

Viktor: Ok, let's go Roi, Maria, Schtolteheim Reinbach IV.

=====
[The party enters the fortress]

Imperial Soldier: Hey you! You there!

[Hero turns away]

Schtolteheim Reinbach III: Me, sir? I'm just a poor jujube vendor, with hungry kids waiting at home...

Imperial Soldier: Not you! The little runt. You look like that fugitive, Hero McDohl...

[A well-dressed man comes out]

Ain Gide: What's the matter?

Imperial Soldier: Sir. I thought this young fellow here looked like Hero McDohl, the fugitive.

Ain Gide: Hero? You there. Show your face.

Cleo: Uh oh, if Lord Ain sees me...

[Gremio pushes Hero back]

Gremio: You! I've just about had it with you! Always causing trouble! And completely useless too! Now they think you're a fugitive. You're a pain in the neck even when you're doing nothing! Sir, if you find this boy suspicious, I'd be glad to lop off his head, right here and now.

Imperial Soldier: W-wait a minute...

Gremio: Don't worry, sir. I can't be thought of as harboring a fugitive. You, prepare to die!

[The Imperial soldier steps forward to stop Gremio]

Imperial Soldier: No, stop, stop!

Ain Gide: Hmmm. Think about it, Rosh. McDohl's son wouldn't be dressed like a beggar. You all, you may pass.

Rosh the Imperial Soldier: But sir, I think...

Ain Gide: Don't worry about it, Rosh. Let them go.

[The party goes in]

Ain Gide: Hey, sonny. Take good care of your father.

[The party safely comes out]

Gremio: Forgive me, Young Master. Even though we were in danger, I went too far. I'm ready for any kind of punishment. You can even cut off my head...

Viktor: Hey, hey, Gremio. It's no big deal. Safe passage is all that matters. Hero has a big heart.

=====

1. Hero: Unforgivable!

Cleo: Young Master, you know Gremio spoke like that to save you.

Hero: Unforgivable!

Viktor: That's enough, Hero. A joke's a joke.

Hero: Unforgivable!

Gremio: You're right. I didn't think you'd forgive me. I'll kill myself...

Viktor: Whoa! Wait a minute! Hero I understand your humiliation, but do me a favor and forgive Gremio.

=====

2. Hero: I understand, Gremio.

Gremio: Y-young Master...

[The party reaches Seika and seeks a the man named Mathiu.
Viktor asks a man about Mathiu]

Viktor: Hey! Do you know where Mathiu lives?

Mathiu: Just up those stairs.

[The party comes to Mathiu's house and asks a kid where Mathiu is]

Kid: Master Mathiu? He's out for a walk.

[The party comes out and talks with the man]

Viktor: You! Trying to fool us? You're Mathiu!

Mathiu: Yes, I'm Mathiu. What can I do for you?

[Gremio steps forward]

Gremio: We're here to honor Odessa's last request. She asked us to deliver this earring to you...

Mathiu: Last request?..... I-I see. So she's dead.... She was a fine young woman, but she got mixed up in that...

[Viktor steps up]

Viktor: That what? I don't like your tone of voice. What's wrong with what Odessa was doing?

Mathiu: She was a fool. I knew it would come to this. I can't accept this earring. Please leave.

[Mathiu goes back to his home. The party follows him to his house]

Mathiu: I'll have nothing to do with Odessa. Please leave.

[The party leaves the house]

Viktor: Who is this guy? He makes me sick.

Cleo: Me too. But why did Odessa ask us to see him?

[Some Imperial soldiers interrupts the party]

Imperial Soldier: Hey! Get out of the way!

[The party makes a way for the Imperial soldiers. The Imperial soldiers goes to Mathiu's house]

Gremio: Those Imperial Soldiers went toward Mathiu's house.

Cleo: I wonder what's going on.

[The party also goes toward Mathiu's house to see what's happening]

Mathiu: What are you doing? What do you plan to do with that child?

[An Imperial soldier gets a hold of one kid]

Imperial Soldier: Mathiu Silverberg. You are hereby ordered to return to duty in the Imperial Army. There's no reason why a fine doctor like you should be wasting your talent in this pathetic village. Why, you're a hero of the Battle of Kalekka.

Mathiu: I refuse! I've had it with war. Nowadays I'm nothing but a poor recluse.

[The Imperial soldier steps forward]

Imperial Soldier: We have been ordered by Lord Kasim Hazil to

bring you with us force, if necessary.

Mathiu: I have no intention of returning to Imperial Service.

Imperial Soldier: Really? If you choose to be stubborn, there's no telling what will happen to this child. Say, maybe we'll send him to the Banaar Mines. Pretty hard labor there. Who knows if the kid will survive...

Kid: No! No! Help me, doc! Help me!

[Mathiu comes near to where the kid is being held]

Mathiu: Let-let him go. Right now.

[The party sees them from far]

Gremio: Looks like trouble. What should we do, Young Master?

=====

1. Hero: Help them, of course.

Viktor: Great. Let's do it.

Cleo: Oh my, trouble again. It's not easy serving you, Young Master.

Gremio: Come on, Cleo. I know you're about to enjoy yourself. Young Master, let's go.

2. Hero: Wait. Let's see what's happening.

[The party continues to see what's happening]

Imperial Soldier: I don't know about that. Maybe if you agree to come with us, I'll let the kid go. How about it?

Kid: Shut up

[The kid frees himself and goes behind Mathiu]

Imperial Soldier: How dare you! Capture them all!

Viktor: Uh oh. Let's go, Hero.

=====

[The party goes in]

Viktor: Wait a minute. We're taking over this fight.

Imperial Soldier: Who are you?

=====

1. Hero: Survivors of the Rebel Army.

Imperial Soldier: Whoever they are, capture them.

