        New York
        1933
```

A city soon to be thrown
into chaos..

Shiwan Khan, last descendant
of the barbaric Ghengis Khan,
plans to destroy the city with
a devastating device.

The only person equal in power
to bring Khan's twisted plans
to an end is a mysterious
defender of justices, a man
cloaked in darkness..

The Shadow.

A man with the ability to cloud
the minds of the weak and
corrupt, also to see the evil
which boils in men's hearts.

Who knows what evil
lurks in the hearts
of men?

It's time to sweep

New York ??

"I got some real bad news!
Something really bad

Some sailor guy has

weird outfit had
something to do with it."

The Shadow: What??
Another Mongol?
I'll be there
right away...

That guy's crazy!

The Shadow: Thanks Margo,
I'll look into it..

at the maritech labs.
I overheard a

Dr.Rhinehart and a

Some kind of atomic

The Shadow: Another beryllium
sphere!

Mo Shrevitz: The streets around
the lab are swarming
with weird soldiers...
It's too dangerous to
drive you there so
it's up to you..

The Shadow: No problem Mo,
I'm sure the Shadow
will find a way...

* Cut Scene 6 *

* Ending *

The city of New York is safe
from the threat of
devastation and Khan is
safely behind
bars in a mental institute,
lobotomized by the flying
glass in the battle with
The Shadow.

But when will this city be
under the gaze of another
madman ?

What fate will fall on the
inhabitants of
New York next ?

What will be the outcome
next time evil fixes
it's gaze on this already
troubled city ?

The Shadow knows ...