2. Hero: Just some good guys passing by.

Imperial Soldier: Whoever they are, capture them.

=====
[The party easily takes them out]

Mathiu: Oh my god. All this killing...in front of a children.

[Everyone goes inside the house]

Mathiu: I know who you are. Hero, son of General Teo McDohl.
How do I know? I still keep in touch with a few friends in the
Imperial Army.

Gremio: Those Imperial soldiers, they called you Mathiu
Silverberg...

Mathiu: That's right. Odessa, Odessa Silverberg was my sister.

Cleo: Then why did you say such terrible things about her?

Mathiu: I decided that I would never again be involved in war,
in killing. But not Odessa. She chose to fight for her
beliefs. How did Odessa describe me?

Cleo: Just as a man in Seika named Mathiu...

[Mathiu turns]

Mathiu: I see. I guess she never forgave me. Odessa told me
that a powerful man who doesn't use his power is a coward.
Yes, I am a coward. I would rather be called a coward than
have to bear seeing that awful sight again. Even if it meant
being rejected by my own sister.

Gremio: Awful sight?

[Mathiu turns to see the party]

Mathiu: Watching people die from my own actions. Friend and
enemy alike... But today..... I have realized something. Even
if I close my eyes, the world will not disappear. From now on,
I will strive for what Odessa was striving for.

Gremio: You'll accept this earring, then?

Mathiu: Earring?... You should keep this.

=====
1. Hero: Why?

Mathiu: Look at it closely. There's a map inscribed in it that
shows the location of the Liberation Army's hideout. Whoever

holds this earring is destined to lead the Freedom Fighters.
Mathiu: I am a talented military surgeon, but hardly the type to lead the Liberation Army. But You Hero, however, are a born leader. I'm sure Odessa realized that. That's why she wanted me to meet you. Please accept this earring, and live out your destiny as leader of the Freedom Fighters.

2. Hero: But Odessa...

Mathiu: I believe she wanted you to have it. I am a talented military surgeon, but hardly the type to lead the Liberation Army. But You Hero, however, are a born leader. I'm sure Odessa realized that. That's why she wanted me to meet you. Please accept this earring, and live out your destiny as leader of the Freedom Fighters.

=====

1. Hero: I can't do it.

Mathiu: I see. It's a difficult decision, for sure. Take some time to think it over, and come back with your answer.

=====

2. Hero: I'll do it.

Mathiu: Thank you, Hero. From this moment on, you are the leader of the Liberation Army. Henceforth I shall call you Master Hero.

Viktor: Gremio, Cleo, what will you do? You won't be able to return to the Empire.

Gremio: Wherever you go, I go, Young Master. Master Teo will forgive me. I'm sure.

Cleo: Me too. I've just about had it with the corrupt Empire.

Mathiu: Master Hero. As your military surgeon, may I offer my first piece of advice. To revive the Liberation Army, we must recruit volunteers. People who are dissatisfied with the Empire. And to do so, we need a headquarters.

Viktor: You're right. Too bad the hideout at Lenankamp burned down.

Mathiu: I'm thinking of something much bigger. A place that can withstand an attack by the Imperial Army. There's an abandoned castle in the middle of Lake Toran that I believe would be perfect for our purposes. Why don't we make for Kaku, a town on the shores of the lake?

Gremio: Aren't you coming with us, Mathiu?

Mathiu: I must prepare for the move. And I'll have to give the children a year's worth of homework.

[Party leaves. After reaching Kaku, the party heads to the dock to find a boat]

Man: Gimme a break, will ya? The only one with enough guts to go there is "Reckless Tai Ho."

[The party heads for the bar to find the man named Tai Ho]

Camille: Tai Ho? Oh, that guy. You! I've got you now, you bum!

[The woman pushed Gremio back]

Gremio: Wh-what is it? What have I d-done?

Camille: What have you done? Ha! I've got you now! "I'll collect from your grave" is the debt collector's motto, and you'll never outrun Camille the She-Devil!

Viktor: What's all that about? Is she Gremio's friend?

Cleo: Well...I have no idea.

Camille: Come on, gimme that money you owe me, right now! In cash! I've been looking for you for two months!

[The woman pushes Gremio more]

Cleo: Gremio, are you in debt?

Gremio: Goodness, of course not.

[Gremio jumps in surprise]

Camille: Trying to lie your way out of this situation, eh? But I've got proof. Take a look at this!

[The woman hands something to Gremio. Gremio takes a look]

Gremio: Hmm...let me see. Oh, this is the bill for the banquet with Master Teo. I also owe something at the inn. What! You want me to pay this right now?

Camiller: That's right. Immediately! All of it!

Viktor: Let me see, Gremio.

[Gremio shows the bill. Viktor jumps]

Viktor: !!!!!!!!!!! L-listen, we're in a spot of trouble at the moment, and we're short of cash. By the way, young lady, you seem to be acquainted with Tai Ho.

Camille: I know him.

Viktor: Can you tell us where he is?

Camille: Sure, after you pay up. After all, this is business.

Viktor: How about this, then. We have no money at the moment. But once we find Tai Ho, we might have a way of getting some.

As soon as we get some money, we'll pay you back.

Camille: Hmm... Hey! You're trying to trick me!

Gremio: Oh no, not at all.

Camille: Damn these penniless bums. All right, so be it, then.
But I'm sticking with you until you pay up.

[Camille joins]

Viktor: So, where can we find Tai Ho?

Camille: He's usually downstairs. Ask the shop keeper.

Cleo: We sure have recruited an odd one.

[The party asks the shop keeper if Tai Ho is downstairs]

Shop Keeper: What is it? Are you friends of Tai Ho? He's downstairs.

[They party heads downstairs]

Tai Ho: What? A boat to Toran Castle? You must be nuts! That place is full of monsters. I'll be placing my life on the line to take you there. Tell you what. Since I'll be risking my life on this trip, you're going to have to make a correspondingly risky bet. You're going to have to bet all the money you have. Are you up to it?

=====
2. Hero: I don't think so.

Tai Ho: You're smart. Go home to mommy.

=====
1. Hero: Yes

Tai Ho: Here we go, then. Too late for regrets!

[Hero wins Tai Ho in the dice game]

Tai Ho: Well, you're lucky today. I tend to go along with lucky folk. Hey, Yam Koo, let's go prepare the boat.

Yam Koo: Sure, sure. Here we go again with Big Brother's madness.

[Yam Koo leaves]

Tai Ho: Hey, you guys. We'll be waiting at the docks.

[Tai Ho goes to prepare the boat. The party follows them]

Tai Ho: We're ready to sail.

[The party hops on the boat and sails. The party reaches a

foggy place]

Cleo: This is truly a haunted house.

Camille: Are you sure there's a treasure here?

Gremio: I don't know. Viktor said there was.

[Tai Ho and Yam Koo comes to see the foggy castle]

Tai Ho: Wow, what a place. Must be full of monsters. I'll get 'em!

Yam Koo: You're going too? Please be careful.

Tai Ho: Of course. I wouldn't miss this for anything.

[Tai Ho joins the party. The party heads into the castle. After wondering around the strange foggy castle, the party comes across a Zombie Dragon]

Viktor: Looks like this one's the boss.

[After a long battle the party defeats the Zombie Dragon]

Camille: That's what you get for acting big even after you're dead.

Gremio: Look, the fog...

[The fog disappears]

Cleo: Looks like this one was creating the fog.

Viktor: There, now the castle's ours. How about giving it a name?

Tai Ho: Good idea. How about the Dragon Castle?

Camille: How about White Castle?

Gremio: We should definitely call it Hero Castle.

Cleo: What name do you like, Young Master?

Hero: Toran Castle.

Gremio: Toran Castle? Very nice. Let's go with that name.

Viktor: Very slick, Gremio.

[Mathiu comes]

Mathiu: Congratulations, Commander Hero. Let's designate this day the New Liberation Army's Founding Day.

Viktor: Great idea! Let's have a banquet tonight!

Camille: Hey, what about my money?

Tai Ho: Don't be a bore, young lady. We'll think about that later.

[Leknaat appears]

Leknaat: It's been a long time, Hero. You have finally chosen your own path. I have brought you some gifts. One of them is this. Please accept it.

[Leknaat gives something to Hero]

Leknaat: This is the Stone Tablet of Promise. Your true power comes from colleagues with whom you share your ideals. So go and find fellow soldiers-in-arms. The names of your new friends will be carved into the Tablet. The other gift is...

[Luc appears]

Luc: Been a while, eh? Remember me? I'm Luc, Lady Leknaat's number one apprentice.

Leknaat: His power should be of use to the Liberation Army. Hero, history has only just begun to move. Keep your spirits high. Let us meet again someday.

[Leknaat disappears]

Luc: And so, I'll be joining you. Hope you don't mind.

[Gremio whispers to Cleo]

Gremio: I'm Absolutely sure that Lady Leknaat just got rid of a troublesome burden.

Cleo: ...Yeah...I guess so.

Mathiu: Commander Hero, the "vessel is now in our possession. Now it is time to find some recruits. In other words, recruit fellow comrades-in-arms. A fellow by the name of Lepant lives in the town of Kouan. Let's recruit him. He's be sure to be useful.

[In the morning]

Gremio: Good morning, Young Master. Did you sleep well? It's not much of a place but home is where the heart is. When you're already, let's go to Master Mathiu's place. We must consult him regarding this fellow Lepant.

[Hero and Gremio consults Mathiu in his room]

Mathiu: Good morning, Commander Hero. Did you get a good night's sleep? Let's get right down to business. Lepant is in the township of Kouan. He is a man who honors friendship. If you tell him that you come with my introduction, he's sure to join up with you.

[Viktor and Cleo shows up]

Viktor: Hey Hero, you're taking me along, of course. Right?

Cleo: Master Hero, I'll come along too.

]Party leaves the castle and comes to Kouan. The party tries to enter Lepant's mansion]

Giovanni: I'm sorry, but my master Lepant is very busy and cannot see you.

Viktior: When will he be free?

Giovanni: I don't know. Tomorrow, perhaps, or the day after, or in a month, or even a year.

[The party thinks of a way to enter the mansion]

Krin: You went to Lepant's mansion? Hee hee! You guys would never get in, even if you spent years in front of his house. I have a much better plan. Care to hear me out? You'll get to meet Lepant.

=====

2. Hero: I can't trust you.

Krin: Then go ahead and waste your life away, stupid.

=====

1. Hero: Tell me what you have in mind.

Krin: Good. But this is not the place. Let's go to the inn

[Krin and the party heads into the inn]

Viktor: Let's hear what you have to say.

Krin: Don't rush me now. Do you know why Lepant won't see anyone?

Gremio: Why?

Krin: He doesn't want to get involved with guys like you who defy the Empire. That's why he refuses visitors.

Cleo: But why? That's not like what Mathiu told us about him.

Krin: I don't know anything about that. Anyway, let's get down to details. Lepant treasures two things above all else. One is his wife Eileen. The other is the great sword Kirinji.

Gremio: So...

Krin: So if you steal Kirinji, Lepant will most certainly come after you. Then, after you face him, you can talk to him, or blackmail him, or whatever you like. Understand?

Viktor: I see. So how do we steal Kirinji?

Krin: Hee hee. Just leave that to me. Wait here a while, then come on over to Lepant's house. I'll see you later, hee hee.

Gremio: Are we pretending to be thieves now? How pathetic?

Viktor: Who's pretending? We are thieves.

[Later that night]

Cleo: It's about time we got going.

[The party heads to the mansion]

Krin: Here you are. Wait just a moment.

[The man ties a rope to a tree that is leading a way to the rooftop of the mansion]

Krin: There. Now you can go in.

Viktor: Aren't you coming?

Krin: My job is done. Now it's your turn. I'll be waiting here.

[The party climbs to the rooftop and goes into the mansion. The party comes across a weird doll machine thing. After solving that the party encounters with a strange looking man]

Juppo: My god, you scared me. Who are you? Fellow thieves? How do you do?

Viktor: Who are you?

Juppo: Me? I'm Juppo the Trickster. Who are you?

Cleo: Trickster? Did you make this contraption?

Juppo: That's right, that's right. Do you like it?

Gremio: You must be kidding.

Viktor: Hey you, turn that infernal contraction off, right now.

Juppo: Hmmm, that may be difficult. The dolls I can shut off, but the big one, impossible. So enjoy it, soldiers of the Liberation Army.

[The man goes off. The party goes on and comes across a weird puzzle thing. After solving the puzzle the party heads on and comes to where the sword is]

Cleo: This must be Kirinji. A remarkable piece of work.

[Hero takes the Great Sword Kirinji]

Gremio: Cleo, let's get going.

Viktor: Don't be such a chicken, Gremio.

Gremio: we can't have the McDohl scion getting captured as a common thief.

[The party heads back the way they came and finally comes outside with the sword]

Krin: You're late, you're late. Did you get it? Good work. Let's go back to the inn.

[The party follows Krin to the inn]

Krin: You did very well. I snuck in there once myself, but some kind of weird doll appeared, and I ran off without taking anything.

Gremio: You knew, yet you still made me go?

Krin: No harm done, hee hee. Anyway...

[Krin goes to get something]

Krin: You must be tired. How about some tea?

Cleo: Tea?

Gremio: Tea?

Viktor: Did you say tea?

[Krin comes back with some tea]

Krin: Come, come, take a break.

Viktor: Krin.

Krin: What is it? Hee hee.

Viktor: You go ahead and drink it first.

[Krin jumps]

Krin: Oh, no, you go ahead. I didn't work, and I'm not tired, hee hee.

Viktor: That figures. Think we're stupid enough to fall for such an old trick?

Cleo: You did, once before.

[The party makes Krin drink the tea and Krin falls asleep]

Viktor: What a scoundrel.

[A voice from outside the inn]

Lepant: Come out, you thieves! Or you'll be sorry!

[Lepant comes in]

Cleo: That was quick. He's found us already.

Krin: Heh heh. I told him where you were. So you'd get captured in your sleep.

Viktor: Let's go.

[The party goes where Lepant is]

Lepant: Are the one who stole Kirinji, my family's treasure? Return it immediately, or I'll...

=====
1. Hero:

Lepant: You thieves! Too frightened to say anything?

Gremio: What's the matter, Young Master. Let's tell him the truth.

Cleo: Master Hero, have you forgotten what Mathiu said? He's Lepant. Probably.

2. Hero: Um, Mathiu recommended you.

=====
Lepant: What? Mathiu... If Mathiu is involved, I'd like to help you. But there are certain things I cannot give up. So please return Kirinji and be on your way.

=====
1. Hero: We need your help.

Lepant: I'm sorry, but when I think about how my wife will miss me, I can't.

Hero: We need your help.

Lepant: If my life belonged to myself alone, I would gladly help you. But such is not the case.

Hero: We need your help.

Lepant: I'm sorry. I can't give up this life right now. For my wife's sake.

=====
2. Hero: I understand. We'll return your sword.

Lepant: Thank you. I'll be on my way, then.

[Outside the inn]

Giovanni: Master!

[Giovanni comes in]

Lepant: What's the matter, Giovanni?

Giovanni: Madam...Madam...

Lepant: What about Eileen?

Giovanni: The new Military Commander took her away. I tried to stop him. But...

Lepant: What!

[Lepant storms out the inn. The party follows him to the new commander's mansion]

Lepant: For what reason did you arrest my wife? Let me see this new commander of yours!

Imperial Soldier: You cannot see Commander Kraze without an appointment.

Lepant: What!

[Lepant easily takes the two guards down and enters the mansion. The party follows to see what's happening]

Imperial Soldier: Who the hell are you? Are you aware that this is the Kraze's residence, you dog?!

Lepant: Shut up, you common criminal!

[Lepant knocks them down and continues up. The party follows Lepant and comes across a lot of soldiers]

Lepant: This is quite a large number of opponents, even for me. Hm? Hey you there! You've come just in time. Lend me a hand.

[Lepant joins the party. After defeating the Imperial soldiers, the party heads up and comes to where Kraze is]

Kraze: You again, Hero! Thanks to you, I've been reassigned to this miserable country town. How dare you get in the way of my promotion! And now you're getting in the way of my pleasure!

[Lepant steps forward]

Lepant: You're disgusting! Return Eileen immediately!

Cleo: I'll never forgive you.

[Imperial soldiers come in. The party defeats them. Kraze points a knife at Eileen]

Lepant: Eileen!

Eileen: Lepant!

Kraze: That's far enough. I wouldn't want to hurt this beautiful lady.

Gremio: What a rogue. Rotten to the core. When I think that I was taking orders from this creature.

Kraze: Say what you will. I have to protect myself. By the way, let me bring out an old friend of yours. Hey! Come on out!

[Pahn comes in]

Cleo: Pahn!

Kraze: Heh. Pahn, capture those men. This is your chance to wipe the dirt off of General Teo's name.

Gremio: Pahn, you're not really going to do as he says?

Pahn: Cleo, Gremio... Young Master...

Cleo: Pahn...

Pahn: I don't regret the decision I made that day. Even now.

Kraze: That's right, Pahn.

Pahn: Yet my heart still aches. I-I want to follow my heart. Whether my heart is right or wrong will be judged by history.

Kraze: Pahn, what are you talking about?

Pahn: You're a pig in human skin! Take this!

[Pahn rushes in and knocks down Kraze]

Viktor: You seem to be hated by a lot of people.

Kraze: Now wait a minute, take it easy. Think of what will happen to your father Teo if anything happens to me.

=====

1. Hero: You're the one person I can't forgive.

Kraze: You, you d-don't really mean to...h-help.

[Hero kills Kraze]

2. Hero: Get the hell out of here.

Gremio: Young Master, why spare him? He killed Ted.

Cleo: Gremio, it's Young Master's decision. He's got a bigger heart than we do. And I'm proud of him.

[Kraze runs away]

=====
[After that]

Pahn: Young Master - I mean Commander Hero - please let me join the Liberation Army. I cannot ask to be forgiven, but even so, I would like to be of service to you.

=====
1. Hero: I can't forgive you.

Pahn: Please, Master.

Hero: I can't forgive you.

Pahn: It's about Ted, I suppose. I'm sorry. I shouldn't even show my face to you. But even so, I want to join.

Hero: I can't forgive you.

Pahn: I see. You still can't forgive me.

=====
2. Hero: Pahn, lend us a hand.

Pahn: Y-young M-master... Thank you so much. My life is in your hands, Commander Hero.

[Pahn joins]

Lepant: Commander Hero, it appears that I, too, am now a fugitive. I pretended to be blind to the Empire's cruelties, just to protect my family. And look where it's gotten me. Eileen...

Eileen: Yes.

Lepant: You are no longer my wife.

Eileen: W-why, Lepant?

Lepant: I am joining the Liberation Army. I probably won't be able to return.

Eileen: You're a cruel man. What do you take me for?

Lepant: If you come along, you'll suffer.

Eileen: I've been prepared for the worst, ever since I married you.

Lepant: Commander Hero, please let me lend the Liberation Army a hand.

[Lepant joins. The party heads back to the castle and finds that Sydonia and Varkas has come to the castle]

Varkas: It's been a while, Hero. I guess we both managed to

[A ninja attacks Hero. The ninja goes down after getting hit from Hero]

Pahn: Master Hero! Are you all right? You scoundrel!

[Pahn runs in and hits the assassin]

Viktor: How dare you infiltrate the Liberation Army's headquarters!

Assassin: Ha ha ha! The Liberation Army indeed. Do you really think you can defeat the Imperial forces? Fools.

Cleo: Say that again!

Assassin: Watch your back, Hero. Lady Windy is always ready to destroy you!

[The assassin goes off. Later that night, outside Hero's room]

Pahn: I'll stand watch over Master Hero.

Gremio: No, I'll protect him tonight.

Viktor: Stop this silly argument. Why don't you both stand watch?

[Hero goes to bed. Next morning]

Gremio: Good morning, Young Master. It's another beautiful day outside.

[Gremio and Hero goes outside the castle to get some breath. The two comes across a lying helpless elf]

Kirkis: Uhhhhnnn...

Gremio: You're soaking wet. Don't tell me you swam all the way here. Let's take him inside.

[Hero and Gremio takes the elf inside]

Gremio: I wonder what happened? Just seeing an elf is unusual enough in these parts, but one who swims all the way out here.

Mathiu: There must be some reason.

[The elf comes across]

Kirkis: Gurgle...uhhhnnn...Where am I? I must have survived.

Gremio: Are you all right?

Kirkis: I heard through the wind, and came. Please tell me...is the Liberation Army...

Gremio: Don't you worry. This is the Liberation Army's headquarters, Toran Castle.

Kirkis: Thank god. I have a request. I must speak to your leader, Odessa.

Gremio:

Mathiu: You can't see Odessa right now. Our present leader is Commander Hero here.

Kirkis: Commander Hero, then. Please help us.

Gremio: Help who?

Kirkis: The Great Imperial General Kwanda Rosman is planning to exterminate us elves. Please. Please lend us the Liberation Army's power.

=====

1. Hero: Of course.

Mathiu: Wait, Commander Hero. Our present forces don't amount to much. Even with the old Liberation Army's survivors and Varkas' bandits, we still only amount to a few hundred men. It's not a good idea to mobilize our forces yet.

2. Hero: But...

Mathiu: You're right. As Commander Hero says, our forces are still few. Even with the old Liberation Army's survivors and Varkas' bandits, we still only amount to a few hundred men. It's not a good idea to mobilize our forces yet.

=====

Gremio: But that will mean the elves will die.

Mathiu: Of course, we can't allow that to happen. Our only strength is the hope that people see in us. That we must never betray. Therefore I suggest that before all else, a small reconnaissance mission be sent ourto gather intelligence. Our next step can wait.

Kirkis: Thank you very much. I'll lead you to our village.

Gremio: Young Master, no matter who says what, I'm going.

[Kirkis and Gremio goes with the Hero. The three heads outside the castle]

Kirkis: Our village lies past the Great Forest. Let us first head for the Forest Village. The Forest Village is southeast of Kouan. We'll find it along the eastern edge of the forest.

[The three boards the boat. Hero and Gremio follows Kirkis and comes to the Forest Village]

Man: That's funny. It's true, you know. Elves have been seen coming out of here. My god! You! Hey everybody, it's true!

There's an elf here!

[The man freaks out and runs away]

Kirkis: Better not cause a ruckus. There's a secret elfin trail up ahead. Let's hurry.

[The three finds the hidden trail]

Kirkis: The area beyond this point is under a spell. Without me, you'll get lost. Please stick together.

[The party goes deeper into the forest and all of a sudden a stranger appears]

Viki: What? What??? Uh oh, looks like I blew it.

[The girl comes closer to Hero]

Viki: Say, where are we? The Empire? Which one? My goodness, almost the other side. My name's Viki. I'm a poor soul with nowhere to go. Won't you protect me?

=====

1. Hero: Recruit

Viki: Oh, thank you! What? The Liberation Army? You have a castle? Wow? Where is it? That's pretty close... All right then! Let's go!

[The girl teleports herself]

2. Hero: Don't recruit

Viki: Oh no! Please, you aren't planning to leave an innocent little girl like me here in the forest, are you?

=====

[The party heads their way and comes upon a stranded village]

Kirkis: What the...

Gremio: What's wrong?

Kirkis: This is the Kobold Village, but all the kobolds are gone.

[A kobold comes out of the forest]

Kuromimi: Bow wow! You humans take away friends. Not forgive. Grrrrr, not forgive, sniff sniff. But no time now. Kuromimi fix everyone sickness.

[The kobold goes off]

Gremio: He's saying his friends were taken away and everyone

is sick.

Kirkis: Something happened here. Let's hurry to our village. The Village of the Elves is east of here.

[The party hurries to the village of the elves and comes to the village]

Valeria: That's enough. Listen to me! How dare you be so insulting!

Chief of the Elves: Listen? Listen, you say? I didn't know that you humans could talk. So what do you have to say? Have you thought of a good of exterminating us? With your tiny minds?

Valeria: That's right. Kwanda is planning something truly frightening. Not only is he going to wipe you out, he's planning to burn down this entire forest, this forest that also happens to be my home.

Chief of the Elves: You humans are too stupid to realize such a task. Hey, lock this one up.

[Two elf soldiers takes the woman away. The party goes inside the chief's house]

Sylvina: Kirkis...why did you leave me alone? I was lonely.

Kirkis: I didn't mean to leave you alone.

Sylvina: How terrible, going off alone. You should have taken me with you. Was it fun outside?

Kirkis: No, I mean, I didn't go out to play, you know. I didn't take you because I didn't want you in danger.

Gremio: Of course.

Chief of the Elves: Kirkis, why did you leave without my permission? What did you do out there?

Kirkis: There are humans who are fighting the Empire too. I left to get help from the Liberation Army, as they call themselves, to protect the Village of the Elves.

[The chief jumps in surprise]

Chief of the Elves: Protect this village? What are you talking about? We don't need human help to protect ourselves. It's true that at one point, Kwanda's men had the upper hand. But they're humans, after all. They've been behaving themselves recently.

Kirkis: But...

Chief of the Elves: Shut up, Kirkis. You left the village without permission, and dared return with filthy humans, Lock them all up.

Elf Soldiers: Yes, sir.

Sylvina: What? Why? Why? Grandpa, why are you arresting Kirkis?

[The elf soldiers locks the party in the cell. The three gets thrown in a cell with a woman and an elf]

Valeria: Who the hell are you? Liberation Army? Come to help the elves? I guess we're all fools here.

Gremio: That's an Imperial uniform.

Valeria: Yep, I was a fool too. I risked my life to betray the Empire, and look at me now. How stubborn these elves are! They refuse to believe what I know.

Kirkis: So what is it you know?

Valeria: Oh, that. The man in charge of this region is the Great General Kwanda Rosman. He has commissioned a horrible weapon to exterminate the rebellious elves.

Gremio: Horrible weapon? What is it?

Valeria: I'm not sure, but it's called the Burning Mirror. They say it can burn down an entire forest in an instant. Not only the elves, but the village where I was born. That's why I came. I wanted to warn the elves of this danger, so they could prevent the Burning Mirror's completion.

Gremio: And before you knew it, you were in this prison.

[The party talks with the elf and the elf does an incredibly fast run]

Stallion: Well, if it isn't chicken-hearted Kirkis, who turned and ran when he found out the Imperial Army was attacking. Hey, don't you remember me? Stallion, the fastest pair of feet in the village. Didn't you know? You should have seen how fast I ran when Kwanda attacked. Ha ha ha!

[The party hears a sound]

< creak >

Kirkis: Who is it?

[Sylvina comes down]

Kirkis: Sylvina...

Sylvina: Grandpa said I shouldn't come here, but I have to ask...

Kirkis: Ask what?

Sylvina: Tell me, Kirkis, why are you so hung up on humans? Humans act big, yet they're dead after only 50 years or so. Why bother with such lowly creatures?

Gremio: Dead after only 50 years or so? What an awful thing to say.

Kirkis: Listen to me, Sylvina. It's true that humans dislike elves and dwarves, We look down on humans. The dwarves detest us. Isn't it sad? After all, what's the difference between us? Why can't we get along? I just don't understand it. It's very sad.

Sylvina: Kirkis... I'm sorry, Kirkis. I don't understand what you're saying. I just can't. I just can't trust humans, and dwarves scare me. But...but... I'll believe you. I'll believe whatever you believe. I'll do my best to believe.

Kirkis: Sylvina...

Sylvina: Here's the key to this cell. Do you think I'll end up in here for doing this?

[Sylvina unlocks the door. In a flash Stallion comes out of the cell]

Stallion: Ha! I, Stallion, shall show you how fast I can run.

[In a blink of an eye the elf disappears]

Gremio: In-incredible.

Sylvina: Kirkis, you run too. You can't run that fast, of course...

Kirkis: No, I can't run away. I have to do something about that Burning Mirror that Valeria was talking about.

[Valeria comes over]

Valeria: What can you do?

Kirkis: I have an idea. Master Hero, northeast of this village is the Village of the Dwarves. They must know something. Let's get their help.

=====

1. Hero: I agree

Valeria: Me too. If we don't hurry, there'll be a disaster. We must prevent the Burning Mirror from being completed.

2. Hero: Let's go back to the castle first.

Gremio: Young Master, we don't have the time. The Burning Mirror is being built at this very moment. We must hurry.

=====

Sylvina: Kirkis! Are you going to dwarf country?! They say

dwarves eat elves.

Kirkis: That's just a nasty rumor. We should get rid of prejudices like that. Let's go, Master Hero.

[The party sneaks out of the village and tries to go when Valeria and Sylvina comes]

Valeria: Take me with you, Commander Hero. I want to help protect this forest.

[Valeria joins the party]

Sylvina: Kirkis...

Kirkis: Do you want to come along, Sylvina? This time you're welcome to join us.

Sylvina: I'll stay. I'll wait for you to come back. So, promise me you'll return. Promise?

Kirkis: I promise I'll be back. I'll never make you feel sad again.

Sylvina: It's a promise.

[Kirkis kisses Sylvina on the cheek and the party leaves the village. The party makes their way to the Dwarfen Trial. At the end of the path the party meets the same kobold that they did in the Kobold village]

Kuromimi: Dwarf stingy. Keep sickness cure secret. But Kuromimi never give up.

Gremio: That kobold...

Kuromimi: You! I don't forgive...grrrrr. But Kuromimi busy now.

[The kobold goes off. The party finally exits the trial and comes to the village. The party goes and speaks with the village chief]

Chief of the Dwarves: Well, what unusual visitors. Human and elf, hand in hand. What brings you to the Dwarf Mines?

Kirkis: Chief of the Dwarves, we come to ask you for a favor.

Chief of the Dwarves: A proud elf asking a lowly dwarf for a favor?

Valeria: Chief, have you ever heard of a Burning Mirror?

Chief of the Dwarves: Of course I have. It's one of our treasures.

Valeria: Kwanda Rosman has gotten hold of the blueprint, and is planning to burn down the forest.

[The chief jumps]

Chief of the Dwarves: Ho ho! That's very funny. I hope all the elves are killed. Ho ho!

Kirkis: What a thing to say!

Chief of the Dwarves: Besides, do you expect me to believe that one of you sluggish humans really succeeded in stealing a blueprint from us?

Valeria: It's true. A fellow called Kage stole the blueprint.

Chief of the Dwarves: Ho ho! You'll have to prove such human competence. You're saying a human can break into our vault? Try it, then.

=====

2. Hero: Better not try

Chief of the Dwarves: Ho ho, you're smart. You'll never succeed anyway.

1. Hero: Let's give it a try.

Chief of the Dwarves: Ho ho, what fun! Then try to steal the Running Water Root from our vault. If you can do that, I'll believe your story. Our vault is due north of this village. It was way too big to build here, ho ho.

=====

[The party enters the vault]

Dwarf: The Chief has filled us in. This vault can't be opened by a stupid elf.

[The party goes into the vault. After solving tons of puzzles the party finally finds the Running Water Root. Hero uses an Escape Talisman to teleport out of the vault and brings the Running Water Root to the chief]

Chief of the Dwarves: Grrrrrrr...you succeeded in breaking into our vault. All right, I'll believe your story. As you said, the Burning Mirror is a terrible weapon. But it can be blown to pieces using another of our treasures, the Firewind Cannon. I'll have one built for you right away.

Valeria: We are grateful, Chief.

Kirkis: Master Hero, let's return to the village and deliver the news. The Chief of the Elves should believe us now.

[On their way the party sees a forest burning]

Kirkis: After returning from Dwarves' Village

Gremio: W-what's that.

Valeria: I don't know.

Gremio: That direction is...

Valeria: It couldn't be...

Kirkis: Too late!

[The party hurries back and enters the burnt village of the elves]

Valeria: This is awful.

Gremio: How horrible.

Valeria: Our efforts were...

Kirkis: That's right. In vain. All of our efforts were in vain. But why? Why? Please tell me, Master Hero. What good were our efforts? Why did this happen? We did our best! I was insulted and abused, but I fought on. And yet...yet...

Gremio: Kirkis...

[Kirkis backs away]

Nothing...nothing remains! Everything I tried to protect.

[Kirkis brings out a ring]

Kirkis: When everything was over, I planned to give this ring to Sylvina. Poor Sylvina. Now this ring has no hand to adorn. It's useless now.

[Kirkis drops the ring and turns away]

Kirkis: There's nothing...

[Gremio steps forward and takes the ring]

Gremio: Kirkis, this ring is your hope. And you must never give up hope. With just a little bit of hope, you can survive, live on. And that goes for humans as well as elves.

Kirkis: Gremio...

Gremio: Young Master, let's return to the castle. We must never let this tragedy repeat itself. Let's defeat Kwanda Rosman's army, and destroy the Burning Mirror. That is our only deliverance.

Kirkis: Let's go. For the sake of Sylvina.

[The party heads out and on their way at Kobolds village the party meets the same Kobold that they did in Dwarfen Trial and in Kobold village]

Kuromimi: Kuromimi cannot caught here. Must help everyone.

[Imperial soldiers surrounds the party]

Imperial Captain: Who are you guys? Hey, you're that traitor Valeria. Fancy meeting you here. There's a price on your head. Better turn yourself in.

Gremio: Young Master, we're surrounded. This is a bit dangerous.

Kirkis: What are you talking about? This is extremely dangerous. Valeria: Hey, you there. If I turn myself in, will you promise not to hurt the others?

Imperial Captain: Ha ha! A deal, eh? All right. I swear to god I won't hurt them.

Gremio: V-Valeria, by law traitors are put to death.

Valeria: I know.

Gremio: Then...

Valeria: The Burning Mirror must be destroyed. That can't be done if we all die here. The Liberation Army can't afford to lose its leader. A leader must stay alive. That's why...

=====

1. Hero: Stop it, Valeria.

Valeria: Come now, Hero, you mustn't lose sight of your bigger goals.

2. Hero: I'm sorry, Valeria.

Valeria: No big deal. But I hope you'll rescue me before I get my head cut off.

=====

[Valeria leaves the party and goes over to the Imperial soldiers]

Imperial Captain: That's a good girl. Behave yourself. Men, kill the elf, kobold and the rest of the traitors.

Valeria: What? You just swore to god.

Imperial Captain: God? There is no god in these modern times.

[An Imperial Soldier takes Valeria away while the others rushes in to kill the party]

Gremio: Whooooaaa! Here they come!

Kuromimi: Kuromimi fight. No can die now.

[Kuromimi joins and the party barely defeats some Imperial

soldiers]

Gremio: We're losing...

Kirkis: Is this it?

Kuromimi: You all weak. Kuromimi no give up.

Imperial Captian: Big talk, eh? Get them, man!

Mathiu: Commander Hero, I'll help you.

[The Imperial Soldier who took Valeria away comes rushing in]

Imperial Captian: W-what's going on?

Imperial Soldier: Sir, some fellows calling themselves the Liberation Army arrived.

[The Imperial Captain jumps]

Imperial Captain: what? Retreat! Get out of here!

[The Imperial soldiers flees. Mathiu, Humphrey and some bandits comes]

Gremio: Master Mathiu, how did you get here? Not through the forest?

Mathiu: Somebody warned me about the Burning Mirror.

[Sylvina comes running out and holds Kirkis]

Sylvina: Kirkis! Kirkis, Kirkis, I missed you!

Kirkis: Sylvina...how? Why?

[Out of nowhere Stallion comes running out]

Stallion: Ha ha ha. Credit that to me.

Sylvina: It was incredible. There was a flash, and Stallion charged forward at an unbelievable speed.

Stallion: I wish you could have seen how fast I can run.

[Kirkis holds Sylvina]

Kirkis: Sylvina! Sylvina!

Stallion: Hey, don't you want to hear about my speed?

Gremio: Yes, the ring. Now I understand that hope should never be abandoned.

[Gremio gives the ring to Kirkis]

Kirkis: Gremio...

Sylvina: What is it? A ring? What is it, Kirkis?

Kirkis: This? I, when everything is over...

Mathiu: After Commander Hero left the castle, Humphrey and Sanchez arrived with survivors of the old Liberation Army. We now have the manpower to fight Kwanda Rosman's army. Commander Hero, please give us the signal to move forward.

=====

1. Hero: All right, all troops forward.

2. Hero: It's not the time yet.

Mathiu: Commander Hero, war is timing. And now is the time.

=====

< Battle at Pannu Yakuta >

Kirkis: Kwanda Rosman! You'll pay for burning our village down!

Kwanda Rosman: Liberation army? Conceit! I shall destroy you on behalf of His Majesty the Emperor.

Mathiu: This is the first battle for new Liberation Army's. Give it your best shot.

Viktor: Hey! Here we go!

[A tough battle against Kwanda's troop begins. The Liberation Army takes the upper hand by using a magic attack on the enemy. After that the Liberation Army charges and completely wipes Kwanda's troop]

Mathiu: Congratulations! We won!

Kwanda Rosman: Damn you. It's time for the Burning Mirror.

[Kwanda runs off to his castle and tries to use the Burning Mirror]

Kwanda Rosman: Ha ha! I'll burn you all with this!

[Meanwhile at the front of the castle]

Valeria: Dammit. Kwanda's planning to use the Burning Mirror.

Mathiu: What? All troops retreat! No, forget that. Disperse! Keep casualties to a minimum!

[Inside the castle]

Kwanda Rosman: Ahh, spreading out to reduce casualties, eh? But it's too late now. Traitors to the Empire, this is the price you pay! Take that!

[The Burning Mirror shatters into pieces]

Kwanda Rosman: W-what's going on?

[Outside the castle, the chief of the dwarves arrives into the scene]

Chief of the Dwarves: Ho ho ho! That's what you get for stealing! See the power of our Firewind Cannon!

Kirkis: Chief of the Dwarves!

Chief of the Dwarves: Looks like we got here in time, young elf.

Viktor: All right, let's go into the castle and take Kwanda Rosman's head. Come on, Hero.

Gremio: I'm going too, Young Master.

Valeria: Please, Master Hero, take me too.

Kirkis: I'll go too.

Viktor: All right. Who else is coming?

Kuromimi: Kuromimi go too. Save friends. Kuromimi go.

Viktor: Let's go!

<<<<< The Bug >>>>>

This is not intended to hurt the developers feeling. It is just some mistakes I found in Suikoden.

Bug:

Pahn: What is going on here? It seems the Imperial Guard was after him. But how can that happen...

[Gremio steps forward]

Gremio: What are you accusing Ted of? He's a good boy!

Pahn: I don't know, *Cleo*. Maybe we'd better contact the Imperial Guard.

Fix: < It should be Gremio instead Cleo >

Pahn: I don't know, Gremio. Maybe we'd better contact the Imperial Guard

Bug:

Kirkis: After returning from Dwarves' Village

Gremio: W-what's that.

Valeria: I don't know.

Fix: < It should be like this >

< After returning from Dwarves' Village >

Gremio: W-what's that

Valeria: I don't know.
